

Defensive Driving Course Overview

- 1) One of the great things about the course is that you can login and out at your convenience and continue exactly from where you left off.
- 2) Courses can be taken from any mobile device.
- 3) You must complete the course within 30 days after course registration. (NY compliance)
- 4) If 30 days pass, you do not need to repay the course. It will simply reset back to the beginning chapter one.
- 5) All completion certificates are mailed the next business day after the course has been completed. We're the only one in the industry that currently does that process.
- 6) Customer service is available 24 hours a day, 7 days a week. Call 1-800-660-8908 for any questions regarding the courses.
