Terms and Conditions for all of our complete scores

A full layout of our terms and conditions are clearly posted on our website. In general and simply, here are the rules for the copy of music you now hold:

You may download, print and/or store this digital file in a place most useful to you.

You may not share this file with anyone. Encourage those might be interested in this music to buy their own copy.

If you perform this score on a paid concert, ask the presenter to inform their local PRO and to pay any appropriate royalties.

Remember and respect the fact that the copyright owner of this music is the composer, not Firehead Organ Works which only distributes the score. Study the score carefully, and in all haste ask questions if you don't understand.

And further:

We strongly encourage you to assist the planet and perform this music from a tablet or I-pad. Our scores are designed for such with attention to margins, pagination, and print size. Of course, do print this music on paper if you must, but know the option to go paperless is noble, green, and socially aware.

Thank you very much!

The Creative Team at Firehead Organ Works.
www.fireheadorganworks.com

We vigorously advocate for the creation and proliferation of new organ music and as such offer music from our exclusively curated catalogue at very reasonable prices.

Our composers are paid well above the industry standard for royalty on sales.

Your support of their creative work is deeply appreciated!
