

Team Registration for 2019-2020

Beginning Monday May 20th, you can login to your account and place your child in their team class. Make sure you select the “Team Year 2019/2020”. You will be charged the \$60 registration fee and will be Drafted for this fee Saturday May 25th.

If you think you could have made a Mistake when you enrolled log in your account and the First Page that comes up after you log in has MY SCHEDULE on it. Everything you are enrolled in is listed there.

The new Team Year will Begin June 3rd and the monthly tuition Draft will be on June 4th. Please make sure to Update school information, *billing information, address or any other information that needs to be updated.

Our MAIN form of contact is by EMAIL. PLEASE, check your email Often! If your work and personal email are the same, PLEASE consider making an email account just for Gym Emails and Enter It on your account. We would hate for your child to miss out on a competition, any other event or deadline just because the email wasn't seen. This has been a big issue in the past.

If you think you may have missed an Email from the gym, Log In your Online Account, click the Menu icon at the top right of the screen and then click Messages in the list. You will see all recent emails sent to you by the gym there.
