

精英太極坊  
Elite Taiji Club

## The [ClubPost] program

**Objective:** Collaborate with members to promote Tai chi in club house(s).

**Members' procedures:**

1. Create a couple movies to be posted on ETC Classes or Studios and **ETC International Blog**.
2. Draft and send us your resume about your Taiji schools and teaching experience.
3. Provide us with the contact information (email preferable) of the club you wish to promote your programs.
4. Let us know if you could offer 2-4 trial sections for free, as with that, according to our experience, would be more likely to close a deal.

Upon receipt of above information, **ETC will:**

1. Contact the target club house(s) with a brief introduction plus a soft copy of your ETC Certificate. We would suggest the club(s) to contact you directly otherwise ETC would keep you updated of the development whenever available.
2. ETC will share with you some hints to facilitate your training once your offer or performance is accepted by the club house(s).

**Let's work it out!**
