Dear Families:

Thank you for your partnership as together we fulfill our promise to help our students achieve their God-given potential. It is our greatest privilege to serve your child and family.

Knowing the sacrifice each of you make to provide a Catholic education for your family, we remain committed to ensuring our students receive an experience that is both academically and spiritually excellent. It is this commitment that continues to drive our investment in innovative programs like STREAM and our new assessment technology.

We are now beginning the registration process for the 2020-2021 school year. In our ongoing effort to improve the experience for our families, we are excited to share that the process will be **online** for your family.

This year, there is a nominal increase in the 2020-2021 tuition rate. However, we will again be offering an incentive to register early.

2020-2021 Registration Details are as follows:

- You will receive separate emails for each child in our schools with a link and directions on completing the online registration. The process is user-friendly and should take around 15-20 minutes to complete. Please watch your inbox for the email(s) from your principal. If you don’t receive the email(s) by **January 31**, please let the school know.
- If you have an 8th grade student who will be continuing on to a diocesan high school, you must go online to **www.dioceseofscranton.org/register** to begin the registration process.
- To receive the lower tuition rate, complete your online registration and pay the **$100 non-refundable family registration fee by March 30, 2020**. After March 30, the tuition increases by an additional $150. See enclosed tuition schedule for details.
- To register, your account must be in good standing. Please refer to the **Tuition Policy** on our website at **www.dioceseofscranton.org/catholicschools**.
- In an effort to make our schools affordable, additional resources are being dedicated to financial assistance. We also have opportunities in each school to reduce tuition through **SCRIP**, referral of new families, events, etc. Please talk with your principal and see the enclosed information on Tuition Reduction Opportunities.

Your timely registration not only ensures you receive the reduced tuition rate, but also ensures we are prepared to offer the best educational experience for your student.

Please do not hesitate to call your school or the Catholic Schools Office if you have any questions.

Sincerely,

Jason W.S. Morrison
