3. Griller Information

Gates open at 11:00 for Setup, if need earlier please let us know. Cooks meeting is planned for 12:30. Judging Interval will begin at 3:00. Tasting will start at 2:15 until sold out. Grillers need to be set-up and ready to begin cooking their burgers no later than 12:30 on the day of the competition.

PrimeFest volunteers will be onsite at 8:00am for anyone needing help. We highly recommend that your grilling team includes at least three members (a griller, a burger assembler, and person to

exchange tickets for samples) to ensure a smooth event.

All Grillers should bring: Grill, utensils & food thermometer (All grills with charcoal, gas, or propane are permitted)

- Beef must be 1 Fresh Ground "Grade A" Beef
- Cutting Boards
- 2 Ice Chests for cold storage of food items (1 for meat only).

Other meats are acceptable.

All food safety rules must be followed.

Please review Madison County Health Department requirements and AL department of Health. Once registration is received, a request for payment will be emailed along with a copy of our "FOOD SAFETY GUIDELINES". Please reply with acknowledgement as having accepted said guidelines and safety regulations and respond with how payment (electronic or checks payable to John Fox) will be made.

All participants will need to follow these guidelines as outlined by the Public Alabama Dept.of Health, failure to do so will be cause for elimination from the event.

Your registration to participate locks down a grilling location thus preventing another griller from participating so there will be no refunds issued.

Note: All raw meat must be kept in a separate ice chest from all other food

items.

We cannot guarantee access to a power source. Bring your own Tent and table.

Please reach out with any space questions.
