Terms and Conditions

Horses will sell in catalog order. Please pay close attention to announcements, which take precedence over printed material. ALL ACCOUNTS must be paid immediately following sale. All Payments shall be in U.S. Currency and on U.S. banks only. Payment shall be Cash, Cashier's Check, Personal Check, Credit Card or Traveler's Checks. NO BANK DRAFTS. All registration papers will be withheld until payments clear the bank. Cash buyers may pick up papers the day of sale. All returned checks will be immediately turned over to the County District Attorney's office and charges will be filed! THIS SALE IS CONDUCTED IN ACCORDANCE WITH, AND ALL ACTS OF INTERESTED PARTIES AND/OR CLAIMS BY THEM SHALL BE GOVERNED BY, THE FOLLOWING CONDITIONS OF SALE:

FIRST - APPLICABLE LAW: All horses in this sale are offered according to the laws of the state of Texas.

SECOND - THERE IS NO WARRANTY EXPRESS OR IMPLIED BY THE AUCTIONEER, SPONSORS, OWNER OR CONSIGNOR, AS TO THE PERFORMING SOUNDNESS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY HORSE OFFERED IN THIS SALE. ALL HORSES ARE SOLD "AS IS" WITH ALL EXISTING CONDITIONS AND DEFECTS EXCEPT AS SET FORTH IN CONDITIONS EIGHTH, NINTH, TENTH AND ELEVENTH BELOW. BUYERS SHOULD EXAMINE HORSES PRIOR TO PURCHASING.

THIRD – BIDDING PROCEDURE: The person making the highest bid recognized by auctioneer shall be the buyer. Buyer shall be immediately presented with a document entitled Acknowledgement of Purchase for signature. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself or herself to auctioneer as buyer and sign the Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs Acknowledgement of Purchase, such action shall not give such other person any right or title to the horse; and as soon as erroneous signing of Acknowledgement of Purchase becomes known to the auctioneer, he shall cause the Acknowledgement of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the auctioneer, Shawnee Horse Sales LLC reserves the option to re-sell the animal and such resale shall terminate all obligations of Shawnee Horse Sales LLC and the consignor to honor any prior bid. Consignors have the right to bid on their own horse.

FOURTH – BIDDING DISPUTES: Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute, and his decision shall be absolute, final and binding on all parties. Bids received by personnel employed by the undersigned have the same stature as bids received by auctioneer. In case of dispute, the bidding shall be reopened for advance bids, and if there be no advance bid, the horse is sold to the person from whom auctioneer recognized the last bid. Advance bidding shall be restricted to the disputing parties, unless the bid be reduced below the level of the recognized bid at commencement of dispute, in which case bidding is reopened to all. The auctioneer reserves the right to reject any or all bids.

FIFTH – TITLE AND DELIVERY: Title passes to buyer at fall of the hammer. All risk of injury to the horse becomes buyer's risk at passing of title. Horse will be held for buyer by consignor until buyer makes settlement as provided in CONDITION SIXTH below. Buyer shall immediately present himself or herself to make settlement if requested by auctioneer, but in any case shall so present himself or herself within thirty minutes of conclusion of the sales session in which the horse was purchased. Upon settlement by buyer, horse will be delivered pursuant to a "stable release" provided by undersigned to buyer or his or her representative. Buyer or his or her representative shall present "stable release" to designee of undersigned to remove horse from sales premises after taking possession, but in any case taking possession of the horse by buyer or his or her representative shall constitute delivery. Upon delivery, buyer shall cause horse to be removed promptly from the sales premises, or shall be subject to stable charges as determined by undersigned. In addition, should purchaser fail to cause horse to be removed promptly, undersigned may cause horse to be removed from sales premises at buyer's risk and expense.

SIXTH – TERMS FOR SETTLEMENT: Buyer shall make settlement with cashier of the undersigned. Payments to others, including consignors or their representatives, do not constitute settlement. Buyer shall present himself to make settlement as provided in CONDITION FIFTH above for the full purchase price, such settlement to be in U.S. currency or equivalent acceptable to cashier. Acknowledgement of Purchase is not transferable without the approval of Shawnee Horse Sales LLC, and the copy of the Acknowledgement of Purchase retained by the buyer must be presented by the buyer at the time of settlement.

SEVENTH – DEFAULTERS: SHOULD BUYER FAIL TO COMPLY IN ANY RESPECT WITH CONDITIONS FIFTH AND SIXTH ABOVE, THE UNDERSIGNED MAY, IN ITS ABSOLUTE DISCRETION, PURSUE ANY REMEDY AVAILABLE AGAINST THE DEFAULTING BUYER, INCLUDING, BUT NOT LIMITED TO, TAKING POSSESSION OF THE HORSE, RESALE OF THE HORSE AT PUBLIC AUCTION OR BY PRIVATE TREATY FOR ACCOUNT OF DEFAULTER. In any such case defaulter shall be liable for any deficit in his account after charging to his account all costs of maintenance and resale, including, but not limited to, service charges, attorneys fees, costs of litigation, and damages available to undersigned.

EIGHTH – WARRANTIES AS TO DESCRIPTION: UNLESS OTHERWISE ANNOUNCED THERE IS NO REPRESENTATION

continued on next page

Terms and Conditions, continued from previous page

OR WARRANTY AS TO THE BREEDING QUALITIES OF ANY HORSE DESCRIBED AT TIME OF SALE.

1. Each broodmare selling as "bred to" a stallion will have been palpated within 10 days of sale, and reported at sale as "in foal," "open/barren," or "bred" (meaning an insufficient amount of time has passed to determine pregnancy). ANY PURCHASER OF A BROODMARE SOLD IN THIS SALE MAY HAVE THE MARE EXAMINED WITHIN 24 HOURS AFTER THE FALL OF THE HAMMER, AND PRIOR TO REMOVAL FROM SALES PREMISES, by a veterinarian acceptable to the undersigned. Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale may be returned to consignor as unsold, and consignor shall pay veterinarian's fee for examination.

2. Any contractual agreements between owners of broodmares in this sale and owners of stallions to which these mares may have been bred do not follow the mares unless so indicated at time of sale. The possible return to any stallion or possible refund of any stud fees does not go with any broodmare unless so indicated at time of sale.

NINTH – WARRANTIES AS TO SOUNDNESS: UNLESS EXPRESSLY ANNOUNCED FROM THE AUCTION STAND, OR BY OFFICIAL PUBLICATION OF THE UNDERSIGNED, OR AS HEREINAFTER PROVIDED, THERE IS NO WARRANTY OR GUARANTEE OF ANY KIND AS TO THE SOUNDNESS OR CONDITION OR OTHER QUALITY OF ANY HORSE SOLD IN THIS SALE.

TENTH – LIMITED WARRANTIES. Horses which are unsound in eyes or mouth, are "cribbers," "wind suckers," or "crypt orchids" must be so announced. Veterinary services are available to bidders; each bidder is encouraged to conduct such inspection and examination of each animal prior to bidding. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Shawnee Horse Sales LLC title to the animal free from all adverse claims to ownership, use or possession. Except for the foregoing limited warranty each animal is sold by the consignor WITHOUT WARRANTY AND WITH ALL FAULTS. In the event that any animal is not as represented in the Sale Catalog or on breach of the foregoing limited warranty (as the Sale Catalog or limited warranty might be modified by announcement at the time of sale) the buyers shall file with Shawnee Horse Sales LLC a written notice of rejection of the animal with such supporting certificates as Shawnee Horse Sales LLC might require within forty-eight (48) hours after the close of the Sale session in which the animal was purchased. If the buyer rightfully rejects the animal in the manner and within the time provided, the animal will be returned by the buyer to the consignor and the consignor will refund to the buyer full purchase price of the animal together with all reasonable expenses incurred by the buyer in connection with the animal from the time of sale until the return to the consignor.

ELEVENTH – CONSIGNEE STATUS: Shawnee Horse Sales LLC is operating as an independent contractor engaged in the business of conducting a consignment sale. Shawnee Horse Sales LLC has compiled the Sale Catalog from information provided by the designated consignor. All announcements by the auctioneer at the time of sale are made on behalf of the designated consignor and will take precedence over the printed provisions of the Sale Catalog. In the event of any dispute between the buyer and the consignor, Shawnee Horse Sales LLC will occupy the position of agent for a disclosed principal and stake holder and will be discharged from all obligations owing to the consignor or the buyer on delivery of any property or funds held by Shawnee Horse Sales LLC to the Court having jurisdiction of such dispute. Shawnee Horse Sales LLC makes NO REPRESENTATION OR WARRANTY with respect to any animal and the buyer must look solely to the individual consignor for recovery of damage by reason of failure of any representation or limited warranty.

TWELFTH – ARBITRATION:

1. Any controversy arising out of a claim arising under WARRANTIES shall be settled by arbitration between the buyer and consignor pursuant to the following procedure: Upon the Sale Management's determination that a claim under such CONDITIONS OF SALE has been timely and properly presented by the buyer pursuant to these CONDITIONS OF SALE, and upon notice from the Sale Management, the buyer and the consignor shall each select a licensed veterinarian acceptable to the Sale Management. If such veterinarians fail to agree promptly as to the validity of the claim, they or the buyer and the consignor involved in the controversy, shall agree upon a third licensed veterinarian. If such two veterinarians, or the buyer and the consignor, are unable to agree promptly upon the third veterinarian, the Sale Management shall appoint the third veterinarian. The third veterinarian's fee, expenses and costs shall be paid by the party whose property the horse is determined to be. The panel of three veterinarians shall conduct any tests, investigation, or examinations which they deem necessary, and may, in their discretion, conduct a hearing by notifying the Sale Management to arrange for the hearing, and shall, by majority vote, determine the validity of the claim. The Sale Management shall determine the amount of reimbursement due to a buyer whose claim is found to be valid and may, in its sole discretion, conduct a hearing to aid in making such a determination, and such determination shall be incorporated in the award.

2. Arbitration above shall take place in a location designated by the Sale manager. Judgment upon any award rendered by the arbitrator(s) may be entered by any party and any court having jurisdiction thereof. The Sale Management will be entitled to reimbursement from the party whose property the horse is determined to be for attorney's fees and other costs incurred, and any related court proceedings.

How to Bid Online

Tips and Tricks to Master Online Bidding

STEP 1. Use Chrome or Safari, a newer browser or download the CCLive app at Google Play or Apple App store.

STEP 2. Open your app or go to the address of www.CCLive.in in your browser. CCLive can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

STEP 3. Create an account and then request bidding credentials through CCLive. Use the bank information listed on your check. Please use a correct phone and email address.

STEP 4. Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

STEP 5. You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an UPLOAD speed of 2 mg or more UP. Use this site to test your internet: www.speedtest.net.

REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. **DO NOT** let the computer set idle and then return and try to bid, the website may have logged you out.

CCLive does not accept payment, you will pay the sale management, farm or ranch direct.

NOTES: Koko is a beautiful 2 year old black filly that stands 14.1 hands and should mature to 15.0 Foundation bred from the far south of Texas, Uvaldi, Tx. The all breed pedigree shows approx 30 crosses to the old QH foundation sires making her a perfect outcross for the Highbrow Cat or Dual Pep line of sires. We began working this filly last month gentle breaking her to ride and she has about 20 rides. She has never bucked and is about as calm of a two year old as I have worked in 40 years of the horse business. The hard work is done on this filly and she is ready to go whichever way you want. Cow bred and would make a great sorting, team penning or ranch horse prospect. She stands for mounting, has a good stop, reins, is beginning to back up and trailers well. Very gentle and likes to be around people. The future is bright for this young horse. This is really a nice two year old!

NOTES: True is the ultimate package. He has the mind, athleticism, breeding and is absolutely broke. He has been used extensively to sort pairs, doctor and load trailers. Great outside and will go through anything. Has also competed in ranch rodeos. He is super handy in front of a cow and will also get you where you need to rope and has a big stop. He's been lightly started on the heel side and used to break colts with nothing ever phasing him. Lopes circles smoothly, will ride around both ways and has a big stop. Loads, backs on command, ground ties, bathes, easy to catch and has great ground manners. NOTES: Pepper is a one of a kind gelding that stands out wherever you go. He truly is a great all around gelding. He has been ranched on including small brandings, some doctoring and sorting. Rides out alone nice and always has a good walk. He has been heeled on lightly in the arena and is a very good prospect because of all the natural talent he has. He was in Las Vegas this past December as a flag horse for the NFR for all 10 rounds. He did great for all different riders. Pepper is sound, sane, gentle and has his whole life ahead of him.

NOTES: Here is my personal barn favorite. Take a look at what Trevor Brazil and other elite horseman of this time are doing with black type pedigree of this caliber. She is the Madonna of her time. Her long Snow White mane and tail along with her chocolate dapples giver her the runway look. This beauty also knows what a good days work is. She has been used on the ranch in some rough country. Has all the moves and will easily adapt to any program. This filly is what dreams are made of.

NOTES: This gelding is built stout and ready to start riding. The papers show cow horse breeding of the sire and dam. I have sold 2 fillies out of this dam at weaning. They are look good and athletic. I held onto this gelding for myself, but circumstances changed and he is now for sale. Was easy to gentle and halter break. Always stands good for the farrier. With his breeding, he should make a ranch horse, cow horse, cutter or roper.

He rides outside by himself with no spook or funny business. He's also been used to pony colts off of. Big John lopes circles both ways, has a cool ride around, and has a nice stop. He also loads, backs on command, ground ties, is easy to shoe and gets a long with other horses. No buck with time off but he's a little watchy on the ground. Completely harmless and easy to handle.

NOTES: I call this gorgeous mare Jolene, she even has a long to go with her name. Please don't over look her because she's a mare as she's not at all "marey" and will always give you her all. She has a gorgeous blaze face and beautiful build. Short enough to easily jump on her bareback. A looker for sure. I can't take her anywhere without someone wanting to buy her. Jolene came to me as a yearling off the famous Haythorn Ranch, winner of the inaugural AQHA Best Remuda award for their breeding program. There's not much she won't do or hasn't done. Has been shown in Ranch Horse Versatility shows and done very well. Has a nice low head carriage and very soft in the bridle. Will stop and turn without a bridle. Very cowy and quick on her feet. Has been used to drag calves in the branding pen, gather cattle over logs and through rivers, sort cattle in the wind and rain as well as pen cattle at the sale barn. A pro at opening gates. Just so easy to ride, so broke it's like having autopilot. So gentle and responsive I wouldn't hesitate to call her kid safe. She can do it all for you and your family.

He will happily meet you at the mounting black. He is 18 years young and full of life. He has done a little bit of everything. Been used on a ranch, jumped, had ropes swung off him, ridden on trails, used to teach beginners and much more. He is the first to meet you at the gate and low on the pecking order. There is not a mean bone in his body. He has never show any signs of aggression and is as sweet as they come. Has been ridden by beginners and advanced riders. NOTES: "Paris" is an own daughter of the late French Too Fame who was a proven of both barrel and rope horses. Her dam had a limited career due to injury but placed at several amateur rodeos as well as local barrel races. Most recently she came out of retirement and placed in the 2D for her youth rider at the age of 22. Her grand dam was a 1D/Open Barrel Horse and was incredibly gritty, she was also an exceptional heel horse that was roped on at the National High School finals. This mare has the bloodlines to be one of the best. She is very willing to do anything you ask her to do. Has been started very correctly on her foundation and then has had 60 days professional training on the barrels. She is exhibiting the barrels but has not entered. We will continue to exhibition her until sale day. Has been started lightly on roping. Easy to catch and stands for the farrier. We would like to see her go on and achieve great things. It has been a very hard decision to sell her as there is a great deal of sentimental value to her. Unfortunately, we are not able to commit the time and resources needed to help her get there. She is eligible for Future Fortunes, but would need to be nominated.

Since being shown, Chez has been used around the farm to trail ride, move cattle and a demo horse at 4-H practices. Chez is eager is please and easy to work with whether it's standing for the farrier, bathing or clipping. We are selling Chez because we are focused on our breeding program and needing to promote more of our younger stock, thus Chez often finds himself hanging out in the pasture. He is way too good of a horse to not be working for someone. Would be a wonderful prospect for that rider wanting to go to the next level.
