

## The Granddaddy of King Mackerel Tournaments – October 3-5

**F**orty six years ago a small group of community leaders met and decided that they needed an event to showcase the great fall fishing Southport-Oak Island area has to offer. The prizes and expenses for the first tournament were guaranteed by those community leaders signing a promissory note at a local financial institution - thus the U.S. Open King Mackerel Tournament was born. The U.S. Open King Mackerel Tournament now attracts over 400 boats of all sizes annually and is held in high esteem by the community and anglers.

### 2024 Tournament Dates

## Cool Things In Brunswick County This Fall *by Joanne Thompson*

As the weather thankfully cools down, events in Brunswick County begin to heat up. Locals are starting to get back to a quieter beach lifestyle and return to the comfort of routine.

Super exciting news finds film crews readying **Fishy Fishy** restaurant in Southport for filming *The Waterfront* for Netflix. Workers are transforming the restaurant. A casting call for locals promises that we will see hometown folks in roles in the film. Cameras will be rolling from September to December... more news to come.

**Southport Police Department** is moving to new location at 1669 N Howe Street out of their City Hall location to better serve the public.

**Cape Fear Radio**, a not-for-profit, accessed by internet streaming, debuted and is gaining listeners to its music and hosted broadcasts. Listeners are catching music and local hosts presenting programs with a local appeal. If you haven't tried it, do.

Congratulations on the success of the **Shower Campaign** fund raising held by **Streetreach Ministry** headquartered in Shallotte. Showers have been ordered. **Streetreach Ministry** will be expanding services to include 2-stall mobile showers, providing individuals experiencing homelessness with the dignity and respect they deserve. They thank all for unwavering love, support and belief in their mission to serve the homeless. Updates coming in September.

**Coastal Carolina Outreach**, a non-profit helping teens unplug and reconnect, is headquartered in Ash, but serves the Shallotte area youth with classes from photography to chess to crafts and even a book club. Contact them at [coastalcarolinaoutreach@gmail.com](mailto:coastalcarolinaoutreach@gmail.com).

In the Oak Island Southport area, businesses like **Moore's Hot Dogs** and **Beach Rd. Pizza**, have closed. But, **Hobby Lobby** is racing to open in time for the holidays in the old Food Lion Plaza on Long Beach Rd. and its neighbor a new **Dollar Tree** is expected to open late September.

In Sunset Beach, the **Boat Landing Restaurant** on Sunset Blvd. has

closed much to the disappointment of many. But Chef Ryan hopes to re-open; stay tuned.

Great news though, is the grand opening of the newest **San Felipe**. San Felipe has been serving wonderful Mexican dishes to the Southport community for more than 23 years. It is located in a beautiful newly built standalone building in the **Southport Crossing Way Plaza**. As always, a fantastic new Mexican food and drink menu will be served. There is a lovely outdoor patio for alfresco dining and plans for live music nights.

In the same plaza **Chuck's Homemade Ice Cream** not only makes ice cream and ice cream creations, but hand dipped candies and other confections. They are gearing up for Halloween and the holidays to follow. Stop in and treat yourself or someone you love.

Remember **Thai Peppers**, a long-time favorite in Southport? It is due to open in the winter near the **Lowe's Food** there. Many a local is excited about its return.

And speaking of **Lowe's Food**, if you haven't visited the wine and beer center there for a tasting you are missing out. Sometimes you can even find live music. Take your growler to be filled and ask for Manager Jeff, recognized **Beer Den Master**.

**Coastal Blue Gift Shoppe**, 717 N Howe St. Southport, is a charming shop specializing in personalized gifts for weddings, births, housewarmings, etc. and has a beautifully appointed room available for gatherings and classes. Drop in and meet the owner, she is warm, knowledge, and ready to help you.

**The Southport Cheese Shop**, partners with **Coastal Blue Gift Shoppe** and is going to partner with **The Wine Rack**, providing specialized charcuterie boards and gift basket items. New owner, Nichole, has made some wonderful changes to Southport Cheese, not just in the varieties of cheese, but high-end specialty steaks and sliced meats. You will also never be disappointed in the freshly baked breads and creative sandwiches available. Oh, and do not forget to try the scones...to die for! This cooperation and support among small businesses is what is so indicative of the Southport spirit! Love it!

Cooperation is also found among **The Shoppes of Southport** located off of Howe St. behind the **Smokehouse**. If you have not discovered these quaint small businesses that make you feel like you are part of this community, you are missing out. **Feltz General Store** emphasizes olde time things from preserves to hand made toys with a wholesome family flair. **Needful Things** is a delightful book shop showcasing local authors and books set in this locale and hosts frequent author book signings. In the village, **The Hive**, a darling little shop; is a treasure trove of unique fashions to be discovered.

**The Shoppes on Upper Howe** cooperate too to share their wares. Whether looking for a great meal from **StrEATside Bistro** or a creative cocktail or craft beer at **Loco Jo's** or searching for hard-to-find household items at **Cat on a Whisk** or looking for that special piece of jewelry from **Renee's Fine Jewelry** or taking an art class at the **Curious Mermaid**; this friendly group of small businesses work together.

If you are a vegan or just in love with fun eclectic fare, **Cafe Koa** is THE place for you. Upcoming events at **Cafe Koa** in Southport will include their **2nd Annual Mrs. Roper Romp Brunch**. Featuring **Caftans and Cocktails** on Saturday October 12th from 10-2pm. Calling all Helen's to break out caftans and wigs and join others at Cafe Koa for a groovy good time. Cafe Koa is launching a new **Margarita Market** with a two-day street food inspired **Fiesta**. On November 1st. the menu

will feature a **Day of the Vegan** vibe and of course amazing vegan desserts. Saturday November 2nd the **Fiesta** will include pitcher margaritas, tasty bites, local art and more.

New in Shallotte, is **Pigs Up In Smoke**. They closed their Calabash location and relocated to Shallotte Station Shopping Center, across from the DMV. They collaborate with Thai and Wine Restaurant on Oak Island. They bring their BBQ smoked assortment of meats as well as real old fashioned made from scratch homemade veggies and sides. They can provide catered dishes for parties.

*People's Choice Winner for Best Nail Salon*

Don't forget the fall festivals throughout Brunswick County, especially the **US King Mackerel Tournament** and the **NC Oyster Festival**. Join in the celebration of Halloween with the **Annual Witches Ride** on bikes on Oak Island and in Southport and catch the **Stede Bonnet Regatta**. There's lots to enjoy about every season in Brunswick County. And, as always, shop Local support your local small business owners...they support You!

## Military Ocean Terminal Sunny Point

**M**ilitary Ocean Terminal Sunny Point (MOTSU) is one of the largest military terminals in the world. It serves as a transfer point between rail, trucks, and ships for the import and export of weapons, ammunition, explosives and military equipment for the United States Army and is operated by the 596th Transportation Brigade.

The terminal lies between the small town of Boiling Spring Lakes, North Carolina, and the Cape Fear River a few miles upstream of Fort Johnston (North Carolina) and the small city of Southport, North Carolina.

Built in 1951 and opened in 1955, the facility is situated on an Army-owned 8,500-acre (34 km<sup>2</sup>) site on the banks of the Cape Fear River in Brunswick and New Hanover

counties of North Carolina approximately 16 miles (26 km) south of Wilmington, North Carolina. An additional 2,100 acres (8.5 km<sup>2</sup>) was set aside on Pleasure Island (location of Carolina, Kure, and Fort Fisher beaches) as a buffer zone around the facility.

The terminal is not an open port

and access is restricted. The wharfs are also restricted and not accessible to the public (no landing or docking). The Cape Fear River directly

in front of the wharfs is restricted and non-military traffic is restricted to transit only (no anchoring).

#### **Carolina Blues: Indigo on the Cape Fear**

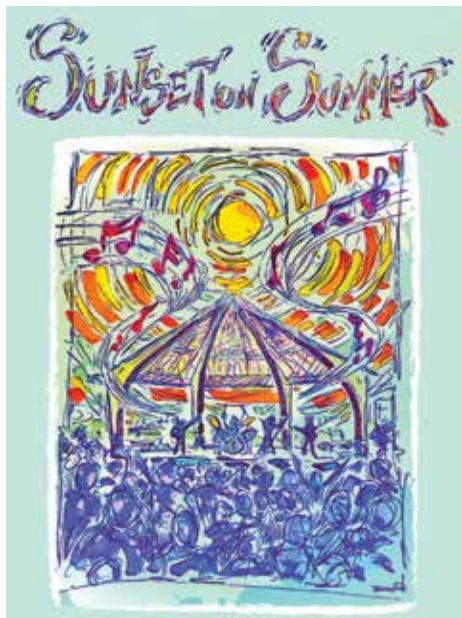

3pm | Brunswick Town/Fort Anderson | 8884 Saint Philips Rd SE

Don't be blue - we have lots of indigo for you! This subtropical plant was an incredibly important commodity in the Carolinas of the 18th century. In conjunction with the North Carolina Maritime Museum at Southport, we will be exploring the process used by skilled enslaved African labor to extract this valuable dye from the indigo plants - and delve into the science behind dye production. Visitors will have a chance to view and work an active fermentation vat, and dyeing demonstrations will occur throughout the course of the program. T-shirts will also be available for purchase for visitors to try their hand at resist dyeing.

## The Stretch Mobility Program Bridges the Healthcare Gap!

Healthcare typically focuses on treating pain and symptoms, while the health and wellness industry aims to create long-term health. However, there is often a gap between these two approaches that leaves patients struggling with pain and tightness without addressing the root cause of their issues.

On one side, you can see a doctor or surgeon to alleviate pain. On the other side, a personal trainer or massage therapist can assist with health and wellness. But in the middle, it's crucial to address the underlying issues to ensure that the pain relief is lasting and that health and wellness efforts are effective in the long term.

The Stretch Mobility Coach Southport bridges this gap by addressing

these underlying issues, guiding individuals on a successful path towards both pain relief and long-term health and wellness.

To begin your pain free journey and live a life without limits call/text today to schedule your introductory visit.

Call or text 614-560-3015.

Said Lynda Stanley, Doshier President and CEO, "For many, the ride on the Doshier Courtesy Shuttle to the entrance of our hospital marks the beginning of the extraordinary care we aim to provide every patient. We are grateful to have a friendly and committed group of

volunteers who provide this important service to our community."

The Doshier Volunteer Organization is an independent group of women and men formed in 1972, whose goal is to make the hospital experience as pleasant as possible for patients and their families. ## Penny Wars to Benefit Local Oak Island Non-Profit Organizations

**T**he next Penny War opportunity is just around the corner! "Penny Wars" is a friendly competition where community members and visitors contribute coins to jars representing different local nonprofits. This engaging event not only raises funds but also increases awareness about the impactful work these organizations do for Oak Island.

As part of the Calendar of Events celebrating the Oak Island's 25th Anniversary, the Town Council has each selected a nonprofit to champion during this event.

### Benefitting Organizations:

Sea Turtle Protection Program

Oak Island Angels

Beach Preservation Society

Matthew's Ministry

Seabiscuit Wildlife Shelter

The next Penny War event will be held at the Medallion Hunt September 9-19. Staff will be setup and set up to take pennies!

Pennies and points will continue to be collected until December 7 at the following events:

**Medallion Hunt:** September 9 - 19 (see adjacent info)

**Fire Truck Pull:** October 12 | 5:00pm | Middleton Park

**Disc Golf Tournament:** November 2 | 11:00am | Bill Smith park

**Christmas By The Sea Parade:** December 7 | 2:00pm

Thank you for your continued support in making these events a success. To view the full 25th Anniversary Calendar of Event, just visit the 25th Anniversary page at [OakIslandNC.gov/25YEARS](http://OakIslandNC.gov/25YEARS)

### How the Hunt Works

**1. Daily Puzzle Release:** Every morning of the event, a new puzzle will be posted on this page and the Town of Oak Island Facebook page. The answer to the puzzle will be the name of a business in the Town of Oak Island.

**2. Find the Clue:** Once you solve the puzzle and identify the business, head over to that location. At the business, you will find a clue that will lead you closer to the medallion's hiding spot. Keep an eye out ~ this clue is vital to your success in the hunt!

**3. Search for the Medallion:** Using the daily clues, search for the medallion hidden somewhere in the Town of Oak Island. The first person to find it wins a special prize and the glory of being the champion of the hunt!

**4. The Hunt Continues:** The hunt will continue daily until someone successfully finds the medallion. Each day, new puzzles and clues will bring you closer to the final location, so be sure to participate every day to maximize your chances.

The medallion hunt is open to all individuals of all ages. Minors must be accompanied by a parent or guardian during participation. Participation is free, and no purchase is necessary.

## Best Seats Around for the Stede Bonnet Pirate Regatta.

Join us on a beautiful autumn afternoon as Provision Company™ in Southport hosts the premier sailing event of the Lower Cape Fear River.

The event is November 2nd. There will be a Captains Meeting: 10am, with race starting at 1pm. For race information contact: [jamie@madriverdesigns.com](mailto:jamie@madriverdesigns.com) or 910-457-0654

Named after the 18th century "Gentleman Pirate" that moored his vessel the royal James on the nearby

Cape Fear River, the regatta is an annual sailboat race and pirate festival that coincides with Halloween.

Dressed in pirate regalia, the crews of each vessel hoist their pirate flag firing water cannons and water pistols. Captain and crew jockey for position in a mock battle to create an exciting start for all spectators. Following the race an awards ceremony and party featuring food drinks and live entertainment is fun for all starting at 6pm at Provision Co.

## Visitor Spending in Brunswick County Increases by 7.5 Percent to \$1.17 Billion

**D**omestic and international visitors in Brunswick County spent \$1.17 billion in 2023, an increase of 7.5 percent from 2022. Brunswick County ranked No. 6 among the North Carolina's 100 counties in visitor spending in 2023. This data comes from an annual study commissioned by Visit North Carolina, a unit of the Economic Development Partnership of North Carolina.

"We're pleased to announce the continued growth in the economic impact of visitor spending in Brunswick County. The data released by Visit North Carolina highlights just how important tourism is to the county's economy," stated Whitney Sauls, chairperson of the Brunswick County Tourism Development Authority. "The money visitors spend in our county helps to support small businesses, creates jobs, and generates funds for beach renourishment."

### Brunswick County tourism impact highlights for 2023:

- The travel and tourism industry directly employed more than 5,595 people in Brunswick County, up 6 percent from 2022.
- Total payroll directly generated by the tourism industry in Brunswick County was \$230.5 million, up 8 percent from 2022.
- State tax revenue generated in Brunswick County totaled \$35.5 through state sales and excise taxes, and taxes on personal and corporate income. About \$48.4 in local taxes were generated from occupancy, sales and property tax revenue from travel-generated and travel-supported businesses.

These statistics come from the "Economic Impact of Travel on North Carolina Counties 2023," which can be accessed at partners.visitnc.com/economic-impact-studies. The study was prepared for Visit North Carolina by Tourism Eco-

nomics.

Statewide, visitor spending in 2023 rose 6.9 percent to reach a record \$35.6 billion. Direct tourism employment increased 4.8 percent to 227,224.

"The new study underscores the importance of tourism to every county in North Carolina," said Wit Tuttell, executive director of Visit NC. "There's a lot of competition for travelers' time and money, and we owe our success to everything from the state's scenic beauty and outdoor adventure to our mix of tradition and innovation and our welcoming spirit. Those qualities might be hard to measure, but we can follow the trail to a measurable impact on our workforce, our businesses and our tax base. We look forward to continued success."
