6 Days October 9-14, 2024

Day 1 - Madison, WI – Enjoy breakfast this morning and travel today to Madison, WI for the night. Tonight, dinner will be included with at a local restaurant. **(B,D)**

Day 2 – House of the Rock Tour – Cedar Grove Cheese Factory – Wisconsin Dells, WI – This morning, tour the House on the Rock. Alex Jordan used to explain his sprawling creation of collections, displays and galleries by saying that “one thing just sort of led to another.” Since those early days, the world Alex created has grown far beyond the Original House and into an attraction with many buildings that contain eclectic, exotic and whimsical exhibits and displays. A spectacular attraction with building after building filled with some of the world’s most unique collections of the exotic, the unusual and the unexpected. You might like to have lunch on your own at their cafe before departing.

No visit to Wisconsin would be complete without a tour of the Cedar Grove Cheese Factory. Here, you will see premium cheese being made the old-fashioned way and have a chance to visit the gift shop. You then travel to Wisconsin Dells where you will be staying for the next two nights. Dinner is included this evening at a local restaurant. **(B,D)**

Day 3 - Lost Canyon Carriage Tours – Upper Dells Boat Cruise - After breakfast this morning, you take a carriage tour through Lost Canyon. At Lost Canyon, you ride through a mile of cliff-walled gorges in comfortable yet quaint horse-drawn carriages. At the narrowest passages, the guides must talk the horses through the tight squeeze. In some of the deeper parts, the sheer rock and sandstone wall have not felt the touch of the sun in more than 50,000 years.

The afternoon features a boat ride on the Upper Dells. Marvel at the high cliffs and dramatic formations, navigate through the treacherous Devil’s Elbow, and go ashore to explore mysterious Witches Gulch and see the famous dog leap at Stand Rock. Enjoy dinner tonight at a local restaurant. **(B,D)**

Day 4 - Fireside Dinner Theatre Matinee – Lake Geneva, WI – Following breakfast, you depart the Dells for Lake Geneva, but your first stop will be in Fort Atkinson and the Fireside Dinner Theatre. Here you enjoy an early lunch in their restaurant followed by a show in the 700 seat theatre. There are three permanent gift shops offering the region’s most complete selection of gifts and collectibles for all ages or occasions. (Show TBD, 2024 has not been announced) You then continue to picturesque Lake Geneva, WI this afternoon where you check into your hotel for a two-night stay. Relax and enjoy the sites you’ll see along the shores of the entire lake. You will see the entire 20-mile shoreline of Geneva Lake and hear about the history that has made this area famous and gave the area the name “Newport of the West.” The afternoon features a visit to the Black Point Estate & Gardens, an elegant Victorian estate of Chicago Beer Baron Conrad Seipp, spanning across eight acres of land and 620 feet of undisturbed shoreline.

The home served as a respite for generations of the Seipp family before it opened to the public in 2007. A guided tour will take you through the first two floors of this beautiful Queen Anne-style summer cottage, considered one of the finest examples of period architecture and furniture in the Midwest, and one of the oldest mansions in Lake Geneva. The home was added to the National Register of Historic Places in 1994. Dinner is included this evening at a local restaurant. **(B,L,D)**

Take this stroll and you will get a real feel for life and lifestyles in the late 19th and early 20th century in the Geneva Lake area. Following the visit, depart for home. **(B)**
