**ARTIST— TRAVIS SMITH  
&  
CINDY JO**

**SINGLE—TOO CLOSE TO HOME**

**ISRC— QZNHD2100001**

While you're listening to CINDY JO's hypnotic lead vocals on TRAVIS SMITH & CINDY JO's new single *TOO CLOSE TO HOME*, (written by Travis) , A movie will probably start playing in your subconscious. You will share

this moment when she is setting off on a journey... kids are grown ... she had put her goals and ambitions on the back-burner ...let's go find out what's out there.....

Travis Smith & Cindy Jo have established themselves as regulars on the Texas Regional Radio Chart and the Texas Music Chart. Since 2020, there have only been a few weeks that the music charts did not include at least 1 of their songs.

Known especially for their **Harmonies** during live performances and **Lyrics** that grab your attention and paint a picture of that moment in time, without being obvious.

This is their 4th radio release following up on *Up To Kansas City* and *Burning Daylight*, and *How Can I Miss Her*.

Sincere THANKS!
