SERVICE

Every group ought to be self-supporting.

It seems harder than ever for individuals to serve. Self-supporting is financial contributions AND.....so much more. Other acts of service include:

- Chairing Meetings;
- Sharing during Meetings;
- Holding a service position;
- Participating in business Meetings.....

SUPPORT ALATEEN

See Where and When - page 5 of Pipeline for details:

"I'm grateful for the adults who care enough to spend their time and energy sponsoring Alateen."

SERVICE

Tradition 7 "Every group ought to be self-supporting, declining outside contributions" tells us that we support ourselves by contributing NOT ONLY financially, but also by giving of our time and talents. Please help keep our District 170 self-supporting by considering to serve at the district level. Go to southpalmbeachafg.org for a summary of openings for service and the duties.

GRATITUDE

I am grateful beyond words for the gifts and spiritual nourishment I've been given through the collective wisdom of my fellow Al-Anon members. Here is some of what Al-Anon has taught me through my time in this gentle, nurturing fellowship.

I'm ok, I just forget sometimes. I forget that I am an integral part of the Universe who is supposed to be here doing whatever I'm doing at any given moment. I have purpose and I am needed, and I am supported by the Universe in living out that purpose. Though I may feel lonely, anxious, afraid and sad at times, I am never truly alone and will not be abandoned in this life. I have everything I need to live my life with moments and experiences of serenity, contentment and happiness along the way. What I may perceive as rejection or abandonment from time to time is simply change occurring as it needs to in order to create space for something else - something better and more fulfilling - to arrive and lift me higher. Although as a result of my exposure to the family disease of alcoholism at times I may feel unsafe, insecure and incompetent to successfully navigate a path through life, these feelings are not facts - they are transient byproducts of my fearful thoughts that ALWAYS pass and always have passed even though I sometimes don't believe they will. I need not believe these feelings or accept them as truth. I need not give them value, energy or extended space and time to linger in my mind.

Fear and faith cannot occupy the same space at the same time; I need to choose one over the other.

I can invite all negative thoughts and uncomfortable feelings to leave as soon as I identify their presence. There is no benefit in holding on to anything generated by fear. I can seek gratitude to replace my sadness. I can seek hope to replace my despair. I can put myself in a position to heal. When I let go of that which does not serve me, I serve my own best interests and allow Love to return to its rightful place as the guiding force of my life.

Thank you Al-Anon for the information, guidance and reminders that have truly saved my life!

WHERE AND WHEN

I have prepared a Where and When and Jill has it posted on the website, if you would like to print a couple copies for your groups. I have also attached a copy to this email. You may not want to print too many out as there are some new groups that will be added as soon as the registration completes with WSO.

If you go to print and your printer handles double-sided printing. Please select the option "Print on both sides of paper flip on short side/edge"

If printing from Adobe Acrobat Reader be sure to select "Actual Size", not "Fit" as it will shrink it a bit and won't line up for the folds if you don't choose actual size or 100%. If you use Foxit Reader it prints just fine as is.

If you find any errors or see any changes that need to be made please let me know.

THE TWELVE STEPS

1. We admitted we were powerless over alcohol—that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to others, and to practice these principles in all our affairs.

ANONYMITY

Whom you see here, What you hear here, When you leave here, Let it stay here.

THE SERENITY PRAYER

God, Grant me the Serenity to accept the things I cannot change, Courage to change the things I can, and Wisdom to know the difference.

NEW MEETING?????

CHANGE IN MEETING TIME, DATE, LOCATION?????

PLEASE MAKE CHANGES – OFFICIALLY

Good Morning Everyone,

This is Keith M, the Group Records Coordinator for District 170. I have prepared the Al-Anon Group Change and New Registration Forms with editable text fields for easy completion. Please keep a copy on hand and feel free to share with others.

As a reminder, please send all group change information to me. Completing the change on WSO website does not work to make changes in the WSO database. They send a report to the Area Group Records to enter the information, but when she gets the report, it is missing critical information. So, please be sure to let me know of any changes. If you are registering a new group, that does work on the WSO website, but please forward me any information you submitted so we can update the "Where and When" and our website.

In Service,

Keith M
