WASHINGTON HIGH SCHOOL ALUMNI FOUNDATION NEWS UPDATE

Message from the President

Wow...it's just amazing to me to think that this school year we will see the WHS class of 2020 graduate! Time flies when you're having fun, and many great things have been happening at Washington High....

I was honored to represent the Alumni Foundation at the August 26 Ribbon Cutting Ceremony for the new science and classroom buildings. These buildings combine to form a new two-story school wing containing six science labs and six general classrooms at a final project cost of \$15.4 million. WHS Principal Bob Moran welcomed the crowd of students, parents, and dignitaries to the ceremony where FUSD School Board V.P. Desiree Campbell and Superintendent Dr. Kim Wallace both made brief speeches. The Huskies Marching band, under the direction of music teacher Amberle Mitchell, played a few songs on the patio outside the new building. After the ribbon cutting, attendees were able to tour the building and appreciate what a wonderful new learning environment this will be for students and staff.

And while we're celebrating new facilities, I want to remind you that this past March the FUSD School Board approved \$3.9 million in renovations and remodeling for the WHS Theater. The construction should start later this school year. Many folks believe that this project was approved as a result of a very vigorous and effective community-based advocacy campaign spearheaded by former FUSD school board member and WHS alumnus Bryan Gebhardt. Thank-you, Bryan!

All Alumni are invited to join us for a new social event on Thursday, October 10, starting at 5:30 pm. We will be gathering on the lawn area behind the

WHS main building for pizza, beverages, and good times. You will be able to see the Wall of Fame, and tour the new Science/classroom wing! The students will be celebrating Spirit Week with a "Unity Bonfire" later that evening in the outdoor amphitheater, and we're invited to stay and watch.

The Homecoming Game will be held the next night on Friday, October 11, at Tak Fudenna stadium. The Alumni Foundation Board will be there with our booth and some freebies for all Alumni who stop by to say, "Hi!"

We look forward to seeing you!

Alumni Inducted Into the Hall of Fame

This past May 18, three distinguished alumni were inducted into the WHS Hall of Fame during a very special dinner held at Swiss Park. Fremont Mayor Lily Mei, City Councilman Rick Jones, and County Supervisor Scott Haggerty (1976 and a prior WHS Hall of Fame inductee) joined the crowd of alumni, families and friends gathered to honor Stephanie Scott Telles (1965), Dirk Lorenz (1978), and Bill Harrison (1998) as they became the latest additions to this accomplished group.

Members of the WHS school band entertained the crowd during the meal. The induction ceremony started after with each presentation proceeded by a brief biographical video and remarks by a close friend of the recipient. Mayor Mei presented each of the inductees with a special proclamation certificate, and their names will be added to the school's Wall of Fame.

The first inductee of the evening was Stephanie Scott Telles (1965) who was recognized for her long record of service to the school and community. Among her many accomplishments were service as the Alumni Board Historian, WHS building committee, Save the Arch Fundraising event chair and Washington Township Museum of Local History volunteer (in this roll she helped collect Washington Township HS memorabilia on display in the museum).

The next inductee was Dirk Lorenz (1978) who has an unparalleled record of service and support to WHS, Fremont Unified School District, the City of Fremont, Fremont Chamber of Commerce, Rotary International, and the list goes on and on. Dirk has always worked hard to preserve the character and history of our community, and he has leveraged his very successful business, Fremont Flowers, to help support and promote activities that raise funds for schools and community-based organizations.

Bill Harrison (1988) was the evening's final inductee. Being a successful CPA wasn't enough for Bill. He wanted to be a community leader. Starting his civic service in 2001 on the Fremont Planning Commission, Bill was elected to the City Council in 2006, and became Mayor of Fremont in 2012. Serving through 2016, Bill is proud of his

work on rebuilding the downtown areas of Fremont, and promoting the Warm Springs project to create a job center in proximity to mass transit. He was also instrumental in helping to negotiate full funding for a new school in that area.

The Alumni Foundation is proud to help facilitate the Hall of Fame and extends a very special "Thank you" to the WHS Student Leadership class, and alumni foundation board member Helen Tait Paris (1972) for her outstanding job planning and producing this event!

"Circle of Honor" Bricks

Thank you to the hundreds of people who have ordered their "Circle of Honor" bricks. We are really excited about the high quality of these engraved bricks and the excellent location around the flagpole, in the front of the school, where they have been placed. At only \$35.00 each, they make a great gift for a friend or family member. All the money we raise goes toward scholarships for the seniors each year.
