WASHINGTON HIGH SCHOOL ALUMNI FOUNDATION NEWS UPDATE

Message from the President

Congratulations to the WHS student leadership class and the adult planning committee for planning and delivering a wonderful 125th Anniversary Celebration event. Alumni who attended thoroughly enjoyed the day and are now looking forward to the 150th!

I'm proud to be a Husky and I'm proud of my dedicated Alumni Foundation Board. We are doing great things with the membership dues and donations of our active members. Our recently revived classroom grant program is supporting instructors to provide their students with quality learning experiences. Classrooms of students directly benefitting from your generosity!

Visit our updated and improved website at whsaf.org to learn more about the Alumni Foundation including meetings, membership, current events, projects and other fun stuff. Hey, you can even use the PayPal link to make an online donation or join and pay dues! As we start the New Year, make the resolution to join us as we support the next generation of Huskies!

Classroom and Academic Grant Program

The Washington High School Alumni Foundation is focused on raising money to support staff and students for classroom and campus activities, and funding scholarships for graduating seniors.

Over the past 2 years, the Alumni Foundation has awarded more than \$10,000 in scholarships to the graduating seniors.

This year, we began a new program: Classroom and Academic Grants. This program is designed to assist the instructors of Washington High School in providing quality instruction and unique learning experiences for their students. The grants would pay for things that would not be covered by a district/school budget or where that budget falls short. It could be providing for a substitute so a class can go on an educational field trip, art supplies (clay, paint), or equipment in the science labs, etc.

So far this current year, 2016-17, the Alumni Foundation has funded two grants totaling \$825 that will benefit more than 75 students.

\$225 - Resource Teacher: white board markers, world atlas, post-it notes and pocket folder-portfolios.

\$600 – Core Support: 2 HP Chromebooks to assist in curriculum delivery for students with learning disabilities.

In addition to general donations, you may contribute directly to either Scholarships or the Classroom and Academic Grant Program through our website, www.whsaf.org

"Circle of Honor" Bricks

Don't forget there is still plenty of room for more plaques in the "Circle of Honor" around the flag pole in front of the school.

The plaques make great ways to remember a friend or family member. They are \$35.00 each and make great gifts. All monies we raise goes to SCHOLARSHIPS for Seniors and request from teachers for things they may need for their classrooms. We thank you all for your support and donations. Any questions, please call: **Susanne H. Turner 510-793-7452**
