# Terms and Conditions

Horses will sell in catalog order. Please pay close attention to announcements, which take precedence over printed material. ALL ACCOUNTS must be paid immediately following sale. All Payments shall be in U.S. Currency and on U.S. banks only. Payment shall be Cash, Cashier's Check, Personal Check, Credit Card or Traveler's Checks. NO BANK DRAFTS. All registration papers will be withheld until payments clear the bank. Cash buyers may pick up papers the day of sale. All returned checks will be immediately turned over to the County District Attorney's office and charges will be filed! THIS SALE IS CONDUCTED IN ACCORDANCE WITH, AND ALL ACTS OF INTERESTED PARTIES AND/OR CLAIMS BY THEM SHALL BE GOVERNED BY, THE FOLLOWING CONDITIONS OF SALE:

**FIRST** - APPLICABLE LAW: All horses in this sale are offered according to the laws of the state of Texas.

**SECOND** - THERE IS NO WARRANTY EXPRESS OR IMPLIED BY THE AUCTIONEER, SPONSORS, OWNER OR CONSIGNOR, AS TO THE PERFORMING SOUNDNESS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY HORSE OFFERED IN THIS SALE. ALL HORSES ARE SOLD "AS IS" WITH ALL EXISTING CONDITIONS AND DEFECTS EXCEPT AS SET FORTH IN CONDITIONS EIGHTH, NINTH, TENTH AND ELEVENTH BELOW. BUYERS SHOULD EXAMINE HORSES PRIOR TO PURCHASING.

**THIRD** – BIDDING PROCEDURE: The person making the highest bid recognized by auctioneer shall be the buyer. Buyer shall be immediately presented with a document entitled Acknowledgement of Purchase for signature. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself or herself to auctioneer as buyer and sign the Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs Acknowledgement of Purchase, such action shall not give such other person any right or title to the horse; and as soon as erroneous signing of Acknowledgement of Purchase becomes known to the auctioneer, he shall cause the Acknowledgement of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the auctioneer, Shawnee Horse Sales LLC reserves the option to re-sell the animal and such resale shall terminate all obligations of Shawnee Horse Sales LLC and the consignor to honor any prior bid. Consignors have the right to bid on their own horse.

**FOURTH** – BIDDING DISPUTES: Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute, and his decision shall be absolute, final and binding on all parties. Bids received by personnel employed by the undersigned have the same stature as bids received by auctioneer. In case of dispute, the bidding shall be reopened for advance bids, and if there be no advance bid, the horse is sold to the person from whom auctioneer recognized the last bid. Advance bidding shall be restricted to the disputing parties, unless the bid be reduced below the level of the recognized bid at commencement of dispute, in which case bidding is reopened to all. The auctioneer reserves the right to reject any or all bids.

**FIFTH** – TITLE AND DELIVERY: Title passes to buyer at fall of the hammer. All risk of injury to the horse becomes buyer's risk at passing of title. Horse will be held for buyer by consignor until buyer makes settlement as provided in CONDITION SIXTH below. Buyer shall immediately present himself or herself to make settlement if requested by auctioneer, but in any case shall so present himself or herself within thirty minutes of conclusion of the sales session in which the horse was purchased. Upon settlement by buyer, horse will be delivered pursuant to a "stable release" provided by undersigned to buyer or his or her representative. Buyer or his or her representative shall present "stable release" to designee of undersigned to remove horse from sales premises after taking possession, but in any case taking possession of the horse by buyer or his or her representative shall constitute delivery. Upon delivery, buyer shall cause horse to be removed promptly from the sales premises, or shall be subject to stable charges as determined by undersigned. In addition, should purchaser fail to cause horse to be removed promptly, undersigned may cause horse to be removed from sales premises at buyer's risk and expense.

**SIXTH** – TERMS FOR SETTLEMENT: Buyer shall make settlement with cashier of the undersigned. Payments to others, including consignors or their representatives, do not constitute settlement. Buyer shall present himself to make settlement as provided in CONDITION FIFTH above for the full purchase price, such settlement to be in U.S. currency or equivalent acceptable to cashier. Acknowledgement of Purchase is not transferable without the approval of Shawnee Horse Sales LLC, and the copy of the Acknowledgement of Purchase retained by the buyer must be presented by the buyer at the time of settlement.

**SEVENTH** – DEFAULTERS: SHOULD BUYER FAIL TO COMPLY IN ANY RESPECT WITH CONDITIONS FIFTH AND SIXTH ABOVE, THE UNDERSIGNED MAY, IN ITS ABSOLUTE DISCRETION, PURSUE ANY REMEDY AVAILABLE AGAINST THE DEFAULTING BUYER, INCLUDING, BUT NOT LIMITED TO, TAKING POSSESSION OF THE HORSE, RESALE OF THE HORSE AT PUBLIC AUCTION OR BY PRIVATE TREATY FOR ACCOUNT OF DEFAULTER. In any such case defaulter shall be liable for any deficit in his account after charging to his account all costs of maintenance and resale, including, but not limited to, service charges, attorneys fees, costs of litigation, and damages available to undersigned.

**EIGHTH** – WARRANTIES AS TO DESCRIPTION: UNLESS OTHERWISE ANNOUNCED THERE IS NO REPRESENTATION

## Terms and Conditions, continued from previous page

OR WARRANTY AS TO THE BREEDING QUALITIES OF ANY HORSE DESCRIBED AT TIME OF SALE.

1. Each broodmare selling as "bred to" a stallion will have been palpated within 10 days of sale, and reported at sale as "in foal," "open/barren," or "bred" (meaning an insufficient amount of time has passed to determine pregnancy). ANY PURCHASER OF A BROODMARE SOLD IN THIS SALE MAY HAVE THE MARE EXAMINED WITHIN 24 HOURS AFTER THE FALL OF THE HAMMER, AND PRIOR TO REMOVAL FROM SALES PREMISES, by a veterinarian acceptable to the undersigned. Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale may be returned to consignor as unsold, and consignor shall pay veterinarian's fee for examination.

2. Any contractual agreements between owners of broodmares in this sale and owners of stallions to which these mares may have been bred do not follow the mares unless so indicated at time of sale. The possible return to any stallion or possible refund of any stud fees does not go with any broodmare unless so indicated at time of sale.

**NINTH** – WARRANTIES AS TO SOUNDNESS: UNLESS EXPRESSLY ANNOUNCED FROM THE AUCTION STAND, OR BY OFFICIAL PUBLICATION OF THE UNDERSIGNED, OR AS HEREINAFTER PROVIDED, THERE IS NO WARRANTY OR GUARANTEE OF ANY KIND AS TO THE SOUNDNESS OR CONDITION OR OTHER QUALITY OF ANY HORSE SOLD IN THIS SALE.

**TENTH** – LIMITED WARRANTIES. Horses which are unsound in eyes or mouth, are "cribbers," "wind suckers," or "crypt orchids" must be so announced. Veterinary services are available to bidders; each bidder is encouraged to conduct such inspection and examination of each animal prior to bidding. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Shawnee Horse Sales LLC title to the animal free from all adverse claims to ownership, use or possession. Except for the foregoing limited warranty each animal is sold by the consignor WITHOUT WARRANTY AND WITH ALL FAULTS. In the event that any animal is not as represented in the Sale Catalog or on breach of the foregoing limited warranty (as the Sale Catalog or limited warranty might be modified by announcement at the time of sale) the buyers shall file with Shawnee Horse Sales LLC a written notice of rejection of the animal with such supporting certificates as Shawnee Horse Sales LLC might require within forty-eight (48) hours after the close of the Sale session in which the animal was purchased. If the buyer rightfully rejects the animal in the manner and within the time provided, the animal will be returned by the buyer to the consignor and the consignor will refund to the buyer full purchase price of the animal together with all reasonable expenses incurred by the buyer in connection with the animal from the time of sale until the return to the consignor.

**ELEVENTH** – CONSIGNEE STATUS: Shawnee Horse Sales LLC is operating as an independent contractor engaged in the business of conducting a consignment sale. Shawnee Horse Sales LLC has compiled the Sale Catalog from information provided by the designated consignor. All announcements by the auctioneer at the time of sale are made on behalf of the designated consignor and will take precedence over the printed provisions of the Sale Catalog. In the event of any dispute between the buyer and the consignor, Shawnee Horse Sales LLC will occupy the position of agent for a disclosed principal and stake holder and will be discharged from all obligations owing to the consignor or the buyer on delivery of any property or funds held by Shawnee Horse Sales LLC to the Court having jurisdiction of such dispute. Shawnee Horse Sales LLC makes NO REPRESENTATION OR WARRANTY with respect to any animal and the buyer must look solely to the individual consignor for recovery of damage by reason of failure of any representation or limited warranty.

**TWELFTH** – ARBITRATION:

1. Any controversy arising out of a claim arising under WARRANTIES shall be settled by arbitration between the buyer and consignor pursuant to the following procedure: Upon the Sale Management's determination that a claim under such CONDITIONS OF SALE has been timely and properly presented by the buyer pursuant to these CONDITIONS OF SALE, and upon notice from the Sale Management, the buyer and the consignor shall each select a licensed veterinarian acceptable to the Sale Management. If such veterinarians fail to agree promptly as to the validity of the claim, they or the buyer and the consignor involved in the controversy, shall agree upon a third licensed veterinarian. If such two veterinarians, or the buyer and the consignor, are unable to agree promptly upon the third veterinarian, the Sale Management shall appoint the third veterinarian. The third veterinarian's fee, expenses and costs shall be paid by the party whose property the horse is determined to be. The panel of three veterinarians shall conduct any tests, investigation, or examinations which they deem necessary, and may, in their discretion, conduct a hearing by notifying the Sale Management to arrange for the hearing, and shall, by majority vote, determine the validity of the claim. The Sale Management shall determine the amount of reimbursement due to a buyer whose claim is found to be valid and may, in its sole discretion, conduct a hearing to aid in making such a determination, and such determination shall be incorporated in the award.

2. Arbitration above shall take place in a location designated by the Sale manager. Judgment upon any award rendered by the arbitrator(s) may be entered by any party and any court having jurisdiction thereof. The Sale Management will be entitled to reimbursement from the party whose property the horse is determined to be for attorney's fees and other costs incurred, and any related court proceedings.

# How to Bid Online

Tips and Tricks to Master Online Bidding

**STEP 1.** Use Chrome or Safari, a newer browser or download the CCI.live app at Google Play or Apple App store.

**STEP 2.** Open your app or go to the address of [www.CCI.live](http://www.CCI.live) in your browser. CCI.live can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

**STEP 3.** Create an account and then request bidding credentials through CCI.live. Use the bank information listed on your check. Please use a correct phone and email address.

**STEP 4.** Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

**STEP 5.** You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

### TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an UPLOAD speed of 2 mg or more UP. Use this site to test your internet: [www.speedtest.net](http://www.speedtest.net).

### REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. **DO NOT** let the computer set idle and then return and try to bid, the website may have logged you out.

CCI.live does not accept payment, you will pay the sale management, farm or ranch direct.

**NOTES:** Harlans Sweet Suzann, aka Mira, not only has the looks and papers to make anyone's jaw drop, but she also has the talent! This big mare is the complete package! She has a great reining foundation and will drag her @\$ across the arena. What's even better? She even ropes! She's been started on both the head and heel side, she will pin her ears and go after a steer like no one's business! Has ridden all over Arizona in freezing temperatures, gathering wild cattle and dragging calves to the fire.

**PERFORMANCE RECORD:** Earner of \$40. In 2017:. Split 5th World CHA Mar Ranch Cutting Open class.

**NOTES:** Kreeper is a cool horse that can really stop and move his feet. He has had 6 months of cutting training. He has a lot of calves drug on him, and some caught outside. We have been roping calves in the arena on him as well. He would be good to take to the sortings or make a rope horse. Sells 100% sound.

**NOTES:** Concho is a very well broke 13 year old 15.2 hand, 1350 LB red roan gelding. He knows every ranch chore from gathering to sorting to dragging calves to brandings. He has no buck and rides off the same every time no matter the time off. Concho picks up both leads, is one handed neck rein broke with a nice turn around. He opens and closes gates, crosses water, bridges, downfall, goes through thick brush and is good in steep country. Concho isn't spooky, is good with slicker, drag anything off him, breaks colts to lead and get any job done. Good to shoe, load and haul. Current on shoes, teeth floated and is sound. **NOTES:** Applejack is a shapey, young gelding with loads of potential in the arena. He has been used for all aspects of ranch work and has drug many a calf to the fire. Currently he is going very well on the heel side and has roped a handful of live steers out of the box as of August. Applejack is a kind hearted gelding that wants to please. Kids as well as adults have gotten along with him both in and out of the arena to go do a job or rope the dummy. Applejack will make someone a great heel horse to haul down the road or would be a great addition to any family looking to add a stunner member everyone can get along with.

Ninja has been to all the team ropings, barrel races and so many playdays. He's also participated in plenty of parades & 4th of July activities. Ninja is a go to for my lesson kids, he has been ridden single, double, forwards, backwards, bareback you name it they have put him through it. Has impeccable ground manners, making him easy for the littlest kids in the group to catch, brush, bathe, load & drag around the whole yard. The true old fashion definition of a baby sitter. He has also been to a few brandings where he got to drag smaller calves. Has been a few great partner in the goat tying and he as allowed the boys to practice roping the dummy & some smaller, slow cattle. Rides off alone or in a group, has been trail ridden in the Palo Duro Canyon numerous times. Crosses water & obstacles like a gentleman. He has an honest one hand neck rein & will w/t/l in the correct lead. Stops as soon as asked & only goes as fast as you ask him to. He stays the same with any amount of time off, so not to worry if the kids get busy with activities, he will still be the same broke gentle pony when they come back to him. Ninja is worth his weight in gold.

Stands still with a mount step and stays calm regardless of his surroundings. He will be loyal and honest in all he does. Future Fortunes eligible and has the bloodlines to be one of the best. Stands for the farrier, easy to catch, deworm, etc. Hauled to local jackpots in barrels, poles and flag race. He has been lightly started roping, tracking the smarty and live cattle in the arena. His best event is poles and has clocked a 23 second pattern with limited hauling. We have to many young horses, 2 children and not enough time.

**NOTES:** This mare was on the track as a 3 year old. Was bought out of the race barn as a 6 year old to make a rope horse. While at the trainers, she tore muscles on the right rear leg. This ended her performance career. We bought her in 2015 as a brood mare and she has carried 2 foals for us with no issues. Her gait is off on the rear leg, she short strides just a bit, but has never taken a lame step with us. We have decided to stop our breeding program so this mare sells open. She is an easy keeper and was easy to get in foal each time we bred her. If you need speed, this is your brood mare.

**NOTES:** If you are looking for a really fun horse, here he is. Gogo is sweet, friendly, easy to get along with and ready to go in any direction you choose. He is 4 years old but has the mind of a mature and seasoned horse. Stands 14.3 and is that gorgeous buttermilk buckskin color that we all love. He has the miles both inside and outside of the arena. Will pick up both his leads, lope nice circles and trot at a slow or extended pace, whatever you prefer. Has been trail ridden and exposed to traffic. Anytime we take him somewhere new he jumps off the trailer like he has been there before. I've given some lessons on him and also used him to teach the girl scouts about horsemanship. With a little more fine tuning he would also make a very nice ranch rider for someone with the desire to go show. Gogo is a great horse with his whole life ahead of him, be sure to bring him home with you. Sells 100% sound. ABRA and NFAQHA registered.

Several ponies from this line have 1/2 D stats. Mardi is just started on barrels and should have that potential. Super fancy hunter pony prospect. In your pocket personality and gentle. **NOTES:** Garth is a super, super awesome horse. I have used him on the ranch in Nebraska gathering cattle, dragging calves to the fire and tons of pasture roping. He has had 45 days tie down training and was considered pro caliber. I have breakaway calves, heeled steers and used him as a turnback horse. As a 3 year old I was using him for ranch rodeos in Nebraska. He loves his job, whatever you throw his way and always gives 100%. This gelding is thick and stout, extremely gentle that anyone can ride. Huge hip, cute head and soft eye. Easy to catch, bathe, shoe and haul. Easy going gelding that stands 15 hands.

He has the kindest demeanor you could ask for, meets you at the gate and just wants to please. Athletic with a big stop, pivots & has the talent & ability to go any direction you ask. Wimpy lopes around with cadence, low headed, on a loose rein, & only goes the speed you ask. Good with ropes, flags, crosses all obstacles, bridges, & water. He is soft in the face, opens & closes gates. He is the kind of horse that adjusts to his rider already & is going to be a really cool gelding for a youth as well. Has roped a few cattle in the pasture & is started on the heel-o-matic. Rides quiet outside and in a group, or off alone. Wimpy stands 14.3 hands with good foot and bone, has no buck or bad habits. Vito trusts his person, loves attention and greets you at the gate. This guy checks all the boxes. Ropes and rides one handed, loves to go down the trail and into water. Has been headed and heeled on, stays quiet in the box and around the roping arena. He is legit to gather cattle on, and is very handy to maneuver, broke to leg pressure, easy and patient to open and close gates on. You can safely point and go with confidence on Vito into the wide open pasture, he is very responsive. He rides with energy and feel to get a job done while maintaining manners. Vito is not a dead head or dead sided. He is still young but quick to accept anything he is shown. A gentleman to bathe, clip, shoe and has exemplary manners and patience getting in and out of the trailer. He has been across the country with me. Whether you want to look stylish or punchy, go on a relaxing trail ride or get ranch work done, Vito is a pretty pleasure and an asset.

This is one stunning gray, 15.1 hand gelding that has a mane down to his shoulder and absolutely loves attention but is very respectful about it. Comes running to the gate to meet you. Loves to be brushed and is gentle for almost any level of rider. Lopes cadenced circles, carries flags, and is good with tarps and ropes. Has seen countless miles down the trail, anyone from youth to old can ride him. Now showing unlimited potential in the arena and would make a really cool switch end rope horse. Has more personality, eagerness to learn new things than one could ask for and is a blast to ride. Smooth to ride, opens and closes gates, has gathered cattle and roped the lead steer in the arena. In your pocket and wants to be your friend. Anyone can ride him, he handles time off and has no buck and is the no nonsense kind. Goes anywhere and everywhere you ask, crosses water, bridges, and all the obstacles. Good with flags, slickers, tarps, ropes, you name it. Isn't spooky and is as easy as they come to ride. You can do any job you want to do on him or go enjoy a relaxing trail ride. Ride him by the highway with semis going by at 70 mph or around dogs, he doesn't blink an eye. A true gentleman, goes the speed you ask, walks out good on a loose rein and doesn't jig or get hot. Broke enough to pack the kids in 4-H or ranch horse shows, picks up both leads, lopes cadence circles, nice stop and turn around, side pass open and close gates, pony horses or break colts to lead. The list goes on! If you're looking for that go-to, gentle for anyone, honest and broke, don't come up for sale very often type of gelding, here he is! **NOTES:** Boxcar is one in a million. If you are looking for the best horse money can buy for your kids or even an adult looking to learn how to cut or team rope, he's your guy. A fool proof finished cutter. Easy, drop your hand and cut, no tricks or gimmicks to him. Also a finished head horse that has been hauled to jackpots. He is quiet in the box, strong from the horn, automatic face and will go whatever speed you ask him to. He won't duck out from under your dally, he'll track up as far as you want to go and he'll stand in the corner as long as you ask him to. Can sit for long periods of time, no hump or buck, absolutely broke the best. Great in a stall or out with others, shoes, bathes, etc. Has also been ranched on and trail ridden many miles. With Boxcar having the credentials that he does, he does have arthritis in his hind ankles and with hard use he will require some previcox. Part of our family over 2 years and we've enjoyed him but it's time for him to teach others. Stands 15.2 hands and is sturdy built. Full brother to ABSOLUT PEPTO, SHESA SHOW STOPPER. We have used Black Jack to check fence and doctor cattle. We have roped the hot heels on him, he loves the hot heels. Black Jack has also had lots of miles ridden outside, he crosses water, is good with wildlife, dogs, etc. He is traffic safe. He leads and follows. Ropes and holds anything from calves to big yearlings and cows, quiet and gentle, does not get excited. No holes in him. Turn him out, catch him back up and he is the same. A lot of these horses from Brett Spader are in competition level as calf roping and team roping horses, etc. This horse is ready to make that step and be good at it. Nice seasoned barrel horse, smooth and broke, best fit for intermediate to experienced rider. He is not for the faint of hearts. He gets on the muscle in the alley way. He is big, strong, and quick. Super, super broke. Soft in the mouth, flexy, big stop. Fun to ride. This guy is nice for those that want something competitive. He has a lot to give. I have no doubt he could get into the 1D with the right rider. But if that's not for you, he will coast through at a slower speed as well. He's not a barrel hitter, but if you bat him, he gives you another gear. He is nice, easy to ride, and pleasant to be around. Sweet personality. 2010 Appaloosa Mare

Hip No.  
**501**

**NOTES:** Lil Sis is Scarlett's pride and joy, they go all over together. Gathering cows, helping pen back at the sale barn and all in between. With them being both the same age, they are like two peas in a pod. Anything Scarlett wants to do Lil Sis is happy to do it with her. She is a great little pony that gets along with everyone, has the best gait that you could ask for in a pony, lopes off from a walk very smooth like, and never acts like a sassy lil pony! Crosses water, picks up her feet, bathes, and will stand for a step stool. She stands out from the rest. 12 hands, not too big and not too small for the kids. Lil Sis would be great for any lil kid, she's quiet and gentle enough for the younger kids yet handy and big enough for the older kids.
