Terms and Conditions

Horses will sell in catalog order. Please pay close attention to announcements, which take precedence over printed material. ALL ACCOUNTS must be paid immediately following sale. All Payments shall be in U.S. Currency and on U.S. banks only. Payment shall be Cash, Cashier's Check, Personal Check, Credit Card or Traveler's Checks. NO BANK DRAFTS. All registration papers will be withheld until payments clear the bank. Cash buyers may pick up papers the day of sale. All returned checks will be immediately turned over to the County District Attorney's office and charges will be filed! THIS SALE IS CONDUCTED IN ACCORDANCE WITH, AND ALL ACTS OF INTERESTED PARTIES AND/OR CLAIMS BY THEM SHALL BE GOVERNED BY, THE FOLLOWING CONDITIONS OF SALE:

FIRST - APPLICABLE LAW: All horses in this sale are offered according to the laws of the state of Texas.

SECOND - THERE IS NO WARRANTY EXPRESS OR IMPLIED BY THE AUCTIONEER, SPONSORS, OWNER OR CONSIGNOR, AS TO THE PERFORMING SOUNDNESS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY HORSE OFFERED IN THIS SALE. ALL HORSES ARE SOLD "AS IS" WITH ALL EXISTING CONDITIONS AND DEFECTS EXCEPT AS SET FORTH IN CONDITIONS EIGHTH, NINTH, TENTH AND ELEVENTH BELOW. BUYERS SHOULD EXAMINE HORSES PRIOR TO PURCHASING.

THIRD – BIDDING PROCEDURE: The person making the highest bid recognized by auctioneer shall be the buyer. Buyer shall be immediately presented with a document entitled Acknowledgement of Purchase for signature. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself or herself to auctioneer as buyer and sign the Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs Acknowledgement of Purchase, such action shall not give such other person any right or title to the horse; and as soon as erroneous signing of Acknowledgement of Purchase becomes known to the auctioneer, he shall cause the Acknowledgement of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the auctioneer, Shawnee Horse Sales LLC reserves the option to re-sell the animal and such resale shall terminate all obligations of Shawnee Horse Sales LLC and the consignor to honor any prior bid. Consignors have the right to bid on their own horse.

FOURTH – BIDDING DISPUTES: Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute, and his decision shall be absolute, final and binding on all parties. Bids received by personnel employed by the undersigned have the same stature as bids received by auctioneer. In case of dispute, the bidding shall be reopened for advance bids, and if there be no advance bid, the horse is sold to the person from whom auctioneer recognized the last bid. Advance bidding shall be restricted to the disputing parties, unless the bid be reduced below the level of the recognized bid at commencement of dispute, in which case bidding is reopened to all. The auctioneer reserves the right to reject any or all bids.

FIFTH – TITLE AND DELIVERY: Title passes to buyer at fall of the hammer. All risk of injury to the horse becomes buyer's risk at passing of title. Horse will be held for buyer by consignor until buyer makes settlement as provided in CONDITION SIXTH below. Buyer shall immediately present himself or herself to make settlement if requested by auctioneer, but in any case shall so present himself or herself within thirty minutes of conclusion of the sales session in which the horse was purchased. Upon settlement by buyer, horse will be delivered pursuant to a "stable release" provided by undersigned to buyer or his or her representative. Buyer or his or her representative shall present "stable release" to designee of undersigned to remove horse from sales premises after taking possession, but in any case taking possession of the horse by buyer or his or her representative shall constitute delivery. Upon delivery, buyer shall cause horse to be removed promptly from the sales premises, or shall be subject to stable charges as determined by undersigned. In addition, should purchaser fail to cause horse to be removed promptly, undersigned may cause horse to be removed from sales premises at buyer's risk and expense.

SIXTH – TERMS FOR SETTLEMENT: Buyer shall make settlement with cashier of the undersigned. Payments to others, including consignors or their representatives, do not constitute settlement. Buyer shall present himself to make settlement as provided in CONDITION FIFTH above for the full purchase price, such settlement to be in U.S. currency or equivalent acceptable to cashier. Acknowledgement of Purchase is not transferable without the approval of Shawnee Horse Sales LLC, and the copy of the Acknowledgement of Purchase retained by the buyer must be presented by the buyer at the time of settlement.

SEVENTH – DEFAULTERS: SHOULD BUYER FAIL TO COMPLY IN ANY RESPECT WITH CONDITIONS FIFTH AND SIXTH ABOVE, THE UNDERSIGNED MAY, IN ITS ABSOLUTE DISCRETION, PURSUE ANY REMEDY AVAILABLE AGAINST THE DEFAULTING BUYER, INCLUDING, BUT NOT LIMITED TO, TAKING POSSESSION OF THE HORSE, RESALE OF THE HORSE AT PUBLIC AUCTION OR BY PRIVATE TREATY FOR ACCOUNT OF DEFAULTER. In any such case defaulter shall be liable for any deficit in his account after charging to his account all costs of maintenance and resale, including, but not limited to, service charges, attorneys fees, costs of litigation, and damages available to undersigned.

EIGHTH – WARRANTIES AS TO DESCRIPTION: UNLESS OTHERWISE ANNOUNCED THERE IS NO REPRESENTATION

continued on next page

Terms and Conditions, continued from previous page

OR WARRANTY AS TO THE BREEDING QUALITIES OF ANY HORSE DESCRIBED AT TIME OF SALE.

1. Each broodmare selling as "bred to" a stallion will have been palpated within 10 days of sale, and reported at sale as "in foal," "open/barren," or "bred" (meaning an insufficient amount of time has passed to determine pregnancy). ANY PURCHASER OF A BROODMARE SOLD IN THIS SALE MAY HAVE THE MARE EXAMINED WITHIN 24 HOURS AFTER THE FALL OF THE HAMMER, AND PRIOR TO REMOVAL FROM SALES PREMISES, by a veterinarian acceptable to the undersigned. Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale may be returned to consignor as unsold, and consignor shall pay veterinarian's fee for examination.

2. Any contractual agreements between owners of broodmares in this sale and owners of stallions to which these mares may have been bred do not follow the mares unless so indicated at time of sale. The possible return to any stallion or possible refund of any stud fees does not go with any broodmare unless so indicated at time of sale.

NINTH – WARRANTIES AS TO SOUNDNESS: UNLESS EXPRESSLY ANNOUNCED FROM THE AUCTION STAND, OR BY OFFICIAL PUBLICATION OF THE UNDERSIGNED, OR AS HEREINAFTER PROVIDED, THERE IS NO WARRANTY OR GUARANTEE OF ANY KIND AS TO THE SOUNDNESS OR CONDITION OR OTHER QUALITY OF ANY HORSE SOLD IN THIS SALE.

TENTH – LIMITED WARRANTIES. Horses which are unsound in eyes or mouth, are "cribbers," "wind suckers," or "crypt orchids" must be so announced. Veterinary services are available to bidders; each bidder is encouraged to conduct such inspection and examination of each animal prior to bidding. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Shawnee Horse Sales LLC title to the animal free from all adverse claims to ownership, use or possession. Except for the foregoing limited warranty each animal is sold by the consignor WITHOUT WARRANTY AND WITH ALL FAULTS. In the event that any animal is not as represented in the Sale Catalog or on breach of the foregoing limited warranty (as the Sale Catalog or limited warranty might be modified by announcement at the time of sale) the buyers shall file with Shawnee Horse Sales LLC a written notice of rejection of the animal with such supporting certificates as Shawnee Horse Sales LLC might require within forty-eight (48) hours after the close of the Sale session in which the animal was purchased. If the buyer rightfully rejects the animal in the manner and within the time provided, the animal will be returned by the buyer to the consignor and the consignor will refund to the buyer full purchase price of the animal together with all reasonable expenses incurred by the buyer in connection with the animal from the time of sale until the return to the consignor.

ELEVENTH – CONSIGNEE STATUS: Shawnee Horse Sales LLC is operating as an independent contractor engaged in the business of conducting a consignment sale. Shawnee Horse Sales LLC has compiled the Sale Catalog from information provided by the designated consignor. All announcements by the auctioneer at the time of sale are made on behalf of the designated consignor and will take precedence over the printed provisions of the Sale Catalog. In the event of any dispute between the buyer and the consignor, Shawnee Horse Sales LLC will occupy the position of agent for a disclosed principal and stake holder and will be discharged from all obligations owing to the consignor or the buyer on delivery of any property or funds held by Shawnee Horse Sales LLC to the Court having jurisdiction of such dispute. Shawnee Horse Sales LLC makes NO REPRESENTATION OR WARRANTY with respect to any animal and the buyer must look solely to the individual consignor for recovery of damage by reason of failure of any representation or limited warranty.

TWELFTH – ARBITRATION:

1. Any controversy arising out of a claim arising under WARRANTIES shall be settled by arbitration between the buyer and consignor pursuant to the following procedure: Upon the Sale Management's determination that a claim under such CONDITIONS OF SALE has been timely and properly presented by the buyer pursuant to these CONDITIONS OF SALE, and upon notice from the Sale Management, the buyer and the consignor shall each select a licensed veterinarian acceptable to the Sale Management. If such veterinarians fail to agree promptly as to the validity of the claim, they or the buyer and the consignor involved in the controversy, shall agree upon a third licensed veterinarian. If such two veterinarians, or the buyer and the consignor, are unable to agree promptly upon the third veterinarian, the Sale Management shall appoint the third veterinarian. The third veterinarian's fee, expenses and costs shall be paid by the party whose property the horse is determined to be. The panel of three veterinarians shall conduct any tests, investigation, or examinations which they deem necessary, and may, in their discretion, conduct a hearing by notifying the Sale Management to arrange for the hearing, and shall, by majority vote, determine the validity of the claim. The Sale Management shall determine the amount of reimbursement due to a buyer whose claim is found to be valid and may, in its sole discretion, conduct a hearing to aid in making such a determination, and such determination shall be incorporated in the award.

2. Arbitration above shall take place in a location designated by the Sale manager. Judgment upon any award rendered by the arbitrator(s) may be entered by any party and any court having jurisdiction thereof. The Sale Management will be entitled to reimbursement from the party whose property the horse is determined to be for attorney's fees and other costs incurred, and any related court proceedings.

How to Bid Online

Tips and Tricks to Master Online Bidding

STEP 1. Use Chrome or Safari, a newer browser or download the CCI.live app at Google Play or Apple App store.

STEP 2. Open your app or go to the address of www.CCI.live in your browser. CCI.live can be used on a cell phone, tablet, laptop or desktop. Some older models may not be compatible and will show a yellow caution symbol if so.

STEP 3. Create an account and then request bidding credentials through CCI.live. Use the bank information listed on your check. Please use a correct phone and email address.

STEP 4. Once you are accepted for bidding credentials you will receive a text message and/or email notification. Proceed to "Get Buyer Number" on the actual sale page of your interest. Some sales may also require a passcode to obtain a buyer number. On these auctions, you will obtain passcodes from the sale office phone number for the specific auction you are interested in. Please closely read the terms!

STEP 5. You are ready to go! Make sure you understand, once you are logged in, have a buyer number and are watching the sale that you are on a highly sensitive web page. **Be careful when scrolling that you do not accidentally hit the bid button and watch children closely as they tend to grab cell phones and accidentally bid.**

TIPS FOR SUCCESSFUL BIDDING

- Make sure you have good service. Bidding and driving is not recommended. You should have two - three bars on your cellular devices. At home you should have an UPLOAD speed of 2 mg or more UP. Use this site to test your internet: www.speedtest.net.

REFRESH YOUR SCREEN AT SALE TIME

If you have logged in over an hour prior to sale time, you may need to login again. **DO NOT** let the computer set idle and then return and try to bid, the website may have logged you out.

CCI.live does not accept payment, you will pay the sale management, farm or ranch direct.

NOTES: Rita is a 5 year old mare standing 15 hands. She has a long flowing mane, a beautiful shiny coat and wonderful hip slope with conformation to match. Rita is finished on the heel side but has also roped the head side and will do both with no fuss. You can ride her inside or outside, she will cross water, logs and traffic with no problem. She has a ton of speed and will not get burned down the arena with her running bred lines and speed. I do believe she'd make an excellent barrel horse if you wanted to go that route. Rita is well broke and fun to ride but she does require an intermediate rider due to her speed and cat like reflexes. In addition to roping we've done sorting and team penning on her. She's placed well and would excel in any class you'd want her to enter. She's the perfect combination of running and cow bred with a pinch of chrome. Sells 100% sound with no vices.

NOTES: Don't let this geldings size fool you. Are you looking for a quarter pony that can go do a big job? This pony has been ranched on and has been used in the feedlot. He definitely knows what a job is. Piper is a gorgeous black 13.2 hand pony that will suit an intermediate rider. If your child is handy they can ride him. He is soft in the face, nice stops, has been roped off of and is in your pocket. He shoes, ties, hauls and bathes with no problems. He's got a ton of class and a great personality. Piper does have a small scar on his left from knee that causes him no soundness issues. For more info call Carl 720-606-1202.

Lopes nice correct circles, soft to leg cues, nice turn arounds and pretty stops. Good with tarps, bull whips, dogs and cattle. He steps up to a mounting block. Ranch, rope or trail horse prospect. He is conformationally correct and comes in that true blue roan color that you don't see everyday. My 8 & 9 year old girls ride him. 14.3 hands and 100% sound. He is a little special.

NOTES: Here's one we are pretty dang proud to offer! You talk about wanting a veteran ranch gelding, look no further. Duster has been there and done that in every single scenario you can imagine! He's had thousands of yearlings doctored off of him, drug the same amount of calves to the fire at branding time, been used at the sale barn for cow sales, drug wild cattle in the trailer, sorted a million. There is not a single chore on a working ranch you can show him that he hasn't done. Not only is he a go to, he's a dirty broke double good sucker year around. He's been a one owner horse his entire career. He will whack a cow and you'd think he was part billy goat with how sure footed he is outside. You will not find a more legit ranch horse in America. You want to show up on one that can do your job for you, pay attention here. He stays gentle with however much time off you give him and never argues with going to work.

NOTES: We bought RJ Shakemup Sannman as a two year old at the Snaffle Bit Futurity from Janet Cooper. We have enjoyed him every minute! He is great minded. We have given beginner riding lessons on him, he will pack a green rider around like an old gelding. We can also pull him straight him out of the stall, cinch him up, and lope him straight out to gather cattle. and as quiet and easy as he is for arena and ranch work, he will absolutely come to life and work a cow from the herd on a loose rein. We let our business and life get in the way and we did not do our job promoting "Shakey" or in getting him shown. We have had him out only three or four times. Shakey is an excellent breeding horse. He is easy to collect and has been outstanding at getting difficult mares settled. He is five panel negative, and although we have not had him tested, he has only produced bay roans, blue roans and red roans for us. We have also consigned a roan daughter of his so you may see what kind of sire he is.

NOTES: Here's is the kind EVERYBODY wants and can't find. Let us introduce Frog, a prime aged, cool colored, bombproof, legit in every way, finished ranch horse. Frog has been in the toughest terrain the United States can offer where he was used to tend to thousands of cattle year round. He's been used like one should be. When we bought him we rode him one time quickly realized we could put anybody aboard and he would take care of them. We let a 62 year old gentleman pen back, load semis and bring up preg checks at the sale barn every Tuesday on him. He will shimmy around any gate on the place and you know you're showing up on a goodn! Frog has also been started and has a solid foundation in the arena as well. We believe he is going to make a JAM up heel horse, just ready to take and season. You can head on him also. He would make a breakaway/calf horse over night and is the easiest horse to catch in the world. Quiet in the box, low headed, short strided, and you can see feet anywhere you place him. Frog has no tricks or quirks to him. Just saddle him, step on and go. You'll love this one when you get him home. Sells 100% sound in every way. For more info call 806-654-5490.

Has also spent a few months doctoring yearlings, also tracking drag dummy, patterned on the barrels, big motor, very athletic, very light, a little pressure goes a long way. Many miles of trail riding, crosses water, ditches and brush. A lot of horse with a great loving personality. Pleaser, catch in any pasture, ties, loads, stands for farrier, loves people the most. She picks up leads, has nice transitions, listens to leg pressure and light hands. Very quiet mare and has been ridden in several different places, in arenas, in pastures, trail rides, around dogs and kids and by the road. Current on dental, deworming and shots. This mare trails excellent. She has run in countless barrel races in North Texas mostly placing in the 2D when she is legged up. Wants to please, has a loving personality and experienced kids can ride her for pleasure or performance. She's got speed and is a very easy keeper. Was imprinted and has been worked with since he was a foal. If you want a stallion to pass on good bone, conformation and strength, he can do the job. He just keeps getting better as he matures.

NOTES: Sugar is a gorgeous 9 year old POA mare that is perfect size standing at 13.1 hands. She is beautifully colored sorrel with a white blanket. Well built and conformationally correct. A lot of shape, bone and a sweetheart disposition. She is one outstanding little mare. Perfect size for a kid to enjoy or even an adult to jump on and ride. Our kids love to ride her and feel totally comfortable riding her anywhere. She is laid back and forgiving to the rider which has made her such an incredible horse for a youth to ride and learn on. Walk, trot, lope circles inside or outside the arena. Catches both leads and has a great stop. She will go where ever you point her, crosses water, goes over logs with ease. Been on many trail rides, is super well broke and very athletic. Sugar has also been shown points in open shows. Safe for anyone that can sit up there and ride. 100% sound and never taken a lame step. Her video really speaks for itself. Someone will enjoy her personality for years to come. Don't miss this opportunity to own a once in a lifetime pony built to last. If you have any questions call Ryan at 218-639-9802.

NOTES: "Sparkle" is very gentle and loves people. She comes in that beautiful, golden palomino color. Raised locally. He is a son of the well know, JODIES BAR CHIC. His dam was ridden by Trevor Brazile in the world show in calf roping. He has full siblings roping in NFR. Good on the trail or in the arena. Has a real smooth, short lope. I have packed deer on him with no problem. Good with tarps, bull whip, dogs and used him some on cattle. Steps up to a mounting block. My 8 & 9 year old girls have had fun riding him. Has potential to be your next ranch or rope horse. Or if you want a pretty horse to get noticed on the trail, here you go. 14.2 hands and 100% sound.

NOTES: Beautiful buttermilk buckskin mare pony. Standing right at 51" she's got the looks, shape, mindset of a real athlete. She's been tracking and roping the hot heels. We've pushed cattle on her. We've taken her out of the trails, crossed creeks, logs, through thick woods, bridges, by a busy road with big trucks, loaded trailers passing by. Been exposed to heavy equipment noises. Worked her on some obstacles. Roxie is smart minded, quick and sure footed. Strong build, great shape, stands for the farrier, loads and bathes. She's looking for her experienced little cowboy or cowgirl that's ready for their step up pony to go work and have fun. She has had 1 colt, a palomino. Roxie is pretty as a picture, as shapey as one could be. She is not recommended for a beginner.

NOTES: Danica is being listed as a broodmare but is sound and extremely broke, trained by Kassie Mowry. She has won and placed at PRCA rodeos, however did bleed once, which gave her anxiety and she was given time off. I have too many young ones and do not have the time to put into her to bring her back. She has been mainly sitting. She is easy to have around, is great by herself or in a herd, has excellent manners, and is overall a super nice, kind mare. When she was running she was a true 1D horse, and requires a 1D rider due to her athleticism (she will slow work, but has a gas pedal!), therefore she is not youth suitable. She is super easy to handle and does everything an experienced horse should- hauls great, eats and drinks well on the road, ties, bathes, perfect for the vet and farrier, etc. She's a super nice mare that has not had her legs run off, but I am selling her as a broodmare due to not putting in the time to slowly bring her back. She's never refused the gate, but gets impatient and anxious so needs a firm, steady hand to build her confidence. She did not have this issue before she bled, and now she wants to rush making her inconsistent. That could change if someone has the time and patience to put into her, but unfortunately I don't have the time or room on my trailer. She has been fully vetted and is sound.

NOTES: A sharp looking, gray gelding that is easy going and nice to be around. His history was ranch horse and started rope horse when we acquired him 3 years ago. My wife used him as a trail horse and he is safe as well as surefooted. We have roped the hot heels on him on the head side and he does well around cattle. Has never acted fresh and would make a nice horse for someone. Look for him at the preview. 15 hands and 1200 pounds.

NOTES: CALM, POLITE, SMART, GENTILE, ATHLETE, PRETTY, GREAT EYE APPEAL. There aren't enough good objectives to describe this special guy. Soft in the bridle, laterally and vertically. Moves off leg pressure, collect a& correct, nice turn around, big stop, both leads, lead changes, level headed, lopes off in his tracks, 14 hands. Tracking & roping the hot heels, pushing, moving cattle & horses. Taken him trail riding with other horses & he is a gentleman on the trails. Doc is always willing, easy going and accepts new challenges and training with ease. This guy has so much potential and could go multiple disciplines. Gives you 110%. Great addition to anyone's family program. Not to mention his bloodline. Sound with no vices.
