

## 43rd Anniversary U.S. Open King Mackerel Tournament

The 43rd Annual U.S. Open King Mackerel Tournament is right around the corner.

This year's tournament will be September 30th - October 2nd at Brunswick County's Dutchman Creek Park. The U.S. Open is one of the largest king mackerel tournaments on the East Coast of the United States and part of the SKA (Southern Kingfish Association) Tournament Trail. In 2020, the tournament attracted 521 boats and paid out over \$359,775. The Tournament has an all cash guaranteed prize structure that is not based on participation numbers. It pays 55 places in its primary prize category including \$25,000 for the largest king mackerel. There are also thirty-six sponsors such as the Grand Patron sponsors, BEMC, Curtis Stokes & Associates, Dutchman Creek Bait & Tackle, Garmin, Hamilton Realty Group EXP Realty and Mosquito Joe of Southeastern NC with 27 more who add supplementary cash prizes to the event.

Two notable prizes include the Daily Aggregate Weight Prizes, Senior Angler and Junior Angler Awards. The Daily Aggregate Weight Prizes are sponsored by Sea/Tow and Doshier Memorial Hospital. Each day a \$1,000 Aggregate Prize will be given to the boat that catches the most poundage from combining the weights from two or three fish. The Aggregate Prize will be part of the Primary Prize Category.

The tournament organizers, the Southport-Oak Island Area Chamber of Commerce recently announced its location change from the Southport Marina. The Southport Marina is open (fuel and transient docks have opened) but dock reconstruction continues from damage sustained during Hurricane Isaias in 2020. The marina may be fully restored soon but it will not be

ready to host this year's tournament. The tournament hopes to return to Southport Marina in 2022.

# Whew! We Made It!

By Joanne Thompson

**W**ell, it was one hot summer with plenty of visitors to our Brunswick beaches. Our small businesses did an outstanding job trying to meet the needs of all while being understaffed. Everyone's patience and support was appreciated. Hats off to owners and staff who gave it their all to serve us all! Now life starts to return to whatever normal is again and there are plenty of things going on around the area.

There's good and bad business news that comes along with change. Some changes due to COVID; some due to the nature of business.

First some good news.

On Oak Island, **Jones' Seafood House**, a much loved sentimental favorite, has changed hands. **Julie and Steve Wishon** are the new owners and have renovated the kitchen and dining room. They still offer tasty seafood entrees and other specials. A great addition is the really fun bar area **Davy Jones' Pub**; complete with pirate decor and a neat outdoor patio deck area. There will be six large TV screens perfect for watching sports. Julie is planning for wings and brews specials for football season. Monday night is Elks' Night welcoming members, especially since the Elks' Club is closed. This spot is already becoming a local favorite.

The new **49th Street Patio Bar and Grill** is working furiously to be ready to open by October. It too will feature TVs and plenty of parking; as well as an outdoor fenced in patio that has an air of privacy. Keep on the lookout for the opening.

Speaking of opening, **Paul's OKI**, 5419 E Oak Island Dr., a craft beer store, restaurant and sports bar is finally opening much to the delight of all who have been anticipating this addition to Oak Island. **Rob Morton**, owner, said "I do not know who is more excited - me or just about everyone I talk to around."

**Sun Dogs**, 8620 E Oak Island Dr., has changed hands and is now called **Second Wind Sports Bar**. Open from 4 pm til 12 am the owners "strive to be a local hangout that

visitors can also enjoy. Open a little later, so you can catch your Second Wind."

People have noticed work going on at the property next to **Castucci's** on Long Beach Rd. They are working to create another sister restaurant close by that promises fantastic food choices of the same quality and creativity that has come to mark Castucci's.

Big news, after many years **Candace and Jamie Hobbs**, owners of the **Grape & Ale** on Oak Island, are retiring. They have always been responsible for fun and wine and beer appreciation among a friendly group of locals who attend wine and beer tastings, as well as special events. They are quick to say "We are not leaving, so you will see us around when we are not traveling or visiting family in Colorado". Thanks for all the good times!!

New Owners, **Joe and Des Yeager**, moved here from California two years ago and joined the **Grape & Ale** wine club and beer club. They bring winery experience and expertise to this new venture. For them California dreamin' has become Oak Island dreamin' and they are excited to make a happy place for locals and visitors alike. We spent half of our life on the west coast and now we are excited to spend the next half enjoying the east coast!" Drop by and meet them. Taste a little wine or beer and join the Grape & Ale beer or wine club.

**The Carolina Crab Brewing Company** has not even broken ground along Long Beach Rd. and already has signs up that it is coming. No information on when the work will begin and what a target date to open is.

**Solar Brewing** on Oak Island is under construction and hopes to open in the Fall, but no hard date yet.

In Southport at 511 N Howe St., **Cape Side Brewing** also is proposing to come to town. Demolition is scheduled for January, 2022. Word has it the **Oak Island Lighthouse** will be on the brewery's bottles.

**Loco Jo's** in Southport changed

hands, but has kept its Asian flair with dishes and is open for lunch and dinner. They have plenty of craft beer on tap as well.

Shallotte has opened a beautiful, state of the art **ABC Store** and construction is moving along quickly on a new one for Southport. Cheers to both!!

In Leland, **M & K's Soul Food Kitchen** has opened at 403 Village Rd. 910-833-8030, serving ... you guessed it... real Southern, down home cooking, like mac and cheese. Eat in or get it to go!

The **Shuckin Oyster Bar** in Leland has been featuring 1 1/2 lb. lobster dinners, steampots and low-country boils.

**Macie & Ethel's Kitchen** on the causeway at Holden Beach with handwritten recipes on the menu and family photos decorating the walls opened with good food, warm, homey atmosphere, and a touch of nostalgia. Open 7 days a week for breakfast, lunch, and dinner, the menu is decidedly Southern comfort food using recipes passed down for generations. Sunday brunch is not to

be missed. You know the food will be great because the owners also own **Angelo's Bistro** in Shallotte and **Maria's Pizzeria** at Ocean Isle Beach. Give **Macie & Ethel's** a try. You will be delighted.

Now, for a little bad news. **J.P.'s Smoothies** in Calabash has closed. On Oak Island a few restaurants of long standing are up for sale: **Oak Island Restaurant**, **Russell's**, **Feathered Nest**, and **Fifty-Fifth Street**. We are all hoping new ones open soon so selfishly we can support them. Leland saw the close of **Eternal Sunshine Cafe**, but the original restaurant is still open in Wilmington.

If you are aware of any new businesses anywhere in Brunswick County feel free to contact us and share your info. You will get credit for being "in the know" if you beat anyone else with the news. Email [jthompsonandco@yahoo.com](mailto:jthompsonandco@yahoo.com).

Enjoy the fall weather and remember to

We are blown away by the generosity of Jane-Marie Terefencko. Jane-Marie celebrated her 70th birthday by asking her friends and family to support Brunswick Electric's Warm Homes, Warm Hearts utility assistance program.

Together they raised \$13,215, which was matched by Brunswick Electric, providing \$26,430 to help

## Congratulations New DARE Officers!

Congratulations to Sgt. Rebecca Allen, Deputy Saxon Owens, and Deputy Ashley Williams for completing their two week DARE Officer Instructor School at Elon University! This is a very intense training, but the opportunity to teach 5th graders about the dangers of drugs and alcohol, the importance of respecting others, and all the other wonderful things DARE teaches, is so well worth it!

## Congratulations to the Graduates of the BCSO 28th AND 29th Citizens' Academy!

On July 28, participants in BOTH classes were recognized at a ceremony held at Odell Williamson Auditorium/ Brunswick Community College. This was a particularly special time as these were the first classes we welcomed back since COVID-19. Because of so many on the wait list, we opted to hold two classes per week. The folks in each of the classes were fantastic and we so enjoyed our time with them. Sheriff John W. Ingram was on hand to offer his heartfelt congratulations and thanked all for taking time to participate in the class to learn more about their Sheriff's Office.

The Citizens' Academy class is a prerequisite for joining the BCSO Volunteers Program and we understand that nearly half of the participants in each class have already

signed up with more to follow! This is outstanding!

Special thanks to our awesome IMPACT Unit who facilitate the class, the speakers and presenters from all the different divisions of the Sheriff's Office, special presenters including the Honorable Judge Ashley Gore, Resident Superior Court Judge Jason Disbrow, staff with Assistant District Attorney's Office, and to District Attorney Jon David for serving as guest speaker at the graduation.

Once again, Congratulations! to each and every one of the 28th and 29th Citizens' Academy graduates!

## Southport Wooden Boat Show to be Held November 6

**T**he 12th Anniversary of the Annual Southport Wooden Boat Show will be held on Saturday, November 6th, 2021, in & around the historic Old Yacht Basin in Southport, from 10 am until 4:00 pm.

The In-Water event will end at 3:30 p.m. for the Awards Ceremony at 4:00 p.m. at the corner of Caswell & Moore Streets in front of the SWBS Sponsor Board. Our tradition continues with boats On-Land and In-Water, with visitors able to meet and talk with wooden boat makers and owners, and to vote for their favorite boat entrant in the People's Choice Award. With nautical & maritime demonstrations planned along the waterfront, and more vendors expected at this year's show, we're anticipating an even bigger show than last year.

Children Activities will return to this year's show under the tutelage of the NC Maritime Museum of Southport's Nauti-Kids program. The little sailors will be able to build their own boats and test their sea-worthiness, learn rope making, learn to sail in a static display and learn from exhibits by the North Carolina Aquarium and The Ft Fisher Underwater Archeology Branch as part of the day's activities.

## Catalytic Converter Thefts are Up

BOLIVIA 910-253-2777  
NC 800-672-6379  
FAX 910-253-2705

**D**etectives with the Brunswick County Sheriff's Office, along with many other areas across the state and nation, have seen an increase in the larceny of catalytic converters.

What is a catalytic converter?

Catalytic converters are located in the exhaust system of a vehicle between the engine and the muffler, and they are one of the last lines of defense against air pollution from vehicles. They use ceramic-coded beads and various precious metals (the catalysts) to convert pollutants like unburned gas and nitrogen oxide into harmless gases, according to cars.com. Thieves target catalytic converters because they contain precious metals, like platinum, palladium or rhodium that are valuable to metal dealers.

How can I protect my vehicle's catalytic converter?

Detectives suggest several deterrents for protecting catalytic converters.

- park in a garage if possible
- park in a well-lit area
- install a camera system at your

home or business (make sure camera is operational, make sure the vehicle and surrounding areas are in view of the camera)

- consider having your catalytic converter welded to the vehicle's frame (contact a professional)
- consider a catalytic converter lock or "cat lock"
- engrave the VIN or owner applied number (OAN) on the catalytic converter, or paint it a bright color (contact a professional)
- register your catalytic converter

Catalytic Converters can be registered on the BCSO website at <https://www.brunswicksheriff.com/resources/ccr>.

If you have any information regarding catalytic converter theft, please contact the Sheriff's Office at 910-253-2777 or you can submit an anonymous tip through our website: <https://www.brunswicksheriff.com/contact/submit-tip>

## Stede Bonnett Pirate Regatta

### Saturday October 30 | 1:00 pm - 11:00 pm

The regatta, named after the 18th century Gentleman Pirate that moored vessels in the nearby Cape Fear River, is an annual event that celebrates the end of a busy tourist season with a sail boat race in the early afternoon followed by an evening awards ceremony and live music at Provision Company in the Old Yacht Basin of Southport.

The premier sailing event of the lower Cape Fear, the Stede Bonnet Pirate Regatta has become a Southport classic.

The crews of each vessel dress in pirate regalia and pass the time before the start of the race by shooting streams of water from water cannons and water pistols at competing boats.

Held by the Provision Company, the race will be at 1:00 p.m. followed

by a party at 5:00 p.m. There will be great food, drinks, live music by Key Lime Pie, and lots of pirates and wenches! Come dressed in your best Pirate costume!

See you there matey, Arrrrrrgh!

The race is free admission, \$5 party entry

## “Are You OK?” Service

### A Program of Brunswick County Sheriff’s Office

The “Are you OK?” Service is a FREE telephone reassurance service designed to enhance the quality of life for older adults, or adults with disabilities, who live alone or who are at risk of sudden illness, falls, accidents, and/or social isolation.

It is important to note that “Are You OK?” is not intended to take the place of Lifeline, Lifephone, or any other service that one might currently be utilizing. In fact, we urge people to use those services in addition to “Are You Okay?”.

#### Service Registration

Anyone interested in signing up for “Are You OK?” is asked to fill out a short form which includes personal, medical and other information which law enforcement may need in the event of an emergency. It is also required that subscribers provide at least two people (such as a relative or neighbor) that possess keys to their residence in the event that law enforcement officers need to enter the residence to check on the subscriber.

#### How The Service Works

The “Are You OK?” system makes daily computer generated calls to subscribers at their pre-determined time each day, seven days a week, 365 days a year. If the subscriber is okay, they simply hang up the phone after hearing the pre-recorded message. The computer assumes the subscriber is okay if they answer the telephone.

If the subscriber does not answer the phone, it will alert the Sheriff’s Office and someone will try to make contact with that person or key holder to check on the subscriber. If they cannot make contact, a law enforcement officer will be dispatched to their residence.

All information will be kept confidential and secure at the Brunswick County Sheriff’s Office. A waiver of liability is also required to be completed and signed.
