The Learning Tree means caring for children...

The Learning Tree is a child care center with outstanding facilities and programs that assist in the development of preschool children. At The Learning Tree we supply a wide range of materials and experiences which encourage children to choose and explore at their own pace. The program is structured for guidance and success and easily adapts to each child's individual needs. We help your child develop confidence, independence, and security by providing an accepting and creative environment. Parents are always welcome to come and observe our caring staff and stimulating activities. We are dedicated to providing the enriched environment your child needs to learn and grow.

The Learning Tree means growing children...

Growing Bodies: The Learning Tree offers a variety of constructive areas to explore. We provide a wide range of activities that assist in gross motor as well as fine motor development. Climbing, sliding, building, painting, cutting, doing puzzles and many more activities help children to grow.

Growing Feelings: The Learning Tree knows that a young child develops sensitivity, self-motivation, creativity, and confidence when involved consistently in happy and successful experiences. All experiences are geared toward success and appropriate to each child's age and abilities. We help children to grow socially and emotionally.

Growing Friendships: The Learning Tree is aware that children mature as individuals and also as members of a group. Our warm and understanding teachers guide your child in sharing space, materials, playthings, attention, and affection. Getting along happily and successfully in a group of children is an important way to grow.

The Learning Tree means serving families...

The Learning Tree staff members have specialized training in Early Childhood Development and are highly qualified to teach preschool children. Feel free to get to know the teachers and keep communication going. They are there to help you as well as your child with any concerns.

The Learning Tree presents materials and experiences that encourage children to explore numbers, letters, colors, shapes, and many other basic concepts at their own pace. Our curriculum is based on monthly themes that keep children stimulated and interested in learning and growing.

I also understand that if 2 checks have been returned, I will be required to make cash payments thereafter. Any credit remaining on your child's account will be refunded at the time of withdrawal. Written notification will be given 30 days in advance of any change to the fees. I further understand that switching from full to part or part to full time must be requested in writing and approved by the office with at least a week notice.

3. Arrival Time: I understand my child will not be accepted at the school after **10:00 A.M.** unless there is a doctor/dentist excuse or special circumstance, in which the school has been notified of in advance.

4. Absentee/Vacation Policy:

(a) I understand that if my child is absent, I will still be required to pay the full weekly fee of \$240.

(b) I understand that if my child is absent the whole week (Monday through Friday) I will be required to pay one-half (1/2) of the weekly fee. Fees are charged by the week, daily fees are not available.

(c) I understand that if space is available, I will be able to withdraw my child and pay the nonrefundable \$100 re-enrollment fee if my child is out for 4 weeks or more. (d) I understand that if my child is repeatedly unsuccessful during rest period we will be offered the 5 half day program.

5. Registration Fee: I understand that there is a non-refundable fee of **\$100** to register my child. 7. Withdrawal: If you no longer need child care at The Learning Tree, **we require that you provide two weeks written notice.** Our staff recognizes that not every situation is appropriate for every child. If, for any reason, this program does not meet a particular child's needs, the parent and/or program may choose to terminate the arrangement on a time line that is in the child's best interest. **Please see office with any enrollment or scheduling concerns or emergencies.**

8. Termination of Contract: The child's adjustment to The Learning Tree program and the appropriateness of our program for an individual child may cause concern for the child's well-being. If the program staff does not feel that it is meeting the child's needs, we reserve the right to terminate the care arrangement on a time line that is in the child's best interest. Other reasons which may result in the termination of a specific care arrangement are as follows:

(a) Non-payment for child care services and/or lack of adherence to our tuition payment policies. If a child is absent for two consecutive weeks and the appropriate fee as specified under "Absentee Policy" has not been paid, the child will automatically be discharged from the school. In order to re-register, the balance must be cleared and another registration fee paid.

(b) Parent has not cooperated with staff regarding the child's behavior guidance.

(c) Child exhibits unimproved disruptive behavior and or/ special needs that are not possible to meet at this school. In this case, the program staff will make every effort to involve the parents, and possible other resource persons (as appropriate), in order to decide together on the best course of action for this child, prior to any termination.

9. Rights of Community Care Licensing: In accordance with Health and Safety Code Section 1596.852, any duly authorized officer, employee, or agent of Community Care Licensing may, upon presentation of proper identification, enter and inspect the facility, request interviews with any child or staff member, or examine all records relating to the operation of the facility.

IMPORTANT INFORMATION FOR PARENTS

CAREGIVER BACKGROUND CHECK PROCESS CALIFORNIA DEPARTMENT OF SOCIAL SERVICES

The California Department of Social Services works to protect the safety of children in child care by licensing child care centers and family child care homes. Our highest priority is to be sure that children are in safe and healthy child care settings. California law requires a background check for any adult who owns, lives in, or works in a licensed child care home or center. Each of these adults must submit fingerprints so that a background check can be done to see if they have any history of crime. If we find that a person has been convicted of a crime other than a minor traffic violation or a marijuana-related offense covered by the marijuana reform legislation codified at Health and Safety Code sections 11361.5 and 11361.7, he/she cannot work or live in the licensed child care home or center unless approved by the Department. This approval is called an exemption.

A person convicted of a crime such as murder, rape, torture, kidnapping, crimes of sexual violence or molestation against children **cannot by law be given an exemption that would allow them to own, live in or work in** a licensed child care home or center. If the crime was a felony or a serious misdemeanor, the person must leave the facility while the request is being reviewed. If the crime is less serious, he/she may be allowed to remain in the licensed child care home or center while the exemption request is being reviewed.

How the Exemption Request is Reviewed

We request information from police departments, the FBI and the courts about the person's record. We consider the type of crime, how many crimes there were, how long ago the crime happened and whether the person has been honest in what they told us.

The person who needs the exemption must provide information about:

- The crime
- What they have done to change their life and obey the law
- Whether they are working, going to school, or receiving training
- Whether they have successfully completed a counseling or rehabilitation program

The person also gives us reference letters from people who aren't related to them who know about their history and their life now.

We look at all these things very carefully in making our decision on exemptions. By law this information cannot be shared with the public.

How to Obtain More Information

As a parent or authorized representative of a child in licensed child care, you have the right to ask the licensed child care home or center whether anyone working or living there has an exemption. If you request this information, and there is a person with an exemption, the child care home or center must tell you the person's name and how he or she is involved with the home or center and give you the name, address, and telephone number of the local licensing office. You may also get the person's name by contacting the local licensing office. You may find the address and phone number on our website. The website address is <http://cclid.ca.gov/contact.htm>

Frequently Asked Questions

When I pay my tuition automatically, how secure is my account information?

Very secure – more secure than when you write checks. The checks you write every day have your name, address, phone number, and sometimes your driver's license number on them. With this information, criminals have all they need to access your account or worse, steal your identity. Automatic payments greatly reduce this potential problem by limiting the amount of information available and who has access to it. Tuition Express also incorporates additional security procedures, utilizing 128 bit encryption.

What if the childcare center makes a mistake and takes out too much money?

Report the error to your childcare center immediately – it was most likely an honest mistake. The childcare center will then adjust your account accordingly.

What if my childcare center and I disagree about a payment?

If you feel that the payment should not have been made, you have the right to dispute the charge. Contact your bank or credit card company. Tuition Express and your childcare provider will work closely to resolve the issue in a timely manner.

Does this form of payment give the childcare center access to my account?

Nobody at the childcare center has access to your account. When you sign up for Tuition Express, you only authorize your bank or credit card company to release the exact amount owed to your provider when it is due and payable.

How will I know when a payment was taken out of my account?

Your childcare expenses will be taken out of your account on a schedule that you and the childcare center agree upon. Your childcare center has the ability to print statements for your records prior to the withdrawal of any money. Additionally, the charges will show up on your monthly statement as "Tuition Express".

When I sign up for Tuition Express, how will this help my childcare provider?

Your childcare provider has chosen to offer Automatic Payments for several reasons. First, it will give you the convenience of not having to write a check every time tuition and fees are due. Second, it allows regular scheduling of your payments. Most importantly, Automatic Payments reduce the amount of time your childcare center spends on management activities, giving staff more time to spend with the children.

How do I get started?

Simply complete the "Payment Authorization" form and return it to your childcare provider. They will do the rest! For more information on automatic payments, visit www.directpayment.org. This is an excellent resource explaining the system and its benefits.
