Re: Yvonne Allen

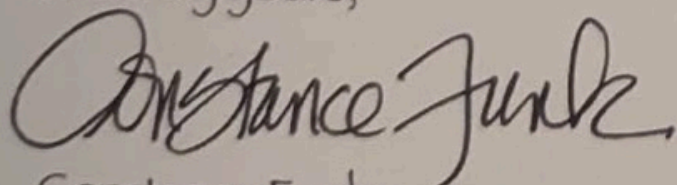

Voice For The Horse

I am writing to commend Yvonne Allen for her tremendous contribution to the important work of the human- animal bond with the creation of the *Voice For The Horse* Foundation. Yvonne's passionate commitment to the equine species is a gift to all life forms on our increasingly fragile planet, and the benefits to her ability to increase awareness of the importance of respect for all species is critical to our survival and ability to thrive.

The *Voice For The Horse* Foundation has at its core an emphasis on education, and the benefits and potential for increased awareness is unlimited. She is building bridges to understanding around the world, uniting with other strong voices who join Yvonne as advocates for respect towards all life.

As an equine author and guided educator, I strongly endorse the *Voice of the Horse* Foundation and recommend that it be awarded non-profit status so that it will be able to expand on the fund raising opportunities which will assure the growth to become an ongoing legacy. Please contact me at: constancefunk@gmail.com or 360.466.3757 if I can be of further assistance.

Sincerely yours,

Constance Funk
