Terms and Conditions

Horses will sell in catalog order. Please pay close attention to announcements, which take precedence over printed material. ALL ACCOUNTS must be paid immediately following sale. All Payments shall be in U.S. Currency and on U.S. banks only. Payment shall be Cash, Cashier's Check, Personal Check, Credit Card or Traveler's Checks. NO BANK DRAFTS. All registration papers will be withheld until payments clear the bank. Cash buyers may pick up papers the day of sale. All returned checks will be immediately turned over to the County District Attorney's office and charges will be filed! THIS SALE IS CONDUCTED IN ACCORDANCE WITH, AND ALL ACTS OF INTERESTED PARTIES AND/OR CLAIMS BY THEM SHALL BE GOVERNED BY, THE FOLLOWING CONDITIONS OF SALE:

FIRST - APPLICABLE LAW: All horses in this sale are offered according to the laws of the state of Texas.

SECOND - THERE IS NO WARRANTY EXPRESS OR IMPLIED BY THE AUCTIONEER, SPONSORS, OWNER OR CONSIGNOR, AS TO THE PERFORMING SOUNDNESS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY HORSE OFFERED IN THIS SALE. ALL HORSES ARE SOLD "AS IS" WITH ALL EXISTING CONDITIONS AND DEFECTS EXCEPT AS SET FORTH IN CONDITIONS EIGHTH, NINTH, TENTH AND ELEVENTH BELOW. BUYERS SHOULD EXAMINE HORSES PRIOR TO PURCHASING.

THIRD – BIDDING PROCEDURE: The person making the highest bid recognized by auctioneer shall be the buyer. Buyer shall be immediately presented with a document entitled Acknowledgement of Purchase for signature. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself or herself to auctioneer as buyer and sign the Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs Acknowledgement of Purchase, such action shall not give such other person any right or title to the horse; and as soon as erroneous signing of Acknowledgement of Purchase becomes known to the auctioneer, he shall cause the Acknowledgement of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the auctioneer, Shawnee Horse Sales LLC reserves the option to re-sell the animal and such resale shall terminate all obligations of Shawnee Horse Sales LLC and the consignor to honor any prior bid. Consignors have the right to bid on their own horse.

FOURTH – BIDDING DISPUTES: Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute, and his decision shall be absolute, final and binding on all parties. Bids received by personnel employed by the undersigned have the same stature as bids received by auctioneer. In case of dispute, the bidding shall be reopened for advance bids, and if there be no advance bid, the horse is sold to the person from whom auctioneer recognized the last bid. Advance bidding shall be restricted to the disputing parties, unless the bid be reduced below the level of the recognized bid at commencement of dispute, in which case bidding is reopened to all. The auctioneer reserves the right to reject any or all bids.

FIFTH – TITLE AND DELIVERY: Title passes to buyer at fall of the hammer. All risk of injury to the horse becomes buyer's risk at passing of title. Horse will be held for buyer by consignor until buyer makes settlement as provided in CONDITION SIXTH below. Buyer shall immediately present himself or herself to make settlement if requested by auctioneer, but in any case shall so present himself or herself within thirty minutes of conclusion of the sales session in which the horse was purchased. Upon settlement by buyer, horse will be delivered pursuant to a "stable release" provided by undersigned to buyer or his or her representative. Buyer or his or her representative shall present "stable release" to designee of undersigned to remove horse from sales premises after taking possession, but in any case taking possession of the horse by buyer or his or her representative shall constitute delivery. Upon delivery, buyer shall cause horse to be removed promptly from the sales premises, or shall be subject to stable charges as determined by undersigned. In addition, should purchaser fail to cause horse to be removed promptly, undersigned may cause horse to be removed from sales premises at buyer's risk and expense.

SIXTH – TERMS FOR SETTLEMENT: Buyer shall make settlement with cashier of the undersigned. Payments to others, including consignors or their representatives, do not constitute settlement. Buyer shall present himself to make settlement as provided in CONDITION FIFTH above for the full purchase price, such settlement to be in U.S. currency or equivalent acceptable to cashier. Acknowledgement of Purchase is not transferable without the approval of Shawnee Horse Sales LLC, and the copy of the Acknowledgement of Purchase retained by the buyer must be presented by the buyer at the time of settlement.

SEVENTH – DEFAULTERS: SHOULD BUYER FAIL TO COMPLY IN ANY RESPECT WITH CONDITIONS FIFTH AND SIXTH ABOVE, THE UNDERSIGNED MAY, IN ITS ABSOLUTE DISCRETION, PURSUE ANY REMEDY AVAILABLE AGAINST THE DEFAULTING BUYER, INCLUDING, BUT NOT LIMITED TO, TAKING POSSESSION OF THE HORSE, RESALE OF THE HORSE AT PUBLIC AUCTION OR BY PRIVATE TREATY FOR ACCOUNT OF DEFAULTER. In any such case defaulter shall be liable for any deficit in his account after charging to his account all costs of maintenance and resale, including, but not limited to, service charges, attorneys fees, costs of litigation, and damages available to undersigned.

EIGHTH – WARRANTIES AS TO DESCRIPTION: UNLESS OTHERWISE ANNOUNCED THERE IS NO REPRESENTATION

continued on next page

Terms and Conditions, continued from previous page

OR WARRANTY AS TO THE BREEDING QUALITIES OF ANY HORSE DESCRIBED AT TIME OF SALE.

1. Each broodmare selling as "bred to" a stallion will have been palpated within 10 days of sale, and reported at sale as "in foal," "open/barren," or "bred" (meaning an insufficient amount of time has passed to determine pregnancy). ANY PURCHASER OF A BROODMARE SOLD IN THIS SALE MAY HAVE THE MARE EXAMINED WITHIN 24 HOURS AFTER THE FALL OF THE HAMMER, AND PRIOR TO REMOVAL FROM SALES PREMISES, by a veterinarian acceptable to the undersigned. Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale may be returned to consignor as unsold, and consignor shall pay veterinarian's fee for examination.

2. Any contractual agreements between owners of broodmares in this sale and owners of stallions to which these mares may have been bred do not follow the mares unless so indicated at time of sale. The possible return to any stallion or possible refund of any stud fees does not go with any broodmare unless so indicated at time of sale.

NINTH – WARRANTIES AS TO SOUNDNESS: UNLESS EXPRESSLY ANNOUNCED FROM THE AUCTION STAND, OR BY OFFICIAL PUBLICATION OF THE UNDERSIGNED, OR AS HEREINAFTER PROVIDED, THERE IS NO WARRANTY OR GUARANTEE OF ANY KIND AS TO THE SOUNDNESS OR CONDITION OR OTHER QUALITY OF ANY HORSE SOLD IN THIS SALE.

TENTH – LIMITED WARRANTIES. Horses which are unsound in eyes or mouth, are "cribbers," "wind suckers," or "crypt orchids" must be so announced. Veterinary services are available to bidders; each bidder is encouraged to conduct such inspection and examination of each animal prior to bidding. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Shawnee Horse Sales LLC title to the animal free from all adverse claims to ownership, use or possession. Except for the foregoing limited warranty each animal is sold by the consignor WITHOUT WARRANTY AND WITH ALL FAULTS. In the event that any animal is not as represented in the Sale Catalog or on breach of the foregoing limited warranty (as the Sale Catalog or limited warranty might be modified by announcement at the time of sale) the buyers shall file with Shawnee Horse Sales LLC a written notice of rejection of the animal with such supporting certificates as Shawnee Horse Sales LLC might require within forty-eight (48) hours after the close of the Sale session in which the animal was purchased. If the buyer rightfully rejects the animal in the manner and within the time provided, the animal will be returned by the buyer to the consignor and the consignor will refund to the buyer full purchase price of the animal together with all reasonable expenses incurred by the buyer in connection with the animal from the time of sale until the return to the consignor.

ELEVENTH – CONSIGNEE STATUS: Shawnee Horse Sales LLC is operating as an independent contractor engaged in the business of conducting a consignment sale. Shawnee Horse Sales LLC has compiled the Sale Catalog from information provided by the designated consignor. All announcements by the auctioneer at the time of sale are made on behalf of the designated consignor and will take precedence over the printed provisions of the Sale Catalog. In the event of any dispute between the buyer and the consignor, Shawnee Horse Sales LLC will occupy the position of agent for a disclosed principal and stake holder and will be discharged from all obligations owing to the consignor or the buyer on delivery of any property or funds held by Shawnee Horse Sales LLC to the Court having jurisdiction of such dispute. Shawnee Horse Sales LLC makes NO REPRESENTATION OR WARRANTY with respect to any animal and the buyer must look solely to the individual consignor for recovery of damage by reason of failure of any representation or limited warranty.

TWELFTH – ARBITRATION:

1. Any controversy arising out of a claim arising under WARRANTIES shall be settled by arbitration between the buyer and consignor pursuant to the following procedure: Upon the Sale Management's determination that a claim under such CONDITIONS OF SALE has been timely and properly presented by the buyer pursuant to these CONDITIONS OF SALE, and upon notice from the Sale Management, the buyer and the consignor shall each select a licensed veterinarian acceptable to the Sale Management. If such veterinarians fail to agree promptly as to the validity of the claim, they or the buyer and the consignor involved in the controversy, shall agree upon a third licensed veterinarian. If such two veterinarians, or the buyer and the consignor, are unable to agree promptly upon the third veterinarian, the Sale Management shall appoint the third veterinarian. The third veterinarian's fee, expenses and costs shall be paid by the party whose property the horse is determined to be. The panel of three veterinarians shall conduct any tests, investigation, or examinations which they deem necessary, and may, in their discretion, conduct a hearing by notifying the Sale Management to arrange for the hearing, and shall, by majority vote, determine the validity of the claim. The Sale Management shall determine the amount of reimbursement due to a buyer whose claim is found to be valid and may, in its sole discretion, conduct a hearing to aid in making such a determination, and such determination shall be incorporated in the award.

2. Arbitration above shall take place in a location designated by the Sale manager. Judgment upon any award rendered by the arbitrator(s) may be entered by any party and any court having jurisdiction thereof. The Sale Management will be entitled to reimbursement from the party whose property the horse is determined to be for attorney's fees and other costs incurred, and any related court proceedings.

SHANNON LAWLOR

Preserving the West and a passion for the equine is the substance that defines and sustains the work of artist, Shannon Lawlor.

Growing up on the edge of the Northern Great Plains – a region known for extensive cattle ranching and cowboying, Lawlor's life was spent in the saddle, around the animals she would one day be renowned for depicting in her art. She considers them, "one of the true stewards of the West."

If it was the pure enjoyment of drawing and painting horses that propelled her into pursuing the life of an artist fulltime, it is her continued deep sense of pride in knowing the West is her lifestyle and her people, that gives her a sense of obligation to authentically preserve it.

Shannon Lawlor is a proud sponsor of the NRCHA for the very values expressed in her ethos. She welcomes you to come see her work in person at the 2021 Celebration of Champions & Snaffle Bit Futurity, Fort Worth TX.

Commission enquiries welcome, her work can be found at shannonlawlor.com and on all social media platforms.

STEP 1. Use Chrome or Safari, a newer browser or download the CCI.live app at Google Play or Apple App store.

STEP 2. Open your app or go to the address of www.CCI.live in your browser. CCI.live can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

STEP 3. Create an account and then request bidding credentials through CCI.live. Use the bank information listed on your check. Please use a correct phone and email address.

STEP 4. Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

STEP 5. You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an UPLOAD speed of 2 mg or more UP. Use this site to test your internet: www.speedtest.net.

REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. **DO NOT** let the computer set idle and then return and try to bid, the website may have logged you out.

CCI.live does not accept payment, you will pay the sale management, farm or ranch direct.

Standing 14.3hh and STOUT this gelding turns heads everywhere he goes. He will be the first one to the gate to meet you every time. He loves people and having a job, has a nice big stop, soft mouth and can really get around. Jude knows how to bow & lay down, will ride on the flat bed of a pick up and will even go up and down a flight of stairs. This gelding has been used to pack big game in and out of mountains for most of his life. He has been ridden extensively in some of the roughest terrain in the country and handles it with ease. He has been there, done that and doesn't bat an eye about much. There is nothing this horse won't go through, in or over. Has also been used extensively to doctor calves & check fences. He has been entered in numerous ranch rodeos, taken beginners for trail rides and given many, many lessons. There's truly not much this gelding can't or won't do. He carries himself with an immense amount of class and has an incredible demeanor. If you are looking for a head turner with a kind personality, that you can go anywhere and do anything, on a loose rein without a worry in the world, this is your guy. Selling SOUND.

Hauls great, gets a long with other horses and is excellent for the farrier. Has been on several weekend camping and trail riding. Will go anywhere he is asked without refusal. Crosses water, bridges, logs and is great in the rough country. Used Baron this summer to help go catch a bunch of fat cattle that escaped a feed yard and he is awesome. Roping in the dark with helps of some dogs and drone. Was asked to be put in some very tough situations which he handled awesome. NOTES: Kodak has done some of all of it. Has been hauled at the pro level in heading and steer roping. He has also been used lightly as a pick up horse. My 6 year old daughter has taken him through the barrels and poles occasionally. Kodak has been ranched on and knows what a hard days work is. Has all the speed that a person would ask for. This horse has a big motor but is gentle enough that our 3 and 6 year old ride him, but you can back him in the box and win something at the same time. NOTES: This mare has been trail ridden for the past 6 months all over East Tennessee. She has pushed cattle around on a cattle feed lot, stands 15.3 hands, is light in the mouth and has a nice slow jog. Take her any direction you want. She is out of registered stock but could never get her papers. Starting to lope both directions nicely with a nice stop.

NOTES: Louis is a super cool gelding whose breeding is crossed with the best of both worlds. He is an own son of A Streak Of Fling who needs no introduction himself being the #4 leading sire of barrel horse money earners. His dam is by Dual Jazz, NCHA earner of almost \$60K and cow horses stacked up throughout her entire pedigree. We purchased Louis as a yearling and have done all of the training on him. A quick learner, super athletic and quick footed. Ridden him on and off throughout the years and have never pushed him hard, giving him time to mature physically and mentally. Lopes collected circles, has a good handle, soft and bendable, rides off your seat. He has drug a log, has many miles outdoors as well. Has never taken a lame step, always been healthy, no scars or blemishes, sells 100% sound. Eligible for all the 5 year old barrel futurities if you choose to take him in that direction. NOTES: Spider is an amazing ranch horse. This beautiful gelding stands 15 hands and weighs 1200 pounds. Spider has done everything a ranch horse can do, drug countless calves to the fire, pasture roped, sorted, used at calving time and gathered in some of the roughest terrain. He has been used in the mountains of Idaho and Montana, the Badlands of North Dakota as well as prairies of Nebraska. Spider is fancy broke with a hard stop, will spin, side pass, ground tie and hobble. His ground covering walk and slow lope make him an excellent asset to any ranch. Spider has to be one of the toughest horse I have ever owned. An extreme athlete with the confidence and drive to be an excellent arena horse. Huge heart and desire to please is impeccable. Been in reining, cow horse and started heeling. 100% sound in everyway.

NOTES: Nina is a beautiful 14.2 hand, 11 year old pinto mustang mare. She is a great all around family horse. Nina is an amateur trick riding horse that was started at the Riata Ranch in Three Rivers, CA in early 2019 after being a trail horse for a portion of her life in Southern California. Nina has a very strong endurance and will work cows all day long in the high desert or in thick country. She is as loyal as they come, whether you're dragging a calf in the pasture or dragging upside down trick riding. She will always have your best interest. Very friendly mare that gets along great with others and requires no maintenance.

NOTES: Bella is a 9 year old grade paint mare. This little mare has done all aspects of ranch work: checking cows, sorting cows in the pens, roping, doctoring cattle, packing loads of salt & mineral, as well as being gun broke. She is a little on the lazy side but will get enthusiastic in the sorting pen. She is flashy under saddle and will make you stand out at any event.

NOTES: Jake is the total package. He is a true all around horse. We have done just about everything you can do horse back on him and he takes it all in stride. We have used him in parades, drill team, pasture roping, roping out of a box, branding, trail rides and playdays. You can doctor cattle in the pasture and he will work the rope for you. Stays calm and collected even when roping out of a box or running playday events. Unphased by loud traffic and commotion at big rodeos. This gelding is broke. He knows his leads, one hand broke, has nice turn arounds and a cute stop. We think he would make a high level heel or breakaway horse. He's handy and athletic enough for someone wanting to compete but gentle enough for someone looking for a pleasure horse. Lays down on command. Side passes to a gate to pick up for easy mounting.

NOTES: This is a colt we raised by Played X Playgun. We had some problems with his mothers DNA and couldn't register him. I think at least we know this colt is as good minded as the come. Safe for traffic, been used 4-H shows, been in the feedlot and sale barn. He is a big pet and absolutely anyone who can hold the reins can ride him. Safe, safe. I can't say enough about how gentle he is. We have had a lot of people ride him that have never ridden, he will take care of them. Has been used extensively on the ranch as well and will go anywhere you point him. 15.1 hands already and the color everyone likes. Correct made horse with looks and pedigree to back it up. His mother was a Tanquary Gin bred mare. I know that doesn't mean much since he is grade but that is his breeding. Sells sound.

Denny stands 15 hands, weighs 1,275 lbs, perfect buckskin color, 15 years old and an absolute saint. Denny started his career in a large feedyard in the panhandle of Texas, you will not find one broker than him. He's been used outside, drug thousands of calves to the fire and hauled to tons of playdays. Kyler can walk out in a 100 acre trap and catch him. Denny loves his little cowboys and cowgirls. He has plenty of go for an older kid to learn to rope on and is safe enough to put the babies on too. Strollers, feed trucks, chaos. he doesn't care. He won't flick an ear. Kyler is offering Denny only because he got a new mount, so he wants another kid to enjoy him as much as he has. There will be lots of tears shed when he sells, he's part of the family. Denny will steal your hearts when you get him home. For more information please call 806-654-5490 and ask for Kyler, he will tell you all about his pal Denny.

Jill has trail ridden him in the desert mountains in Arizona and she rode with the wild horses in the Coon Buff National Park, she crossed the deepest waters and went up the steepest mountains. Also roped for the first time in 20 years on Bugs. Jill rode Bugs in Wyoming on the ranch gathering and sorting pairs. I can tell you he was perfect every step of the way.
