
OUR LEADERSHIP

High Sierra Huskies is governed by a volunteer board of 7 parents in close cooperation with our coaches and the Reno HS administration. Numerous other volunteers contribute to all facets of the program.

Boys' Varsity Head Coach

Justin Queral is a native of Las Gatos, CA. He relocated, with his family, to Reno in 1988. Justin is entering his second year as Varsity Head Coach and sixth year overall with the Huskies, previously serving as the Varsity Defensive coordinator and JV Head Coach.

In his first year serving as the Head Coach, Justin led the Huskies to the regular season title, entering the playoffs as the top seed, but ultimately falling short in the HSLL title game. Justin served as the defensive coordinator of the 2017 Huskies Division II state championship team. He also spent the last summer as an assistant for the High Sierra Avalanche club program. He spends his summers playing lacrosse for the Tahoe Dogs Masters team.

Girls' Varsity Co-Head Coaches

Helen Godfrey attended college at Boston University and played four years of NCAA Division I Lacrosse and field hockey. She has coached girls field hockey at the collegiate level (Boston University and Harvard), girls high school varsity basketball, and middle school boys lacrosse. She also volunteered for the Reno Huskies girls lacrosse two seasons ago. Professionally, Helen works as a behavioral health counselor.

OUR MISSION

- Inspire our players to give their best and achieve success as students, citizens, and athletes.
- Grow positive and lasting relationships among fellow players, parents, faculty, administrators, alumni, and community through lacrosse.
- Develop the sport of lacrosse from the individual to league level.
- Uphold the customs and decorum of good sportsmanship representative of the Reno High School traditions. (founded 1879)
- Become a premier lacrosse program beyond Northern Nevada.

ABOUT US

"Reno Huskies Lacrosse" is comprised of the JV and Varsity teams for girls and boys lacrosse at Reno High School, where it is an unsanctioned club sport. The program receives no funding from the Washoe County School District and must rely entirely on player dues and fundraising to support the program's over 70 student-athletes.

Student-athlete dues only cover 65% of the program's meager budget, therefore the remaining expenses must be met by fundraising efforts. Annual budget expenditures include field usage and preparation, rented bathroom facilities, referees, uniforms, equipment, coaching stipends and more. There are no extravagances or unnecessary line items in the teams' budget, only what is necessary to fund each season.

Lacrosse is the fastest growing sport in the United States and Huskies Lacrosse is committed to creating worthwhile experiences for any Reno High School student interested in competing in lacrosse. Our goal is to provide an athletic experience that meets or exceeds what students enjoy when lettering in a sanctioned sport at Reno High School.

Thank you for reviewing our sponsorship opportunities.

SPONSORSHIP OPPORTUNITIES

Revenue raised from advertisement sales will support team uniforms, equipment, officiating, field maintenance and more.

Sign Sponsor Options

For a donation of **\$1000** or more, *Signs by Tomorrow* will produce an impressive 8' x 4' sign featuring your logo or message. Signs will be proudly displayed on the fields for the entire Spring season.

For a donation of **\$350**, *Sings by Tomorrow* will produce a 4' x 4' sign featuring your logo or message, also displayed for the entire Spring season.

* If you are a member of RHS Alumni, we will include your name and class year:

Name _____ Year _____

Player Sponsorship Gift \$_____

Your gift of any amount will help a player who would otherwise be unable to afford to play lacrosse this season. Your gift will serve to offset player dues, equipment, and league fees. (Typical player expenses range from \$500 - \$800).

Please complete the following:

Name _____

Sponsorship type _____ Amount \$_____

Company Name / Message
