Singer/Songwriter—**TRAVIS SMITH** from **Waxahachie, TX** and singing partner **CINDY JO SANDERS**, from **Ennis, TX** deliver a Great song about a relationship that Almost worked out...**Up To Kansas City**... *"It was a kindred spirit kind of conversation..."*

The **Harmonies** and **Lyrics** grab your attention and paint a picture of that moment in time.

This is the second radio release for Travis, who's previous single **Burning Daylight**

Was successful on both the Texas Regional Radio Report top 100 list and the Texas Country Music Chart. This is the first release for Travis & Cindy Jo together, with **many more** to follow!

After September 11, 2001 Travis had to put his music career on hold and spent the next 14 years serving in the U.S. Army. He and Cindy Jo are now fully immersed in the Texas Music Scene.

*...Travis in his own right can stand toe to toe with just about any singer/song writer around but that boy has found a pot-of-gold in his new partner CINDY JO. Cindy is in her own right a fabulous vocalist but matched up with Travis, the blend of their vocals is one of the BEST I've ever heard.. Congratulations to both of them, if there's any justice in this business this pair should go far.. Mark "The Cobbler" Miller"*
