Dear Patients,

After more than 30 years in cardiology and internal medicine practice I will be closing my practice here on the 31st day of August, 2024. It has been an honor and privilege to have been your health care provider, for many years. I am grateful for the opportunity to have served your medical needs.

If you have an appointment already scheduled with us during the next several weeks, we can discuss your transition to new care at that time. If you do not have an appointment and wish to begin the process of establishing care with a new provider, the following individuals/health care facilities/health care organizations are available and accepting new patients at this time:

You may, of course, choose any provider. You are not limited to the individuals listed here. It will be up to you to take steps to connect with a provider of your choosing. I will do what I can to assist to facilitate your transition to ongoing quality care.

After closing, your health records from this Practice will be transferred to Morgan Records Management, LLC (the "Records Custodian"). The Records Custodian will continue to maintain your records in accordance with applicable confidentiality and security standards and with other applicable laws.
