Terms and Conditions

Horses will sell in catalog order. Please pay close attention to announcements, which take precedence over printed material. ALL ACCOUNTS must be paid immediately following sale. All Payments shall be in U.S. Currency and on U.S. banks only. Payment shall be Cash, Cashier's Check, Personal Check, Credit Card or Traveler's Checks. NO BANK DRAFTS. All registration papers will be withheld until payments clear the bank. Cash buyers may pick up papers the day of sale. All returned checks will be immediately turned over to the County District Attorney's office and charges will be filed! THIS SALE IS CONDUCTED IN ACCORDANCE WITH, AND ALL ACTS OF INTERESTED PARTIES AND/OR CLAIMS BY THEM SHALL BE GOVERNED BY, THE FOLLOWING CONDITIONS OF SALE:

FIRST - APPLICABLE LAW: All horses in this sale are offered according to the laws of the state of Texas.

SECOND - THERE IS NO WARRANTY EXPRESS OR IMPLIED BY THE AUCTIONEER, SPONSORS, OWNER OR CONSIGNOR, AS TO THE PERFORMING SOUNDNESS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY HORSE OFFERED IN THIS SALE. ALL HORSES ARE SOLD "AS IS" WITH ALL EXISTING CONDITIONS AND DEFECTS EXCEPT AS SET FORTH IN CONDITIONS EIGHTH, NINTH, TENTH AND ELEVENTH BELOW. BUYERS SHOULD EXAMINE HORSES PRIOR TO PURCHASING.

THIRD – BIDDING PROCEDURE: The person making the highest bid recognized by auctioneer shall be the buyer. Buyer shall be immediately presented with a document entitled Acknowledgement of Purchase for signature. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself or herself to auctioneer as buyer and sign the Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs Acknowledgement of Purchase, such action shall not give such other person any right or title to the horse; and as soon as erroneous signing of Acknowledgement of Purchase becomes known to the auctioneer, he shall cause the Acknowledgement of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the auctioneer, Shawnee Horse Sales LLC reserves the option to re-sell the animal and such resale shall terminate all obligations of Shawnee Horse Sales LLC and the consignor to honor any prior bid. Consignors have the right to bid on their own horse.

FOURTH – BIDDING DISPUTES: Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute, and his decision shall be absolute, final and binding on all parties. Bids received by personnel employed by the undersigned have the same stature as bids received by auctioneer. In case of dispute, the bidding shall be reopened for advance bids, and if there be no advance bid, the horse is sold to the person from whom auctioneer recognized the last bid. Advance bidding shall be restricted to the disputing parties, unless the bid be reduced below the level of the recognized bid at commencement of dispute, in which case bidding is reopened to all. The auctioneer reserves the right to reject any or all bids.

FIFTH – TITLE AND DELIVERY: Title passes to buyer at fall of the hammer. All risk of injury to the horse becomes buyer's risk at passing of title. Horse will be held for buyer by consignor until buyer makes settlement as provided in CONDITION SIXTH below. Buyer shall immediately present himself or herself to make settlement if requested by auctioneer, but in any case shall so present himself or herself within thirty minutes of conclusion of the sales session in which the horse was purchased. Upon settlement by buyer, horse will be delivered pursuant to a "stable release" provided by undersigned to buyer or his or her representative. Buyer or his or her representative shall present "stable release" to designee of undersigned to remove horse from sales premises after taking possession, but in any case taking possession of the horse by buyer or his or her representative shall constitute delivery. Upon delivery, buyer shall cause horse to be removed promptly from the sales premises, or shall be subject to stable charges as determined by undersigned. In addition, should purchaser fail to cause horse to be removed promptly, undersigned may cause horse to be removed from sales premises at buyer's risk and expense.

SIXTH – TERMS FOR SETTLEMENT: Buyer shall make settlement with cashier of the undersigned. Payments to others, including consignors or their representatives, do not constitute settlement. Buyer shall present himself to make settlement as provided in CONDITION FIFTH above for the full purchase price, such settlement to be in U.S. currency or equivalent acceptable to cashier. Acknowledgement of Purchase is not transferable without the approval of Shawnee Horse Sales LLC, and the copy of the Acknowledgement of Purchase retained by the buyer must be presented by the buyer at the time of settlement.

SEVENTH – DEFAULTERS: SHOULD BUYER FAIL TO COMPLY IN ANY RESPECT WITH CONDITIONS FIFTH AND SIXTH ABOVE, THE UNDERSIGNED MAY, IN ITS ABSOLUTE DISCRETION, PURSUE ANY REMEDY AVAILABLE AGAINST THE DEFAULTING BUYER, INCLUDING, BUT NOT LIMITED TO, TAKING POSSESSION OF THE HORSE, RESALE OF THE HORSE AT PUBLIC AUCTION OR BY PRIVATE TREATY FOR ACCOUNT OF DEFAULTER. In any such case defaulter shall be liable for any deficit in his account after charging to his account all costs of maintenance and resale, including, but not limited to, service charges, attorneys fees, costs of litigation, and damages available to undersigned.

EIGHTH – WARRANTIES AS TO DESCRIPTION: UNLESS OTHERWISE ANNOUNCED THERE IS NO REPRESENTATION

continued on next page

Terms and Conditions, continued from previous page

OR WARRANTY AS TO THE BREEDING QUALITIES OF ANY HORSE DESCRIBED AT TIME OF SALE.

1. Each broodmare selling as "bred to" a stallion will have been palpated within 10 days of sale, and reported at sale as "in foal," "open/barren," or "bred" (meaning an insufficient amount of time has passed to determine pregnancy). ANY PURCHASER OF A BROODMARE SOLD IN THIS SALE MAY HAVE THE MARE EXAMINED WITHIN 24 HOURS AFTER THE FALL OF THE HAMMER, AND PRIOR TO REMOVAL FROM SALES PREMISES, by a veterinarian acceptable to the undersigned. Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale may be returned to consignor as unsold, and consignor shall pay veterinarian's fee for examination.

2. Any contractual agreements between owners of broodmares in this sale and owners of stallions to which these mares may have been bred do not follow the mares unless so indicated at time of sale. The possible return to any stallion or possible refund of any stud fees does not go with any broodmare unless so indicated at time of sale.

NINTH – WARRANTIES AS TO SOUNDNESS: UNLESS EXPRESSLY ANNOUNCED FROM THE AUCTION STAND, OR BY OFFICIAL PUBLICATION OF THE UNDERSIGNED, OR AS HEREINAFTER PROVIDED, THERE IS NO WARRANTY OR GUARANTEE OF ANY KIND AS TO THE SOUNDNESS OR CONDITION OR OTHER QUALITY OF ANY HORSE SOLD IN THIS SALE.

TENTH – LIMITED WARRANTIES. Horses which are unsound in eyes or mouth, are "cribbers," "wind suckers," or "crypt orchids" must be so announced. Veterinary services are available to bidders; each bidder is encouraged to conduct such inspection and examination of each animal prior to bidding. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Shawnee Horse Sales LLC title to the animal free from all adverse claims to ownership, use or possession. Except for the foregoing limited warranty each animal is sold by the consignor WITHOUT WARRANTY AND WITH ALL FAULTS. In the event that any animal is not as represented in the Sale Catalog or on breach of the foregoing limited warranty (as the Sale Catalog or limited warranty might be modified by announcement at the time of sale) the buyers shall file with Shawnee Horse Sales LLC a written notice of rejection of the animal with such supporting certificates as Shawnee Horse Sales LLC might require within forty-eight (48) hours after the close of the Sale session in which the animal was purchased. If the buyer rightfully rejects the animal in the manner and within the time provided, the animal will be returned by the buyer to the consignor and the consignor will refund to the buyer full purchase price of the animal together with all reasonable expenses incurred by the buyer in connection with the animal from the time of sale until the return to the consignor.

ELEVENTH – CONSIGNEE STATUS: Shawnee Horse Sales LLC is operating as an independent contractor engaged in the business of conducting a consignment sale. Shawnee Horse Sales LLC has compiled the Sale Catalog from information provided by the designated consignor. All announcements by the auctioneer at the time of sale are made on behalf of the designated consignor and will take precedence over the printed provisions of the Sale Catalog. In the event of any dispute between the buyer and the consignor, Shawnee Horse Sales LLC will occupy the position of agent for a disclosed principal and stake holder and will be discharged from all obligations owing to the consignor or the buyer on delivery of any property or funds held by Shawnee Horse Sales LLC to the Court having jurisdiction of such dispute. Shawnee Horse Sales LLC makes NO REPRESENTATION OR WARRANTY with respect to any animal and the buyer must look solely to the individual consignor for recovery of damage by reason of failure of any representation or limited warranty.

TWELFTH – ARBITRATION:

1. Any controversy arising out of a claim arising under WARRANTIES shall be settled by arbitration between the buyer and consignor pursuant to the following procedure: Upon the Sale Management's determination that a claim under such CONDITIONS OF SALE has been timely and properly presented by the buyer pursuant to these CONDITIONS OF SALE, and upon notice from the Sale Management, the buyer and the consignor shall each select a licensed veterinarian acceptable to the Sale Management. If such veterinarians fail to agree promptly as to the validity of the claim, they or the buyer and the consignor involved in the controversy, shall agree upon a third licensed veterinarian. If such two veterinarians, or the buyer and the consignor, are unable to agree promptly upon the third veterinarian, the Sale Management shall appoint the third veterinarian. The third veterinarian's fee, expenses and costs shall be paid by the party whose property the horse is determined to be. The panel of three veterinarians shall conduct any tests, investigation, or examinations which they deem necessary, and may, in their discretion, conduct a hearing by notifying the Sale Management to arrange for the hearing, and shall, by majority vote, determine the validity of the claim. The Sale Management shall determine the amount of reimbursement due to a buyer whose claim is found to be valid and may, in its sole discretion, conduct a hearing to aid in making such a determination, and such determination shall be incorporated in the award.

2. Arbitration above shall take place in a location designated by the Sale manager. Judgment upon any award rendered by the arbitrator(s) may be entered by any party and any court having jurisdiction thereof. The Sale Management will be entitled to reimbursement from the party whose property the horse is determined to be for attorney's fees and other costs incurred, and any related court proceedings.

How to Bid Online

Tips and Tricks to Master Online Bidding

STEP 1. Use Chrome or Safari, a newer browser or download the CCLive app at Google Play or Apple App store.

STEP 2. Open your app or go to the address of www.CCLive.in in your browser. CCLive can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

STEP 3. Create an account and then request bidding credentials through CCLive. Use the bank information listed on your check. Please use a correct phone and email address.

STEP 4. Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

STEP 5. You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an UPLOAD speed of 2 mg or more UP. Use this site to test your internet: www.speedtest.net.

REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. **DO NOT** let the computer set idle and then return and try to bid, the website may have logged you out.

CCLive does not accept payment, you will pay the sale management, farm or ranch direct.

NOTES: Where are my APHA lovers? The bonus money for paint horses just keeps growing larger and larger. Born and raised with an NFR qualifier. Was started by cowhorse professionals at Gonzalez Horses & Cattle. Has the cowhorse feel, quick on her feet and will drag her butt for days. Broke in the face, counter arcs and knows how to roll back over her hocks correctly. This filly has so much natural ability to do great things in any discipline. Has been hauled to many Texas jackpots for expos and is on track for the 2023 futurities. Cowy and could possibly excel as a calf/breakaway horse. She is truly a a dream to ride. Has the trail miles and goes over obstacles, crosses water & good with traffic. Good to haul & easy to be around.

NOTES: Sugarloaf Shiner was born on our 153 acres and has lived there his whole life. He is extremely gentle and has a great attitude/disposition. Had a few months of general training and reining training in his early life. Very nice to ride around the ranch with a nice handle and is very cooperative. He stays with several mares and sired some very pretty and correct foals, but I have never registered them because I did not have interest or time to maintain more horses. He is a pretty and well bred stallion that could sire some excellent foals for you. A great horse with a wonderful pedigree. Excellent sire and dam that have produced well.

NOTES: AJ was in training with Shawn Florida as a colt, then purchased for a teenage reiner, when she went off to college we purchased him for a trail horse. 15.1 and his pedigree is loaded with great reiners, including World Champions. Has the talent, mental attitude and athletic capability to go to the show arena. Has the gaits you dream of but are hard to find. A super smooth trot, a rocking chair lope and then push him on out to that fast circle, then drop him back to nice and easy, he's fancy broke. Good looks and sweet attitude make him a joy to be around, plus he is the best stall keeper every. Has been ridden on trails all over the midwest and down to Florida many times. Doesn't spook and is safe for anyone to ride. If you want to trail ride and go to AQHA shows, he's the one for you. Used as a kids horse Grandparent broke. No bad habits or vices, 100% sound.

NOTES: This horse is as nice of a head horse as you will find. He goes straight to the hip and puts you in a position to catch every time. I have roped cattle in the pasture with him and done excellent with that as well. He has a big motor that goes all day. He is ready to go roping anytime. Lay him off for 6 months, go catch him and go roping. He scores good, rates a calf good. All you have to do is rope, he does the rest. Stands for a farrier well, loads in the trailer. Better for a higher number roper but does well with a lower number too.

U-Turn is an outstanding ranch horse that never lets a person down. He will flat out creepy crawl on a cow. Can open and shut gates with his eyes closed. Stays gentle 365 days a year. Has a cowhorse stop, will rock forward and turn around like a reiner, and you can pitch him the reins and enjoy your day when you're trotting across the pasture. He's got the run and stop to make a breakaway/calf horse overnight. Has enough size and timing to make a head horse and he's got the mind to handle it all. We can't commend Hickory Holly Time enough. U-Turn is the 3rd one we've had sired by him and EVERY SINGLE ONE OF THEM are our go to's. You don't have to worry about him getting fresh or broncy, he's an in your pocket kind of gelding that genuinely loves to do whatever you ask of him. We've started pen roping some calves on him and he's showing TONS of promise. He's sound, gentle, honest, reliable and will sell 100% in everyway.

Dg Dry Smart Mingo

NOTES: Here is your chance to own a big pretty bay roan horse, the kind everyone wants. Ringo has a resume a mile long. He has done every job on the ranch that requires a horse. He is definately one you will want to catch when it requires you to be mounted on a good one. I have ridden him on ranches in three different states in everything from rock piles to sand hills. He has doctored thousands of wheat pasture cattle and will stop hard and keep the rope tight while you tie down. He is great to lead cattle on when it comes to pulling something heavy in the trailer don't blink or you will pull them over the side. He has been my go to horse when I go to a ranch rodeo, very broke and light mouthed, spins pretty both ways. Did I mention he is also a top caliber finished head horse. Lot of run and handles cattle correctly. I have roped on him in different settings, indoor, outdoor, lights, during the day, it doesn't matter he has it all in his history. 15.3 hands tall and weighs 1,350 lbs. He is the same if you rode him yesterday or 6 months ago. No buck or silly business but he has a lot of power and a lot of go, so I don't recommend him for beginners. I raised Mingo and know everything about him. 100% sound. For pre sale day exams or more info 505-273-4862.

NOTES: Chip is a big time horse in a little package. He comes from North Dakota and all he knows is work. He's covered many miles, handles all terrain with with ease. Done it all in the pasture, doctoring yearlings, sorting, gathering and calving. He's put in many long days working the feedlot and sale barn. If it's ranch work, he's done it. Fancy broke and stands 14 hands, but don't let his size fool you. He'll go all day and has tons of athletic ability. He'll track the hair off a cow & pull like a truck. He's spent some time in the cutting & roping pen. Same horse every day. Catch wild cattle or hit the trails with him. He's safe for the whole family. Here is a finished ranch horse that will catch everyone's eye. Don't miss him in the previews.

Smart Lena Boots (P)
2018 Bay Roan Tobiano Gelding

Smart Lena Boots (P)
1147738

NOTES: Here is your once in a lifetime opportunity to own a chromed up bay roan tobiano that is double bred Royal Blue Boon, Equitstat #1 producing NCHA broodmare and an own grandson of Smart Little Lena; sire of 42.3 Million and NCHA #2 leading sire. CJ is gentle and easy to get along with. I have primarily used him on the ranch and have doctored wheat pasture cattle, drug calves to the fire, sorted on him, along with other ranch duties. He is really coming along nicely and is really starting to have a nice handle. I think he would make a superior calf horse and he really wants to pull rope when doctoring cattle outside. I expect to be heeling live cattle in the arena by sale day. This is a big opportunity to own one that will be the envy of anyone who sees him. He is 100% sound, absolutely no buck. 14.2 hands stall and 1,100 lbs with time to still grow bigger. For pre sale exams or more info 505-273-4862.

NOTES: "Pac-Man" is showing to be an outstanding gentle gelding at just 3 years old. He is impeccably bred, has the brains, talent and ability to go with it. He had a year of professional cutting training and can get going in that direction or any cowhorse event. We have started him on the breakaway sled also and have started roping live cattle. Rides quiet and soft, has a huge stop with a fancy handle with tons of speed. He is super broke and could be a standout for the breakaway futurity. "Pac-Man" has been used outside as well to doctor and sort pairs. Has also been used to pony colts around. He never refuses a task and never lets anything baffle him. NOTES: Maybe he's 21 years old, but he is one of the best horses we have ever owned. He is a seasoned rope horse. Probably not going to run 20 head a day but you can run a handful and each run will be the same. Jet needs to slow down and take like easy. Has been such an awesome horse for us and taught our 2 boys to rope. Super consistent and is a very good teacher. If you want a jam up one header you could be 5 seconds flat. You can put grandma or grandpa on him for a really nice trail ride. A great horse for the whole family. Has had quite a career in calf roping and team roping. Now mainly for trail riding and kids. NOTES: Unique, versatile & safe. This is the one the whole family can enjoy. He is a gorgeous Appaloosa pony gelding and only 11 years old. Domino spent the majority of his life with the Amish working day in and day out doing everything they needed and we've owned him for the past year just enjoying life with a 10 year old girl. He rides like a big horse, one handed and broke. Not to mention he has the look no other pony has. He is big enough for the adults to ride but will take care of the kids as well. He was the favorite one to ride around during Pendleton Round Up and will pack anyone around. He has been at the Ft Worth Stockyards and ridden through the busy streets One of the brokest ponies we have ever had. He does the barrels, the poles and we've been roping the dummy on him. He knows all the playday events and will carry a flag too. He also rides english and jumps small courses. He has been ridden extensively around the rodeos, ropings and seen a lot of crowds. He has seen a lot of trails, logs, animals and water. He has a soft mouth, has an excellent correct stop and has a good turn around. He has a lot of get up and go and has an amazing work ethic. Just point and kick he will go anywhere you want. Any level of rider will be able to do it on him and appreciate how unique and kind hearted this speedy little guy truly is!

NOTES: Jake is made like dad's favorite big horse and he rides like him too. Our kiddos have used Jake for everything under the sun. He rides one handed, lopes around both ways, turns around nice and can really stop. Jake has had some holsteins breakawayed on him and has drug some small calves. Jake has spectacular manners and is easy for the little ones to handle. Jake suits a kiddo that likes one with a little bit of a motor he is not a dead head, he's broke.

NOTES: Beans is an 8 year old Welsh cross. He has been used in the sale barn and on the ranch. You can head, heel, breakaway, doctor calves or just trail ride on him. He is a fun horse to have around and has more heart than size. Super cowy and wants to work. He would be a great step up horse for a kid that wants to compete in the roping pen.

NOTES: Cash is 43 inches, above average, roan pony. Has a quarter horse mind and rides like one as well. Will walk, trot, lope, able to give his face, lope small circles, does figure eights and backs up. Cash is easy to load, catch and stands tied all day. Has been hauled to every clinic and playday/horse show in the country. A finished barrel and pole pony. He wraps a barrel like one should. Quiet at the gate and have never refused it. Will walk in, do his business and walk out. He has done everything including tracking pigs, roped alpacas, herds ducks and will work cattle all day long. Will pull a sled on the snow days. Has pulled tubes loaded with screaming kids up and down the river. Cash loves to be groomed, picks up all 4 feet. Stands for the farrier. Rides in the hack, same as a bit. You can ride him bareback or saddle. Has seen more dirt bikes, atvs and traffic than other ponies I know. Doesn't mind water, mud or obstacles. Rides double, sideways or bareback backwards. Has ridden hundreds of miles at CCTR. He has been my daughter's once in a lifetime pony. The sad part about ponies is that don't grow with them. As she moves on to the next chapter, Cash deserves to move on to his.

NOTES: "Jo" is a competitive, step up, timed event, youth rodeo horse with looks that make him exceptional. He is finished and seasoned in barrels and excels in pole bending. Well started in breakaway roping. Our 9 y/o son won several youth buckles in 2021 and we are only selling because he is more interested in reining at this time. "Jo" is in his prime, sound, requires no maintenance. Easy to load, handle and trim. Has been there and done that. Has even seen the bright lights at the 2020 NFR, where he was used as a companion/pony horse for a pro.

NOTES: Wow!! If you're looking for a very cute miniature pony for your kids, stop and take a look. Sparky is a very well broke 40 inch pony. He is soft in the face and has a cute little lope in a collected manner. He will lay down on command from his back. My boys trail ride him a lot across creeks, over logs and obstacles and he does great! They also love to rope the dummy off his back and drag stuff around and he doesn't mind a bit. Loads, ties, bathes and clean or trim his feet with no problems.

NOTES: Belle is a super sweet 5 year old sorrel mare that stands 13 hands tall with a long forelock, mane and tail. She is gentle and loves attention. She was used for leadline before we bought her. My husband and I have been riding her and she is great. She can lope both ways, swings a rope off her, ride her in the pasture or pull a canoe in the snow behind. She runs barrels, pushes cows and so much more. We ride her in all regular horse size tack. She is easy to catch, no bite, kick or buck. She's great around dogs and in the pasture with ponies, colts and big horses.

NOTES: This is one you have been waiting for. Pendleton is a 12 year old buckskin paint pony with all the thickness and feathering you could ever want. For the past 3 years he has been a part of our family. He is quick footed, big strided and has the energy to go all day and has been ridden like a big horse. He does the barrels, poles, started in breakaway, he will cut the flag and you can even step off him for the goat tying. He has recently had 60 days with a professional cow horse trainer. They put more fancy buttons on him that ponies don't usually have and used him all over their cow/rope/barrel horse operation. He knows all the playday events and has been hauled to numerous local barrel jackpots and won money in the peewee. He gets hauled weekly to team roping/breakaway practices, ropes the dummy, stands in the box good and brings them down the lane nicely. He is soft in the mouth, breaks at the poll and has an excellent stop. He will move off your leg, started on lead changes, counter arcs and neck reins, He has been ridden extensively on the ranch and through the pasture from Wyoming to California. This guy has seen a lot of country side and rodeos. He can be shy to new people but he is a true lover and is a favorite in the barn. He is an easy keeper (Stays fat on air), stands tied, good for the farrier, loads well, hauls quiet, good for the kiddos to brush, lead, saddle, etc.
