

Quality Policy

We at Trans-mit Steel Inc. (TMSI) define *quality* as *continuously achieving our customers' needs by providing them best quality ES products and services.*

We at TMSI are committed to providing competitive products of premium value to our customers.

We will strive to ensure total customer satisfaction through achieving our quality objectives as defined by the management team.

We will continually improve the effectiveness of the Quality Management System by analyzing risks & opportunities, while strictly adhering to all applicable internal & external requirements.

Our Quality Policy therefore is:

- 1) Trans-mit Steel Inc. is committed to meeting customer satisfaction and operating in compliance with all applicable requirements and regulations.
- 2) Every Trans-mit Steel Inc. employee is committed to meet our customer requirements, focusing on Quality, Delivery schedule and Cost.
- 3) We will contribute to the success of our customers, employees, suppliers, and stakeholders by continuously improving effectiveness of the Quality Management System processes.
