Membership in the Association shall terminate without any formal Association action whenever such person or entity ceases to own an interest in any lot, but such termination shall not release or relieve any such person or entity from any liability or obligation incurred under or in any way connected with this Association during the period of such ownership, or impair any rights or remedies which the Association has with regard to such former Owner.

Section 2. Evidence of Ownership. Except for those Owners who initially purchased lots from Developer, any person or entity on becoming an Owner of a fee interest in a lot shall furnish to the Secretary of the Association, a machine or certified copy of the recorded instrument vesting that person or entity with a fee interest in the lot, which copy shall remain in the files of the Association. An Owner shall

not be deemed to be in good standing nor shall be entitled to vote at any annual or special meeting of the members of this Association unless this requirement is first met.

Section 3. Voting Rights in the Association. If a lot is owned by one (1) person or entity, his right to vote shall be established by the record title thereto. Such proxy shall be effective and remain in force unless voluntarily revoked, amended or sooner terminated by operation of law; provided that, within thirty (30) days after such revocation, amendment, or termination, the Owners shall reappoint or authorize one (1) person to attend all annual and special meetings. The proxy required hereby shall be filed with the Secretary of the Association at least ten (10) days prior to an annual or special meeting of the members of the Association.

The Owner, or several Owners of a lot, shall have one and the same registered address to be used by the Association for mailing of semi-annual statements, notices, demands and all other communications, and such registered address shall be the only mailing address of a person, or persons, firm, corporation, partnership, association, or other legal entity, or any combination thereof, to be registered by the Association. Such registered address of any Owner, or Owners, shall be furnished by such Owner, or Owners, to the Secretary of the Association within fifteen (15) days after transfer of title, or after change of address, and such notification of registered address shall be in written form and signed by all of the Owners of the lot, or by such persons as are authorized by law to represent the interest (of all) of the Owners thereof. Service of process in any action involving the Association as Plaintiff, and such Owners, or Owners, as Defendant may be served on any person residing at the aforesaid registered address of such Owner, or Owners, and, in the event that no one is residing at said registered address, or no one can be found at that address at convenient hours, such Owner, or Owners, hereby consent to being served with process pursuant to Rule 106 of the Texas Rules of Civil Procedure or any other substitute service rule of statute, at such registered address.

Section 5. Payment of Assessment. No owner shall be entitled to vote at any annual or special meeting of the members of the Association unless he has fully paid all monthly and special assessments levied against the lot owned by him.

ARTICLE VI.

Assessments

Section 1. Assessments for Expenses. The owner of each lot owned within the Properties hereby covenants, and each purchaser of any lot by acceptance of a deed or other instrument of conveyance therefor, whether or not it shall be so expressed in any such deed or other instrument of conveyance, shall be deemed to covenant and agree to pay to the Association in advance:

- (a) semi-annual assessments or charges and
- (b) special assessments for any charges assessed as a violation of these covenants as provided herein.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for:

- (a) Maintenance of easements, right-of-ways, parkways, boulevards, entrances, and the general appearance of the community, along with usual and customary administrative costs of the Association.
- (b) Carrying out the purposes of the Association as stated herein and in its By-Laws, or in Amendments thereto.

Section 3. Basis and Maximum of Semi-Annual Assessments. Until January 1st of the year immediately following the conveyance of the first lot to an Owner, the maximum semi-annual assessment shall be \$72.00 per lot.

- (a) From and after January 1st of the year immediately following the conveyance of the first lot to an Owner, the maximum semi-annual assessment shall be on the basis of current maintenance costs and future needs of the Association, which shall be levied by the Board of Directors provided any increases must be approved by a simple majority of the members.

Section 4. Date of Commencement of Semi-Annual and Special Assessments. First Assessments shall commence July 1, 1986, and semi-annually thereafter on each successive January 1, and July 1 of each year thereafter.

Section 5. Quorum for Action Authorized Under Section 3. The quorum required for any action authorized by Section 3 of this Article IV shall be as follows:

- (a) At the first meeting called, as provided in Section 3 hereof, the presence in person or by proxy of members entitled to cast sixty (60%) percent of all votes of each class of membership shall constitute a quorum. At all meetings subsequent to the first meeting fifty (50%) percent of all voting members shall constitute a Quorum.
- (b) If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 3 and 4, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the quorum required at the preceding meeting. PROVIDED THAT, no such subsequent meeting shall be held later than sixty (60) days following the preceding meeting.

Section 6. Owner's Personal Obligation for Payment of Assessments. All semi-annual and special assessments assessed against each lot shall be the personal debt of the Owner, or Owners, thereof. No Owner may exempt himself from liability for his assessments by waiver of the use of enjoyment of any of the Common Properties or by abandonment of his lot. The Board of Directors of the Association shall have the responsibility to take prompt action to collect any unpaid assessment which remains unpaid more than thirty (30) days from the due date thereof. In the event of default in the payment of an assessment, an Owner shall be obligated to pay interest at the rate of ten (10%) percent per annum on the amount of the assessment from the due date thereof until paid, together with all expenses (including attorney's fees and courts costs) incurred by the Association in collecting such delinquent assessment. Suit to recover a money judgment for unpaid assessment shall be maintainable without foreclosing or waiving the liens security same.

Section 7. Liens for Assessments. All sums assessed but unpaid chargeable to any lot shall constitute a lien on such lot and the improvements thereon superior to all other liens and encumbrances, EXCEPT ONLY for tax and special assessment liens on the lot in favor of any assessing unit, and all sums unpaid on any mortgage or mortgages of record against the lot. To evidence such lien, the Board of Directors of the Association shall cause a written notice of lien assessment to be prepared setting forth the amount of such unpaid assessment, the name of the Owner of the lot and a description of the lot. Such notice shall be signed by one of the officers of the Association, and shall be recorded in the office of the County Clerk of Taylor County, Texas. Such lien for unpaid assessments shall attach from the date of failure of payment of the assessment, and such lien may be enforced by the foreclosure of the defaulting Owner's lot by the Association in like manner as a mortgage on real property subsequent to the recording of a notice or claim thereof. In any such proceedings the Owner shall be required to pay the costs, expenses, and attorney's fees incurred but not less than the amount recommended by the Texas Bar Association for foreclosure proceedings through Court. The Owner of the lot being foreclosed shall be required to pay to the Association all assessments against the lot relating to the foreclosure, and the Association shall be entitled to a receiver to collect the same. The Association shall have the power to bid on the lot at foreclosure or other legal sale and to acquire and hold, lease, mortgage, vote the vote appurtenant to, convey or otherwise deal with the same. Any mortgagee holding a lien on a lot may pay, but shall not be required to pay any unpaid assessments payable with respect to such lot. Upon request of a mortgagee, the Association shall report to the mortgagee of a lot any unpaid assessments remaining unpaid for longer than twenty-five (25) days after the same are due, PROVIDED THAT, such mortgagee shall have furnished to the Association notice of such mortgage.

Section 8. Liability for Assessments Upon Transfer of a Lot. Upon payment to the Association of a reasonable fee, and upon the written request of any Owner or any mortgagee or prospective mortgagee, the Association, by its financial officer, shall issue a written statement setting forth the amount of unpaid assessments, if any, with respect to the subject lot, the amount of the current monthly assessment, and the date that such assessment becomes due, which statement shall be conclusive upon the Association in favor of all persons who rely thereon in good faith. Unless such requests for a statement of assessments shall be complied with within ten (10) days, all unpaid assessments which become due prior to the date of mailing such request shall be subordinate to the rights of the person requesting such statement. The grantee of a lot shall be jointly and severally liable with the grantor for all unpaid assessments against the lot for the unpaid assessments up to the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor, PROVIDED THAT, upon payment of a reasonable fee, as is herein above provided, and upon written request, any such prospective grantee shall be entitled to a statement from the Association's financial officer setting forth the amount of the unpaid assessments, if any, with respect to the subject lot, the amount of the current semi-annual assessment and date that such assessment becomes due, which statement shall be conclusive upon the Association. Unless a request for such a statement shall be complied with within ten (10) days of the request, then such requesting grantee shall not be liable for, nor shall the lot conveyed by subject to a lien for any unpaid assessments.

Section 9. Insurance. The Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain insurance for all the buildings against loss or damage by fire or other hazards in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction from any hazard, and shall obtain a broad form public liability policy covering all Easement Common Property, and all damage or injury caused by negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. Premium for all such insurance shall be common expenses. All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association as Trustee. In the event of damage or destruction by fire and other casualty to any property covered by insurance written in the name of the Association, the Board of Directors shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds, contract to rebuild or repair such damage or destroyed portions of the property to as good condition as formerly. All such insurance proceeds shall be deposited in a bank or other financial institution insured by Federal governmental agency, with the provisions agreed to by said bank or institution that such funds may be withdrawn only by signature of at least one-third (1/3) of the members of the Board of Directors, or by an agent duly authorized by the Board of Directors. The Board of Directors shall advertise for sealed bids from any

licensed contractor, and then may negotiate with any contractor, who shall be required to provide a full performance and payment bond for the repair, reconstruction or rebuilding of such destroyed building or buildings. In the event the insurance proceeds are insufficient to pay all the costs of repairing and/or rebuilding to the same condition as formerly, the Board of Directors shall levy a special assessment against all dwelling owners; as established by Article VI, section 4, above, to make up any deficiency for repair or rebuilding of the Easement Common Property not a physical part of the dwelling unit. In the event of damage or destruction by fire or other casualty to any dwelling, garage, storage area or other property of an individual owner, said Owner shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds, contract to repair or rebuild such damaged or destroyed portions of the garage, storage area and exterior of the dwelling in a good workmanlike manner in conformance with the original plans and specifications of said dwelling. In the event such owner refused or fails to so repair and rebuild or enter into a contract to repair and rebuild any and all such damage to the exterior of the dwelling, garage and storage area within thirty (30) days, the Association, by and through its Board of Directors, is here irrevocably authorized by such Owner to repair and rebuild any such dwelling and garage and storage area in a good and workmanlike manner in conformance with their original plans and specifications. The Owner shall then repay the Association in the amount actually expended for such repairs to the extent such amount is not covered by insurance proceeds received by the Association, and the Association shall have a lien securing the payment of same and subject to foreclosures as above provided. Any Owner whose lot or dwelling unit is not covered by fire and hazard insurance through the Association shall, upon request, deliver to the Association a copy of the certificate of insurance covering said dwelling and shall notify the Association in writing in the event such dwelling becomes uninsured.
