IN MEMORY

Mark Watkins

All of us at Shawnee Horse Sales are extremely saddened by the sudden passing of Mark Watkins on July 17, 2021 at the age of 59. Mark was not only one of our most valued employees, but he was also a dear friend for the past 33 years to most of us here. If you ever met Mark, you remember that big smile he wore every moment of the day, those fresh starched clothes no matter how hard he was working he always looked so clean and always sporting that Acqua Di Gio cologne. If you were ever in the roping pen, he was the one in charge or getting your horse numbered he was always there to help anyone out. Mark was a very good team roper for many years, so he loved running the roping demo and was so good at it. I can honestly say he was one of those people you never forgot from the moment you met him. Not a mean bone in his body and always the first one to meet us at the door when we pulled in to set up the office and sale ring. His wife Shelli shared with us at the funeral he loved his horse sale family and enjoyed making so many lasting friendships with anyone that crossed his path. 33 years was just not long enough on this earth for a man like Mark. Our deepest sympathy goes out to his wife Shelli Watkins, daughter Whitney & Derek Williams, daughter Brooke & Jeremy Leatherwood, grandchildren Tatum, Linkyn, Tegan, Annie and Tripp, parents Max & Jo Ann Watkins, brothers Todd & Shane Watkins. His daughter Brooke & Husband Jeremy will be having another daughter soon and they will be naming her Poppy Blayke, carrying Mark's aka "Poppy's" name forever. What a special tribute. His days in the saddle and the sales are done, but he will forever be with us in our hearts.

Terms and Conditions

Horses will sell in catalog order. Please pay close attention to announcements, which take precedence over printed material. ALL ACCOUNTS must be paid immediately following sale. All Payments shall be in U.S. Currency and on U.S. banks only. Payment shall be Cash, Cashier's Check, Personal Check, Credit Card or Traveler's Checks. NO BANK DRAFTS. All registration papers will be withheld until payments clear the bank. Cash buyers may pick up papers the day of sale. All returned checks will be immediately turned over to the County District Attorney's office and charges will be filed! THIS SALE IS CONDUCTED IN ACCORDANCE WITH, AND ALL ACTS OF INTERESTED PARTIES AND/OR CLAIMS BY THEM SHALL BE GOVERNED BY, THE FOLLOWING CONDITIONS OF SALE:

FIRST - APPLICABLE LAW: All horses in this sale are offered according to the laws of the state of Texas.

SECOND - THERE IS NO WARRANTY EXPRESS OR IMPLIED BY THE AUCTIONEER, SPONSORS, OWNER OR CONSIGNOR, AS TO THE PERFORMING SOUNDNESS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY HORSE OFFERED IN THIS SALE. ALL HORSES ARE SOLD "AS IS" WITH ALL EXISTING CONDITIONS AND DEFECTS EXCEPT AS SET FORTH IN CONDITIONS EIGHTH, NINTH, TENTH AND ELEVENTH BELOW. BUYERS SHOULD EXAMINE HORSES PRIOR TO PURCHASING.

THIRD – BIDDING PROCEDURE: The person making the highest bid recognized by auctioneer shall be the buyer. Buyer shall be immediately presented with a document entitled Acknowledgement of Purchase for signature. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself or herself to auctioneer as buyer and sign the Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs Acknowledgement of Purchase, such action shall not give such other person any right or title to the horse; and as soon as erroneous signing of Acknowledgement of Purchase becomes known to the auctioneer, he shall cause the Acknowledgement of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the auctioneer, Shawnee Horse Sales LLC reserves the option to re-sell the animal and such resale shall terminate all obligations of Shawnee Horse Sales LLC and the consignor to honor any prior bid. Consignors have the right to bid on their own horse.

FOURTH – BIDDING DISPUTES: Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute, and his decision shall be absolute, final and binding on all parties. Bids received by personnel employed by the undersigned have the same stature as bids received by auctioneer. In case of dispute, the bidding shall be reopened for advance bids, and if there be no advance bid, the horse is sold to the person from whom auctioneer recognized the last bid. Advance bidding shall be restricted to the disputing parties, unless the bid be reduced below the level of the recognized bid at commencement of dispute, in which case bidding is reopened to all. The auctioneer reserves the right to reject any or all bids.

FIFTH – TITLE AND DELIVERY: Title passes to buyer at fall of the hammer. All risk of injury to the horse becomes buyer's risk at passing of title. Horse will be held for buyer by consignor until buyer makes settlement as provided in CONDITION SIXTH below. Buyer shall immediately present himself or herself to make settlement if requested by auctioneer, but in any case shall so present himself or herself within thirty minutes of conclusion of the sales session in which the horse was purchased. Upon settlement by buyer, horse will be delivered pursuant to a "stable release" provided by undersigned to buyer or his or her representative. Buyer or his or her representative shall present "stable release" to designee of undersigned to remove horse from sales premises after taking possession, but in any case taking possession of the horse by buyer or his or her representative shall constitute delivery. Upon delivery, buyer shall cause horse to be removed promptly from the sales premises, or shall be subject to stable charges as determined by undersigned. In addition, should purchaser fail to cause horse to be removed promptly, undersigned may cause horse to be removed from sales premises at buyer's risk and expense.

SIXTH – TERMS FOR SETTLEMENT: Buyer shall make settlement with cashier of the undersigned. Payments to others, including consignors or their representatives, do not constitute settlement. Buyer shall present himself to make settlement as provided in CONDITION FIFTH above for the full purchase price, such settlement to be in U.S. currency or equivalent acceptable to cashier. Acknowledgement of Purchase is not transferable without the approval of Shawnee Horse Sales LLC, and the copy of the Acknowledgement of Purchase retained by the buyer must be presented by the buyer at the time of settlement.

SEVENTH – DEFAULTERS: SHOULD BUYER FAIL TO COMPLY IN ANY RESPECT WITH CONDITIONS FIFTH AND SIXTH ABOVE, THE UNDERSIGNED MAY, IN ITS ABSOLUTE DISCRETION, PURSUE ANY REMEDY AVAILABLE AGAINST THE DEFAULTING BUYER, INCLUDING, BUT NOT LIMITED TO, TAKING POSSESSION OF THE HORSE, RESALE OF THE HORSE AT PUBLIC AUCTION OR BY PRIVATE TREATY FOR ACCOUNT OF DEFAULTER. In any such case defaulter shall be liable for any deficit in his account after charging to his account all costs of maintenance and resale, including, but not limited to, service charges, attorneys fees, costs of litigation, and damages available to undersigned.

EIGHTH – WARRANTIES AS TO DESCRIPTION: UNLESS OTHERWISE ANNOUNCED THERE IS NO REPRESENTATION

continued on next page

Terms and Conditions, continued from previous page

OR WARRANTY AS TO THE BREEDING QUALITIES OF ANY HORSE DESCRIBED AT TIME OF SALE.

1. Each broodmare selling as "bred to" a stallion will have been palpated within 10 days of sale, and reported at sale as "in foal," "open/barren," or "bred" (meaning an insufficient amount of time has passed to determine pregnancy). ANY PURCHASER OF A BROODMARE SOLD IN THIS SALE MAY HAVE THE MARE EXAMINED WITHIN 24 HOURS AFTER THE FALL OF THE HAMMER, AND PRIOR TO REMOVAL FROM SALES PREMISES, by a veterinarian acceptable to the undersigned. Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale may be returned to consignor as unsold, and consignor shall pay veterinarian's fee for examination.

2. Any contractual agreements between owners of broodmares in this sale and owners of stallions to which these mares may have been bred do not follow the mares unless so indicated at time of sale. The possible return to any stallion or possible refund of any stud fees does not go with any broodmare unless so indicated at time of sale.

NINTH – WARRANTIES AS TO SOUNDNESS: UNLESS EXPRESSLY ANNOUNCED FROM THE AUCTION STAND, OR BY OFFICIAL PUBLICATION OF THE UNDERSIGNED, OR AS HEREINAFTER PROVIDED, THERE IS NO WARRANTY OR GUARANTEE OF ANY KIND AS TO THE SOUNDNESS OR CONDITION OR OTHER QUALITY OF ANY HORSE SOLD IN THIS SALE.

TENTH – LIMITED WARRANTIES. Horses which are unsound in eyes or mouth, are "cribbers," "wind suckers," or "crypt orchids" must be so announced. Veterinary services are available to bidders; each bidder is encouraged to conduct such inspection and examination of each animal prior to bidding. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Shawnee Horse Sales LLC title to the animal free from all adverse claims to ownership, use or possession. Except for the foregoing limited warranty each animal is sold by the consignor WITHOUT WARRANTY AND WITH ALL FAULTS. In the event that any animal is not as represented in the Sale Catalog or on breach of the foregoing limited warranty (as the Sale Catalog or limited warranty might be modified by announcement at the time of sale) the buyers shall file with Shawnee Horse Sales LLC a written notice of rejection of the animal with such supporting certificates as Shawnee Horse Sales LLC might require within forty-eight (48) hours after the close of the Sale session in which the animal was purchased. If the buyer rightfully rejects the animal in the manner and within the time provided, the animal will be returned by the buyer to the consignor and the consignor will refund to the buyer full purchase price of the animal together with all reasonable expenses incurred by the buyer in connection with the animal from the time of sale until the return to the consignor.

ELEVENTH – CONSIGNEE STATUS: Shawnee Horse Sales LLC is operating as an independent contractor engaged in the business of conducting a consignment sale. Shawnee Horse Sales LLC has compiled the Sale Catalog from information provided by the designated consignor. All announcements by the auctioneer at the time of sale are made on behalf of the designated consignor and will take precedence over the printed provisions of the Sale Catalog. In the event of any dispute between the buyer and the consignor, Shawnee Horse Sales LLC will occupy the position of agent for a disclosed principal and stake holder and will be discharged from all obligations owing to the consignor or the buyer on delivery of any property or funds held by Shawnee Horse Sales LLC to the Court having jurisdiction of such dispute. Shawnee Horse Sales LLC makes NO REPRESENTATION OR WARRANTY with respect to any animal and the buyer must look solely to the individual consignor for recovery of damage by reason of failure of any representation or limited warranty.

TWELFTH – ARBITRATION:

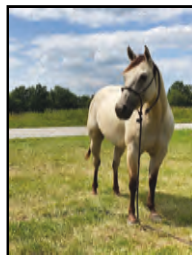

1. Any controversy arising out of a claim arising under WARRANTIES shall be settled by arbitration between the buyer and consignor pursuant to the following procedure: Upon the Sale Management's determination that a claim under such CONDITIONS OF SALE has been timely and properly presented by the buyer pursuant to these CONDITIONS OF SALE, and upon notice from the Sale Management, the buyer and the consignor shall each select a licensed veterinarian acceptable to the Sale Management. If such veterinarians fail to agree promptly as to the validity of the claim, they or the buyer and the consignor involved in the controversy, shall agree upon a third licensed veterinarian. If such two veterinarians, or the buyer and the consignor, are unable to agree promptly upon the third veterinarian, the Sale Management shall appoint the third veterinarian. The third veterinarian's fee, expenses and costs shall be paid by the party whose property the horse is determined to be. The panel of three veterinarians shall conduct any tests, investigation, or examinations which they deem necessary, and may, in their discretion, conduct a hearing by notifying the Sale Management to arrange for the hearing, and shall, by majority vote, determine the validity of the claim. The Sale Management shall determine the amount of reimbursement due to a buyer whose claim is found to be valid and may, in its sole discretion, conduct a hearing to aid in making such a determination, and such determination shall be incorporated in the award.

2. Arbitration above shall take place in a location designated by the Sale manager. Judgment upon any award rendered by the arbitrator(s) may be entered by any party and any court having jurisdiction thereof. The Sale Management will be entitled to reimbursement from the party whose property the horse is determined to be for attorney's fees and other costs incurred, and any related court proceedings.

How to Bid Online

Tips and Tricks to Master Online Bidding

STEP 1. Use Chrome or Safari, a newer browser or download the CCI.live app at Google Play or Apple App store.

STEP 2. Open your app or go to the address of www.CCI.live in your browser. CCI.live can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

STEP 3. Create an account and then request bidding credentials through CCI.live. Use the bank information listed on your check. Please use a correct phone and email address.

STEP 4. Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

STEP 5. You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an UPLOAD speed of 2 mg or more UP. Use this site to test your internet: www.speedtest.net.

REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. **DO NOT** let the computer set idle and then return and try to bid, the website may have logged you out.

CCI.live does not accept payment, you will pay the sale management, farm or ranch direct.

NOTES: Charlie is a very handsome and well minded young horse with a bright future ahead of him. Charlie has a sweet disposition and is easy to get along with. He's been used extensively for ranch work and trail riding. This current summer he was used as a lead line horse for a children's camp. He is quick and athletic with a big motor. He wouldn't be ideal for a beginner but with more miles, would make a great mount for riders at all levels.

This guy is gentle as they come, no kick, buck, bite or rear. Let him sit out in the pasture and he will ride off the same way every time. Safe for any level rider to go in any direction. He know his leads, spins, side passes and one hand neck reins. He will cross ditches, go through water, ride along traffic, ride alone or in a group. I can't say enough about this guy. He was trained in dressage so he loves to dance, and mariachi music is his favorite. Rodeo pick up horse, he is very agile, fast, and moves like a small quarter horse. Rodeo high performance drill team and flag horse for the past 4 years. He loves the camera and will stand and pose accordingly. Representing the National Anthem and carrying the American Flag has been one of his favorites along with leading grand entries. Parades and a long line of sponsors and Armed Services Flag runners. Anyone who can sit, say whoa and smooch can ride this horse. Trail rides and sure footed with the best. Safe with children and ponies. Easy to shoe, loads and rides perfect.

NOTES: This mare has a ready to please attitude. Standing about 15.3 hands she does just about anything you ask and will do it 500 times over. I've run 1D, 2D & 3D times. She will run as fast or slow as you like. She will walk in the arena, prance or run, whichever you ask her to do. She needs a rider with soft, sturdy and very quick hands and let me tell you she is not for the faint at heart. She is a POWER HOUSE around the barrel and CATTY about it. If you don't have a good seat she will leave you there and I'm only speaking from experience. She's drug calves to the fire, babysat me as I attempted to breakaway and I have heeled off of her. When I dallied off for the first time she took the hit and took a step back. She's a mare with a big stop and a lot of power. She handles just about anything I throw at her and does it with ease. You can bring her up after being on the grass for 3 months, cinch her up and ride off she will not miss a beat. This mare is trustworthy enough my grandfather is comfortable on her. Nothing bothers her, not even fireworks. She's an easy keeper, doesn't like to miss a meal and comes when you call. She's an all around, solid, sound mare.

NOTES: Twinkie is a cow horse deluxe. Don't let his age fool you. He can hang with the young ones and gets the job done. He is a finished rope horse that has been used in sale barns to gather cattle, sort and drive. He will make a rookie look like they know how to work cattle. He has done a lot of pasture roping, doctoring, as well as roped on out of the box. My 12 year old daughter ropes the dummy off of him. He is big, stout and can work all day. You can work him on cows, take him down the trails or go play in the arena. Twinkie can do it all, even throw your littlest cowpoke on him and he will take care of them. Spins, side passes, walks, trots, lopes, one hand neck reins.

NOTES: "SONNY" is a 13 hand paint gelding that is one incredible pony. He was originally owned by an older gentleman that used him for himself, & then I bought him & have had him in training for a short while. His heart is huge and he is so incredibly intelligent. His willingness & desire to please me inspires me more every single day I get the privilege to teach him something new. I want to mention, he's young and has never been off the farm so in my opinion he just needs more miles, time, & experience to become seasoned for a beginner child, but would be perfect for an experienced little cowboy or cowgirl. Also, I will add the older gentleman I bought him from did put his beginner grandkids on him, but I guess I'm way pickier because I wouldn't, unless I led them or stayed close to them because he responds so well to anything they might ask (even if they don't know what they are doing). With that said, I realize I am overly cautious what I put children on, many would call him bombproof, I say not quite yet. He is quick, fast, athletic, extremely responsive, and has lots of buttons. Being a deadhead with more whoa than go, age, time, alot of miles, & experience correlate with my idea of bombproof. He is not that (not yet anyhow). With all that said, I decided to buy a cart and harness 9/13/21 and taught him to not only pull me on a sled, but also to bow on 9/14/21. The icing on the cake was to unhook the sled and have him bow at the end of our workout (for the very 1st time also). In a matter of weeks, he's learned how to open gates on his own, sidepass, walk through the pond, jump on trailers, load while being ridden, broke to a harness, and now pulling a sled. "Sonny" might just be the first and possibly the last "one-in-a-trillion" kind of animal I've ever had the pleasure of owning & training. He's beyond special!!! He is elite, & the ultimate partner one could have.

NOTES: Commander is a 3 year old, smokey palomino stud pony. Our boys head and heel the heel-o-matic on him, yet he is a push style pony. They can stand on him and trick rope, snap a bull whip or drag thier little brother in a sled. He has been ridden inside and outside the arena, saddled and bareback with a halter or bit. He is an easy going kind of guy. They drag tarps, ride over tarps, load and unload and slide off his hind from the saddle.

NOTES: Meet Trigger, a 4 year old cowgirl's best friend. Trigger is a 10 year old mini with a heart of gold. You won't find a safer, sweeter pony for your child to build confidence on. He is guaranteed to put a smile on any child's face. Trigger runs, walks, or trots barrels, poles, flags and goats. Loves to trail ride and will cross anything in front of him. Despite his size, he isn't intimidated to help push cattle in the roping pen. Willing to complete any task asked by his little cowgirl. He's easy to catch, even a Dad can do it. He has been completely desensitized by princess dresses, birthday balloons and tea parties in her bedroom. Trigger has been the biggest blessing for a little cowgirl and he is ready to bless another family that wants their child to fall in love with horses.

Excellent for farrier, leading, bathing and grooming. Started over jumps, hauled and used to push cattle at roping practice. She has countless country road and trail miles. Great in the stocks for the vet and extremely easy to catch in the pasture. Scotch is used to sheep, goats, donkeys, mini horses, chickens and well mannered dogs. Has a big personality and will get better as she gets more miles. Quick, athletic and thrives with a challenge. Would be great for a handy kid who can give her a job and make her their own. NOTES: G Money is the horse you've always dreamed of. He's a great head horse that has won money in jackpots and big ropings. He was used as a ranch horse most of his life; catching wild cattle, doctoring yearlings and dragging calves. On the head side he is absolutely amazing with low number ropers. He's the horse that will teach the whole family and the neighbors how to rope. He's the same horse if you ride him once a year or everyday. Absolutely broke, broke, broke. NOTES: Jasper is the nicest appaloosa stallion we've ever come across and ever owned. He is 8 years old, stands 14.2 hands, LP/LP and is 5 panel clean. Not only is he absolutely stunning, he is also very broke. He's had a years worth of reining training, used on a ranch bringing cattle in, roping, trail riding, lessons, shown in ranch classes and more. Jasper is an old soul, a favorite in the barn with the kids and does awesome with any level rider. It's not very often you come across a nice stallion that is as well mannered, used, broke, and shown like him. If you're not in the market for a stallion, geld him and he will make you a spectacular mount!

NOTES: Cassie is a beautiful mare with the breeding and brains to go with it. She has been on the same place for the last 8 years trail riding, playing in the arena on the barrel pattern and also team roping, heading and heeling. Cassie is one of those horses that just about any skill level can enjoy! She is a very easy keeper, hauls well, shoes, clips, bathes, easy to catch, good in the pasture or a run stall. Has never offered to buck, bite or kick. Cassie is a mare that will stay broke if you ride her daily or once every 6 months. Has a soft floating trot and a lope to die for. Side passes, broke at the pole, ride her with or without a tie down, it doesn't matter. When she has a heat cycle you will never know it, doesn't change her at all. If I didn't have so many young horses needing attention, Cassie would never be for sale.

NOTES: "Denver" is a stunning golden buckskin gelding with four white socks and a blaze face. He stands roughly 15.1 hands and has plenty of bone and substance to him to go in any direction. We bought Denver as an early two year old and have owned him ever since. He was gentle and easy to start, always good minded, and is definitely headed in the right direction to make a great using horse on the ranch or with his Pitzer bloodlines he was bred to make a head horse. Denver is riding nice in the arena, knows his leads, soft in the bridle, pivots on his hind end, and moves off leg pressure. We have ridden Denver down the ditches, through the fields, and along the highway. He is easy going and not much rattles him for his age. Super nice young prospect that you aren't going to want to miss!!

NOTES: This 14 year old, draft cross is a gentle giant. He stands 15 hands and stops the scales at 1500 pounds. Stands quiet, loads, shoes and clips like a quarter horse. He came from a large ranch where he was used for the guests to ride. Very used to trails and has been used by us as a lesson horse. Any level of rider can saddle and ride off, he is definitely one to mark in your catalog.

NOTES: "Bella" is very special to our crew. She has been ridden by all of us and has put in many full days of working/doctoring cattle. She has become our "little mare that could". Has had a ton of cattle roped on her and will handle herself like a big horse. Our boys have had a lot of firsts on her. Both of our oldest roped their first "big cow" off of her in the pasture as 6 and 7 year old's. You can do what you want on her and she will never take a foul step. She is bomb proof and ready to be that "special one" for another crew like ours.

NOTES: Cody is a 6 year old, eye catching 15.1 hand, blue gray gelding. He has a unique color that isn't seen everyday and built to turn heads. As gentle as they come with no vices. He can be ridden all day or once a week and will act the same. I've used him on the ranch for everyday and at the sale barn as a pen back horse. Is also a horse I can trust with a non-experienced rider because of how gentle he is. He would make an excellent rope or team sorting horse. So cowy, he would eat a steak if I let him. NOTES: "Dish" is a very nice ranch horse with potential in the arena. He has had many yearlings doctored on him and a lot of big cattle roped, drug and/or tied down off of him. Will not spin a hole in the ground but has a good enough handle and is very cowy. He is the one you can drop the reins on and let him track while you rope. We have used him to moves cows, roped the dummy with him and we think he would make a great heel horse. Has been on trail rides and goes where ever you point him. He goes through brush, over logs and crosses creeks and ditches. Dandy has a pretty lope, fancy spin, sliding stop and will change leads. We have ridden him bareback and with a saddle, with a bridle or a halter. He will go over tarps, is fine with the dog jumping up on him and has been exposed to gunfire. NOTES: If you are looking to stand out and turn heads on one of the coolest horses, Juice Box is your guy. He is an 8 year old, gypsy vanner that has been ranch raised and used on the feedlot. Juice has been used to work gates, push cattle, doctor and drag calves, even been gathered on in super steep country. Juice has even ran a few steers out of the box. One handed broke and fancy to ride. He will be the brokest gypsy in town, guaranteed. A point and go type of guy. He rides through town like an absolute gentleman and goes through trail obstacles with ease. Very easy to handle. Juice box would be an incredible addition to anyone's string of trail horses, ranch horse or he would be a great addition to the family. Don't miss out on your chance to own a once in a lifetime gelding. Sells 100% sound and sane in everyway.

NOTES: This one is very hard for us. Fuel Tank is a 13 year old pony gelding standing right at 13 hands tall. This pony is one of a kind, and special all the way around. He is flashy with all the chrome one could want. He is able to be a beginner or step up pony, perfect in everyway. He will happily pack the kiddos around and will do whatever is asked of him. This unicorn rides around like a big horse. Fancy broke and has been hauled all over the southeast. He has been used to gather and work cattle. He is started on the barrel pattern and lopes a beautiful pattern. You can rope the dummy off of him. He is a perfect junior rodeo pony. When we are working a sale or gathering cattle, this is everyone's pick! Gentle and broke as they come. He rides alone or in a group, down the trail, in the arena or out in the pasture. Ones like him don't come around often. He is a classy pony. UTD on shots, shoes and teeth. Sells 100% sound.
