Terms and Conditions

Horses will sell in catalog order. Please pay close attention to announcements, which take precedence over printed material. ALL ACCOUNTS must be paid immediately following sale. All Payments shall be in U.S. Currency and on U.S. banks only. Payment shall be Cash, Cashier's Check, Personal Check, Credit Card or Traveler's Checks. NO BANK DRAFTS. All registration papers will be withheld until payments clear the bank. Cash buyers may pick up papers the day of sale. All returned checks will be immediately turned over to the County District Attorney's office and charges will be filed! THIS SALE IS CONDUCTED IN ACCORDANCE WITH, AND ALL ACTS OF INTERESTED PARTIES AND/OR CLAIMS BY THEM SHALL BE GOVERNED BY, THE FOLLOWING CONDITIONS OF SALE:

FIRST - APPLICABLE LAW: All horses in this sale are offered according to the laws of the state of Texas.

SECOND - THERE IS NO WARRANTY EXPRESS OR IMPLIED BY THE AUCTIONEER, SPONSORS, OWNER OR CONSIGNOR, AS TO THE PERFORMING SOUNDNESS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY HORSE OFFERED IN THIS SALE. ALL HORSES ARE SOLD "AS IS" WITH ALL EXISTING CONDITIONS AND DEFECTS EXCEPT AS SET FORTH IN CONDITIONS EIGHTH, NINTH, TENTH AND ELEVENTH BELOW. BUYERS SHOULD EXAMINE HORSES PRIOR TO PURCHASING.

THIRD – BIDDING PROCEDURE: The person making the highest bid recognized by auctioneer shall be the buyer. Buyer shall be immediately presented with a document entitled Acknowledgement of Purchase for signature. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself or herself to auctioneer as buyer and sign the Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs Acknowledgement of Purchase, such action shall not give such other person any right or title to the horse; and as soon as erroneous signing of Acknowledgement of Purchase becomes known to the auctioneer, he shall cause the Acknowledgement of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the auctioneer, Shawnee Horse Sales LLC reserves the option to re-sell the animal and such resale shall terminate all obligations of Shawnee Horse Sales LLC and the consignor to honor any prior bid. Consignors have the right to bid on their own horse.

FOURTH – BIDDING DISPUTES: Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute, and his decision shall be absolute, final and binding on all parties. Bids received by personnel employed by the undersigned have the same stature as bids received by auctioneer. In case of dispute, the bidding shall be reopened for advance bids, and if there be no advance bid, the horse is sold to the person from whom auctioneer recognized the last bid. Advance bidding shall be restricted to the disputing parties, unless the bid be reduced below the level of the recognized bid at commencement of dispute, in which case bidding is reopened to all. The auctioneer reserves the right to reject any or all bids.

FIFTH – TITLE AND DELIVERY: Title passes to buyer at fall of the hammer. All risk of injury to the horse becomes buyer's risk at passing of title. Horse will be held for buyer by consignor until buyer makes settlement as provided in CONDITION SIXTH below. Buyer shall immediately present himself or herself to make settlement if requested by auctioneer, but in any case shall so present himself or herself within thirty minutes of conclusion of the sales session in which the horse was purchased. Upon settlement by buyer, horse will be delivered pursuant to a "stable release" provided by undersigned to buyer or his or her representative. Buyer or his or her representative shall present "stable release" to designee of undersigned to remove horse from sales premises after taking possession, but in any case taking possession of the horse by buyer or his or her representative shall constitute delivery. Upon delivery, buyer shall cause horse to be removed promptly from the sales premises, or shall be subject to stable charges as determined by undersigned. In addition, should purchaser fail to cause horse to be removed promptly, undersigned may cause horse to be removed from sales premises at buyer's risk and expense.

SIXTH – TERMS FOR SETTLEMENT: Buyer shall make settlement with cashier of the undersigned. Payments to others, including consignors or their representatives, do not constitute settlement. Buyer shall present himself to make settlement as provided in CONDITION FIFTH above for the full purchase price, such settlement to be in U.S. currency or equivalent acceptable to cashier. Acknowledgement of Purchase is not transferable without the approval of Shawnee Horse Sales LLC, and the copy of the Acknowledgement of Purchase retained by the buyer must be presented by the buyer at the time of settlement.

SEVENTH – DEFAULTERS: SHOULD BUYER FAIL TO COMPLY IN ANY RESPECT WITH CONDITIONS FIFTH AND SIXTH ABOVE, THE UNDERSIGNED MAY, IN ITS ABSOLUTE DISCRETION, PURSUE ANY REMEDY AVAILABLE AGAINST THE DEFAULTING BUYER, INCLUDING, BUT NOT LIMITED TO, TAKING POSSESSION OF THE HORSE, RE-SALE OF THE HORSE AT PUBLIC AUCTION OR BY PRIVATE TREATY FOR ACCOUNT OF DEFAULTER. In any such case defaulter shall be liable for any deficit in his account after charging to his account all costs of maintenance and resale, including, but not limited to, service charges, attorneys fees, costs of litigation, and damages available to undersigned.

EIGHTH – WARRANTIES AS TO DESCRIPTION: UNLESS OTHERWISE ANNOUNCED THERE IS NO REPRESENTATION

continued on next page

Terms and Conditions, continued from previous page

OR WARRANTY AS TO THE BREEDING QUALITIES OF ANY HORSE DESCRIBED AT TIME OF SALE.

1. Each broodmare selling as "bred to" a stallion will have been palpated within 10 days of sale, and reported at sale as "in foal," "open/barren," or "bred" (meaning an insufficient amount of time has passed to determine pregnancy). ANY PURCHASER OF A BROODMARE SOLD IN THIS SALE MAY HAVE THE MARE EXAMINED WITHIN 24 HOURS AFTER THE FALL OF THE HAMMER, AND PRIOR TO REMOVAL FROM SALES PREMISES, by a veterinarian acceptable to the undersigned. Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale may be returned to consignor as unsold, and consignor shall pay veterinarian's fee for examination.

2. Any contractual agreements between owners of broodmares in this sale and owners of stallions to which these mares may have been bred do not follow the mares unless so indicated at time of sale. The possible return to any stallion or possible refund of any stud fees does not go with any broodmare unless so indicated at time of sale.

NINTH – WARRANTIES AS TO SOUNDNESS: UNLESS EXPRESSLY ANNOUNCED FROM THE AUCTION STAND, OR BY OFFICIAL PUBLICATION OF THE UNDERSIGNED, OR AS HEREINAFTER PROVIDED, THERE IS NO WARRANTY OR GUARANTEE OF ANY KIND AS TO THE SOUNDNESS OR CONDITION OR OTHER QUALITY OF ANY HORSE SOLD IN THIS SALE.

TENTH – LIMITED WARRANTIES. Horses which are unsound in eyes or mouth, are "cribbers," "wind suckers," or "crypt orchids" must be so announced. Veterinary services are available to bidders; each bidder is encouraged to conduct such inspection and examination of each animal prior to bidding. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Shawnee Horse Sales LLC title to the animal free from all adverse claims to ownership, use or possession. Except for the foregoing limited warranty each animal is sold by the consignor WITHOUT WARRANTY AND WITH ALL FAULTS. In the event that any animal is not as represented in the Sale Catalog or on breach of the foregoing limited warranty (as the Sale Catalog or limited warranty might be modified by announcement at the time of sale) the buyers shall file with Shawnee Horse Sales LLC a written notice of rejection of the animal with such supporting certificates as Shawnee Horse Sales LLC might require within forty-eight (48) hours after the close of the Sale session in which the animal was purchased. If the buyer rightfully rejects the animal in the manner and within the time provided, the animal will be returned by the buyer to the consignor and the consignor will refund to the buyer full purchase price of the animal together with all reasonable expenses incurred by the buyer in connection with the animal from the time of sale until the return to the consignor.

ELEVENTH – CONSIGNEE STATUS: Shawnee Horse Sales LLC is operating as an independent contractor engaged in the business of conducting a consignment sale. Shawnee Horse Sales LLC has compiled the Sale Catalog from information provided by the designated consignor. All announcements by the auctioneer at the time of sale are made on behalf of the designated consignor and will take precedence over the printed provisions of the Sale Catalog. In the event of any dispute between the buyer and the consignor, Shawnee Horse Sales LLC will occupy the position of agent for a disclosed principal and stake holder and will be discharged from all obligations owing to the consignor or the buyer on delivery of any property or funds held by Shawnee Horse Sales LLC to the Court having jurisdiction of such dispute. Shawnee Horse Sales LLC makes NO REPRESENTATION OR WARRANTY with respect to any animal and the buyer must look solely to the individual consignor for recovery of damage by reason of failure of any representation or limited warranty.

TWELFTH – ARBITRATION:

1. Any controversy arising out of a claim arising under WARRANTIES shall be settled by arbitration between the buyer and consignor pursuant to the following procedure: Upon the Sale Management's determination that a claim under such CONDITIONS OF SALE has been timely and properly presented by the buyer pursuant to these CONDITIONS OF SALE, and upon notice from the Sale Management, the buyer and the consignor shall each select a licensed veterinarian acceptable to the Sale Management. If such veterinarians fail to agree promptly as to the validity of the claim, they or the buyer and the consignor involved in the controversy, shall agree upon a third licensed veterinarian. If such two veterinarians, or the buyer and the consignor, are unable to agree promptly upon the third veterinarian, the Sale Management shall appoint the third veterinarian. The third veterinarian's fee, expenses and costs shall be paid by the party whose property the horse is determined to be. The panel of three veterinarians shall conduct any tests, investigation, or examinations which they deem necessary, and may, in their discretion, conduct a hearing by notifying the Sale Management to arrange for the hearing, and shall, by majority vote, determine the validity of the claim. The Sale Management shall determine the amount of reimbursement due to a buyer whose claim is found to be valid and may, in its sole discretion, conduct a hearing to aid in making such a determination, and such determination shall be incorporated in the award.

2. Arbitration above shall take place in a location designated by the Sale manager. Judgment upon any award rendered by the arbitrator(s) may be entered by any party and any court having jurisdiction thereof. The Sale Management will be entitled to reimbursement from the party whose property the horse is determined to be for attorney's fees and other costs incurred, and any related court proceedings.

How to Bid Online

Tips and Tricks to Master Online Bidding

STEP 1. Use Chrome or Safari, a newer browser or download the CCLive app at Google Play or Apple App store.

STEP 2. Open your app or go to the address of www.CCLive.in in your browser. CCLive can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

STEP 3. Create an account and then request bidding credentials through CCLive. Use the bank information listed on your check. Please use a correct phone and email address.

STEP 4. Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

STEP 5. You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an UPLOAD speed of 2 mg or more UP. Use this site to test your internet: www.speedtest.net.

REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. DO NOT let the computer set idle and then return and try to bid, the website may have logged you out.

CCLive does not accept payment, you will pay the sale management, farm or ranch direct.

PERFORMANCE RECORD: Eamer of \$479.

NOTES: Looking for a reliable & versatile mare, look no further. Corona has been used as a breakaway horse and has had some experience on the heel side. She has experience running barrels but needs a strong, confident, and consistent rider to help her shine in this area. Corona has the best demeanor & temperament. She has seen all the sights & sounds, nothing really phases her. She will walk flat footed anywhere you send her. Don't let her age fool you though she has a lot to give and she has a plenty big motor. This mare is not only a great competitor but an excellent trail horse. She rides out great in the pasture and is comfortable in various environments. She is a well rounded horse ready for whatever you throw at her. She has been hauled to the Chuckwagon races & handled them like a dream. Don't miss out on the opportunity to own this talented mare.

NOTES: This horse is one of the nicest 3 yr olds I've ever ridden and has a great mind! He has a great handle and really wants to stop hard. I've started him in heeling and have run live steers on him and he's coming along great. We have used him to catch bulls and horses in the pasture and also used him on the trails. He will go wherever you point him. Will be great at anything he does and is ready to go in any direction, 100 percent sound in every way and you will have no surprises when you get him home. Watch the YouTube video on him!

Automatic and anyone can compete on him. He is not necessarily a beginner horse but someone with confidence would get along with him exceptionally. If you wanted to go away from mounted shooting, Bullet has done quite a bit and seen the sights. It would be no problem to take him down a career in roping, team penning, barrels, poles, even make him an all around jr rodeo horse! NOTES: Moose is a 14.3 hand, solid all around gelding. He's a safe horse that anyone can get along with. I have used him to rope and doctor in the pasture extensively, tagged calves, drug calves at branding, and done everything in the feedlot with him. He's lightly started out of the box as well. He doesn't have any bad habits, always meets you at the gate, shoes well, and hauls good. Moose has all the speed and performance if you ask for it, but is a very quiet laidback horse overall. He fits the bill, whether you're looking for a trail horse, rope horse, or something the whole family can ride.
