NOTES: A fancy rodeo pony. Riddle has been there, won that. He can smoke a pole pattern and compete with the big dogs in the barrels. He has been break awayed on and goat tied off of as well. Gentle, but knows his job. Best suited for a kido that knows how to win, just needs the horse power to get to the next step. He is 100% sound. Stands 12 hands.

He is extra broke, you can sort cattle, rope on him outside and has had some roped in the arena and wouldn't take much to have him rodeo ready. Has the best manners. Any kid can catch him, stands to be saddled. Never gets fresh, he is the same everytime. Also really no spook. He is the pony you are wanting.
