# locally-grown fruit ready to be enjoyed. it's simplygood.health

- 100% **locally-grown fruit**, puréed
- **no added sugar**
- allergy-friendly with **zero dairy or soy**
- **no artificial flavors or colors**
- vegan (we're all basic ingredients)
- aseptic filling (**can be stored, unopened without refrigeration**)
- nutritionally-faithful with the integrity of **minimal processing**
- the peak of harvest sealed in, **protecting against nutrient loss**
- easy to open, easy to eat, easy to measure, **easy to serve** (no cutting, slicing, chopping or lengthy cleanup)
- **elevated food safety** and traceability
- BPA-free, **resealable delivery**
- novel designs contiguously **reducing losses/waste**, from harvest to table
- thoughtful ingenuity ensuring **the last drop is as fresh as the first**
- versatility as **drinkable fruit**, that can **also serve as ingredients** in recipes
