NOTES: T-Rex The Turbo Tot can eat up any pattern you put him on, he may not be as big as a horse but his heart is. He is an absolute gentleman to catch, groom and saddle. Super sweet boy without the pony attitude, zero bite or kick. He can be strong once at competition though, he knows his job and has made my daughter step up to be 10X the rider. Not for a true beginner as his speed can be intimidating. May want to be a speed demon when it's time to compete but he will also allow my daughter to ride him around in a halter and lead rope as well. Sad to see him go but it's time for a step up.
