The Mangina Dialogues is a sweltering combo of hot topics and hot fun hosted by stand-up comedian Nick Scopoletti (aka Nick Scopes) and Comedy DJ TheGregalicious.

The show's unique variety of content is hilarious and insightful features an array of refreshing personalities finding the humor in real life situations.

Every week, The Mangina Dialogues bring discussions on comedy, music, lifestyles, pro sports- all aspects of pop-culture.

With their keen eyes for the comedic, Greg & Nick spend time getting to know their guests, leading to hilarious, and also often touching, discussions.

TheGregalicious explains, "Spinal Top-esque situations aren't just reserved for bands. We love and talking to rock stars, but dealing with ridiculous mishaps goes on in the worlds of comedy, movie making, and professional sports too. We like to get inside all those stories for our listeners."

The Hosts

The Gregalicious prides himself on being one of the only people in the world who knows how much "stuff" an Oreo actually contains. Bouyant & eccentric self-made thousandaire, this DJ claims to have been raised by wolves in the woods of Saddle River, New Jersey and dares anyone to prove it isn't true.

Fitness guru and personal trainer turned stand-up comedian, Nick Scopoletti is a strong funny man and best bet for mumbling entertainer at birthday parties, or emcee for a suburban soft swinger's bash. His high energy interactive entertainment is addicting and contagious contagious.

What Our Listeners Are Saying About the Show...

Top pick for Driving Entertainment

This is a great pod hands down. The banter between the hosts accommodates the guest in a way where you understand the overall message. Their personalities on these episodes make me wonder what all the comics are truly like on stage.

Like hanging with buddies

Solid podcast that feels like hanging with friends who know interesting and funny people. If you're a fan of comedians, or comedy podcasts definitely give this a listen. They have really interesting guests who aren't your typical A listers, so it's great to hear new stories in the entertainment world!
