And Suddenly It Is Summer! by Joanne Thompson

The cold of winter finally has left us, and spring is dissolving into summer. Spring breaks are over, and Brunswick County is gearing up for the arrival of tourists. Road construction and housing development is fully engaged. Restaurants and stores are preparing for the influx as well. Let's all remember to be patient with each other: with servers where we dine; with auto and golf cart drivers; with cashiers and grocery baggers; to name a few. We are in paradise. Take a deep breath and relax. Enjoy!

There's plenty to enjoy throughout Brunswick County. Some new businesses to visit and changes to old favorites.

A recent Coastal Living Magazine listed **Oak Island** in the top **10 Best Beach Towns**. Pretty great. Congratulations!

There's a new plumber in the Southport-Oak Island area. **Labonte Plumbing**, located across from the airport, promises professional on time service with years of experience. Give them a call at 910-363-4067.

The Salty Olive opened in Southport near the police station and Walmart. The owners are very knowl-

edgeable. They offer quite an array of cool culinary choices, capitalizing on the benefits and subtleties of olive oils and balsamic vinegars. Sample and compare to decide what tickles your tongue. Fill a bottle or two with your choice. Wake up your salads and dishes with a burst of olive oil enhanced flavor. You can find clever and unique foodie choices for yourself and gifts for others who share your passion for tasting life. A favorite of mine is a food crayon. It is way kool as they say and will have your dinner guests talking.

The **Fish Factory Restaurant and Bar** a small intimate dining experience, will be open in time for summer, Tues. - Thurs. 11:30 - 9pm. It will offer quick lunch

service to eat in, take out or bring to your boat or beach. Gluten free and vegan will be available.

McAllister's sandwich shop is opening at 1109 New Pointe Blvd. in Leland near the Fuzzy Peach and Wal-

mart.

Back Home Butcher is about to open in the space formerly occupied by **Southport Suzie's** in the River Run Shopping Center off

Long Beach Road. Plaza. It will carry Certified Angus Beef, NC Cheshire Pork, as well as NC Joyce Farms Poulet Rouge Chicken and Naked Chicken. Wow! People are excited about locally sourced meat! Restaurant owners are excited as well.

Swain's on Oak Island is sporting a new paint job, a rather classy grey and black.

If you are looking for something fun to do to liven up your midweek doldrums, head on down to **Ports of Call** in Southport for hump day soiree for \$7 wines and craft cocktails like Raspberry Mezcal Margarita, Chocolate Old Fashioned, even a smoked Bees Knees and much more. Live music and tapas specials round out a perfect night out!

Southern inspired **Fixin's** on Oak Island has not only become a favorite spot for locals for farm fresh NC sourced menu specials but also offers classes by Chef Rick. Check out the website. If you are looking for

the best tomato pie you have ever had it is rumored that **Fixin's** is where you find it!

Cafe Koa in Southport also has a completely re-done inside as well as a fantastic new mural on their facade.

The **Second Annual Jimmy Buffet Island Tour** on Oak Island is on May 3rd and starts at the Grape & Ale with Margaritas specials and live music by Kenny Reeves.

Southport Sourdough, 706 North Howe St. is gaining quite a following of customers and selling out quickly freshly made and baked breads. Drop by and pick up some.

Mother's Day, graduations, and weddings mark May and June.

Here's a suggestion for shopping local... get your sourdough bread from **Southport Sourdough** and then select a cheese or two from the **Southport Cheese Shoppe's** charcuterie array, choose some fruity olive oil and olives from **The Salty Olive** and try a special wine from **The Grape & Ale**. Finish off with a dessert from Burney's. Experience our local shops at their best!

Dosher Receives 2024 Press Ganey Human Experience Guardian of Excellence Award®

Dosher Memorial Hospital today announced that it has been named a 2024 Human Experience (HX) Guardian of Excellence Award® winner by Press Ganey, the global leader in healthcare experience solutions and services. This award is part of Press Ganey's annual ranking of the top hospitals and health systems in the country, according to performance in patient experience, for both their recent 5-star HCAHPS (Hospital Consumer Assessment of Healthcare Providers and Systems) score and inpatient care.

As a winner of the Press Ganey HX Guardian of Excellence Award®, Dosher is in the top 5% of healthcare providers in delivering patient experience in the last year. The referenced HCAHPS Star Rating is based on surveys from patients who were discharged between January 2023 and December 2023 and was included in public reporting in October, 2024. The surveys contained 22 questions related to patient care, including responsiveness of hospital staff, communication with doctors and nurses, cleanliness of hospital environment, and communication about medication. Dosher is one of eight hospitals in North Carolina who publicly report data to the Centers for Medicare and Medicaid Services (CMS), and one of 295 hospitals out of 3,207 in the United States who publicly report data, who achieved this 5-star rating during the reporting period.

Said Dosher President and CEO

Lynda Stanley, "This award represents an important recognition in a skilled and dedicated staff who supports a culture of quality, safety, and overall excellence, and who fully understand that these factors are what create excellent outcomes as well as five-star patient experiences. We are grateful for our team on the Dosher Patient Care Unit for delivering extraordinary inpatient care to every patient, every day."

"Dosher is setting the standard for excellence in patient experience," said Patrick T. Ryan, CEO and Chairman at Press Ganey. "They are leading the way by turning words into action and creating a culture where every interaction is an opportunity to make a positive impact. It's clear they're committed to making a difference."

Dosher, who is in the first phase of their 7-year Master Facility Plan, looks forward to enhancing their 5-star patient experience through the expansion of clinical areas and provider offices to support the health and wellbeing of the community for years to come. Their new Emergency Department, which will double the space they currently have for emergency care and will include vertical care chairs to optimize workflow for lower acuity patients, is set for completion by the end of 2025. "We are excited for these infrastructure upgrades and how they will support our team in providing the high level of care that our community counts on," said Stanley. To learn more about Dosher go to [Dosher.org](https://www.dosher.org).

Southport Plein Air Festival

Mark your calendars for May 13, 2025, when one of Southport's most treasured events will be held, the Southport Plein Air festival.

This annual event, hosted by Up Your Arts and the City of Southport, is a favorite amongst artists from near and far and is open to all talent levels. Last year more than 90 artists participated in this 3 day event.

Plein Air, a French term for 'in the open air' means the public will have the opportunity to observe the artists painting outdoors all day Thursday and Friday, and Saturday morning. Southport is enriched with many scenic painting locations which makes this a favorite spot amongst the artists. Popular painting locations include the Cape Fear River, Southport's historic buildings, impressive live oak trees, and the waterfront with its colorful buildings, serene salt marshes, marinas, and wildlife. The public is encouraged to take a stroll around town and to interact with the artists as they have repeatedly expressed how much they enjoy Southport's hospitality.

Two receptions will be held to welcome the artists to Southport and give them an opportunity to meet and interact with their fellow artists. Haven of Southport, 307 N. Howe Street, will host them on Thursday, May 1, from 4-6pm. This happy hour event is open to the public. On Friday, May 2, a private event will be held for the artist at Frying Pan, 319 West Bay Street.

On Saturday, May 3rd, beginning

at 10am music and festivities will be held in Franklin Square Park. The day will start with the ever popular Kids Plein Air, where children can try their hand at painting. There will also be a variety of other art forms that will be demonstrated by local artisans and all members of the public are invited to participate and try something new free of charge thanks to the generosity of grants from the North Carolina arts council, via Brunswick Art Council.

At 3pm guests will be asked to leave Franklin Square Park for one hour while the artists set up for the much anticipated wet paint sale. At 4pm guests will be invited to return to the park to view and purchase the paintings the artists created during the 3-day festival.

Following the sale, a panel of judges comprised of selected local artists, will present awards for their favorite paintings. The premier award, the People's Choice Award, is selected by the public. The People's Choice Award recipient has the honor of having their work featured on T-shirts and other graphics promoting the 2026 Plein Air festival.

A raffle will be held for two paintings created and donated by last year's People Choice winner, Denise Nelson. Tickets will be available at the event all day Saturday. The raffle for the paintings will be held at 6pm following the awards ceremony. The winner does not need to be present to win.

A Message from Sheriff Brian Chism: Don't Fall for the Scam Calls

Brunswick County Residents,

I want to take a moment to personally warn you about a growing issue we're seeing across our county—scam calls targeting good, honest people like you.

These scammers are clever. They're posing as members of law enforcement, even using real names and spoofing our phone numbers to make their calls look official. One of the most common tricks right now is the jury duty scam. They'll call you and claim you missed jury duty and that there's a warrant out for your arrest. Then they'll demand money to "clear it up."

Let me be very clear:

No one from the Brunswick County Sheriff's Office will ever call you and demand payment over the phone.

We don't ask for gift cards, prepaid debit cards, or anything of the sort. If you actually missed jury duty—or have any other legal issue—you'll be notified properly through the mail, not through a threatening phone call.

These scammers are trying to create panic. They want you to act quickly and emotionally. I want you to do the opposite. Hang up. Take a breath. Then call us directly at (910) 253-2777. We'll tell you the truth.

Here are a few more tips to help protect yourself and your loved ones:

- Never give out personal or financial information over the phone.
- Be suspicious of anyone asking for payment through gift cards, Venmo, or wire transfers.
- Don't click links in random texts or emails claiming unpaid tolls or tax debts.
- If you're unsure—call us. We'd much rather double-check some thing for you than see you get taken advantage of.
- Download the BCSO mobile app and follow us on social media. We put out alerts about scams on a regular basis.

Sheriff Brian Chism

We're also seeing scams involving fake tax notices, toll road messages, online romance cons, and even packages showing up at your door you didn't order. If something feels off, trust your gut.

It's heartbreaking to see people lose their hard-earned money because of these criminals. That's why I'm asking you to help spread the word—talk to your neighbors, your parents, your kids.

Awareness is one of our strongest defenses.

As your sheriff, protecting you is my top priority—on the street and online. And we're in this together.

Have You Downloaded the BCSO Mobile App?

The Brunswick County Sheriff's Office mobile app is the best way to stay informed about important updates from our office — including scam alerts, safety and traffic notifications, and other critical information we regularly push out to our community.

- Stay ahead of the latest scams
- Get important alerts right to

- your phone
- Access resources and contact information with ease

New Hope Clinic's Wellness Wagon and Care-A-Van Greatly Expand Their Range

For 27 years New Hope Clinic, has never wavered in its mission and passion: "To provide patient-centered healthcare and wellness services for underserved adults in Brunswick County."

Over the years they have continually expanded their services and patient base, and once again they are on the move — but this time, literally.

New Hope Clinic (NHC) recently purchased a 28-foot van and transformed it into a clinic on wheels, appropriately called The Wellness Wagon. Then they bought a minivan and named it Care-a-Van, which is used to screen and enroll the patients. These two new vehicles will allow the clinic to serve low-income, underserved populations that live in locations too far away to travel to the clinic's main facility in Southport.

The ribbon-cutting ceremony to officially inaugurate this new mobile service was held on March 26 and cheered by a crowd of an estimated 75 enthusiastic New Hope supporters and friends. NHC Executive Director Sheila Roberts cut the ribbon and invited the guests to tour the Wellness Wagon and have some refreshments.

The impetus for the Wellness Wagon was a study published by Harvard Medical School in 2018 identifying the pockets of poverty in each state and the need for mobile units to address the situation. The NHC board proposed the mobile health project in 2019, but like so many other programs, it was put on hold during the pandemic and revived in 2023.

For the last two years, NHC has been securing funding for the van and minivan and all the equipment and operating expenses for one year, including insurance and gas.

Major donors included Cape Fear Memorial Foundation, iHeart Catholic Church, Ocean Ridge Charities Association, Southport Ro-

tary, The Leon Levine Foundation, Landfall Foundation, Sacred Heart Church, The Catherine Kennedy Home Foundation, St. Phillip's Episcopal Church, Philip L. Van Every Foundation, St. James Service Club, Southport Lions Club and General

Federation of Women's Clubs, plus several individual donors and fundraisers. Collectively they raised a total of \$342,000.

The Wellness Wagon made its maiden run in December of 2024. They now have monthly visits scheduled for St. Brendan's Church in Shallotte and have scheduled visits to The Bridge Presbyterian Church in Leland and the Brunswick County Government Center in Bolivia. Periodically they visit the Christian Recovery Center (CRCI) in Shallotte and its sister facility, Rose House in Calabash.

We are ramping up slowly for the first 90 days," Roberts said. "I'll sleep better after those first 90 days and the van and wagon are fully utilized every day."

Plans include attending community events and health fairs, faith-based communities and other nonprofit organizations that provide human services. The clinic now serves close to 500 patients a year, and the wagon, when fully utilized, will add an additional 200. It is estimated that there are 4,000 people in Brunswick County who meet the eligibility requirements to be treated by New Hope Clinic.

Brunswick County Seeking Volunteers to Form Emergency Response Teams

A CERT (Community Emergency Response Team) is being organized for Brunswick County and localities. Brunswick County officials are in the initial phase of accepting the first round of volunteers and plan to start formal training during the early summer. After the initial team is formed and trained, application for team certification can be filed with national authorities and the team would be recognized and certified. That initial team can then be broken down

into more local teams.

CERT provides trained volunteers to assume support activities during an emergency and free-up highly trained teams such as the fire department during a large event so they can handle the tasks requiring professional training. Membership in CERT is open to any adults 18 years or older. There is no upper age limit.

CERT falls under FEMA, North Carolina Emergency Management, and Brunswick County Emergency

Management. CERT volunteer basic training and certification include light Search and Rescue, disaster medical triage, distributing disaster supplies, helping with the call center at the county complex, traffic control, and a variety of emergency services. In addition, the trained CERT volunteers will acquire knowledge to help with even personal household or neighbor emergencies.

Additional task forces under Brunswick CERT are planned to be Ad-

vanced Technical Search and Rescue and the REVC (Radiation Emergency Volunteer Corps) which falls under the DHHS Medical Reserve Corps and NC State CERT and would provide triage, decontamination, and other services in the event of a radiation event at one the three reactors in North Carolina.

More details are available at https://community.fema.gov/PreparednessCommunity/s/about-cert?language=en_US

Woof! Yes! Fido Can Enjoy the Brunswick Beaches

Pets are welcome at all of NC's Brunswick Islands' beaches. In fact, tripswithpets.com named Caswell Beach and Oak Island numbers 1 and 2 respectively in its list of "Top 5 Dog-Friendly Beaches in North Carolina."

Please be aware of any local leash laws or town ordinances listed below that may apply for specific beach locations. Also, please be respectful of others and clean up after your pet.

Bald Head Island - Pets on the beach must be leashed from sunset to sunrise during turtle season, May 1 through November 15. All other times, pets are permitted off leash but must remain under direct supervision at all times.

Caswell Beach - Dogs that are leashed are permitted year round on the beach strand, as long as they do not pose a threat or nuisance to others. Dogs not leashed, but under the control of their owner, are permitted on the beach strand from dawn until 9am year-round. Additionally, from October 15 through March 15, dogs not leashed, but under the control of their owner, are permitted on the beach strand all day.

Holden Beach - Holden Beach does not allow dogs on the beach from May 20th to September 10th

between 9am and 5pm. Dogs must be on a leash at all times on the island.

Oak Island - Dogs that are leashed are permitted year round on Oak Island beaches. Dogs are allowed off their leash from October 15 until March 15 from 6am until 8pm in locations marked by beach access signs.

Ocean Isle Beach - Dogs are not permitted on the beach strand between the hours of 9am and 6pm during the period of Memorial Day through Labor Day. Dogs must be on a leash at all times on the island when off the premises of the owner, keeper, or guardian.

Sunset Beach - From the Friday preceding Memorial Day through Labor Day, dogs are not allowed on the beach between the hours of 8am and 6pm. After 6pm, and before 8am, dogs are allowed on a leash no longer than 10 feet. After Labor Day and before the Friday preceding Memorial Day, dogs are allowed all day but must be leashed.

Just remember, whenever you're on the beach with your dog regardless of location, please be respectful of others and the environment, and clean up after your pet.

A Second Helping Needs Volunteers!

A Second Helping Summer Island Food Collections on Ocean Isle Beach NEEDS VOLUNTEERS! (It will involve only three Saturdays over the summer) CAN YOU HELP US? If we don't have enough volunteers by the middle of May to gather all this food, we won't be able to continue the food collections and the food will end up back into the trash cans.

Ten years ago, a group of neighbors on Ocean Isle Beach got together to collect unopened food items from vacationers as they left their vacation rentals. This food went to Brunswick Family Assistance (BFA), a local food pantry supplementing food to the food insecure people in our community. This collection grew to over 30,000 pounds of food each summer which is equal to about \$150,000 in food to the community.

After many years of dedicated service, and many weeks of thoughtful deliberation, the OIB Second Helping Team made the difficult decision to discontinue their current program and invited A Second Helping 3-G

to help carry the torch of this important community outreach program moving forward.

Collections happen on Saturday mornings between 7:30am and 11:00am from Memorial Day to the Saturday before Labor Day (12 Saturday mornings). There are three Collection Stations on Ocean Isle Beach.

Each of the 3 stations will need 5 volunteers. Which means we need 15 volunteers on a team each Saturday.

Spending a few hours with your friends on a Saturday morning is great fun. Can you be a volunteer? We can add you to a team as we build the teams?

You WILL NOT BE ALONE. We will be with you to help you, and make sure you are having fun.

If you would like to volunteer or would like more details, please feel free to contact: Bert and Vicki Barmen 602-686-2436 (Bert3milestb@outlook.com)

Come on out and shop homemade crafts and artisan items, homemade janes, jellies, bread, soaps, Carolina's finest BBQ sauce, fried bananas!

There will be face painting and fairy hair as well!

Park at the Dixon Chapel and ride the shuttle to the fair. There is no parking at event site.

Golf Carts at the Beach

Low Speed Vehicles are registered through the State of North Carolina and DO NOT require a special permit or authorization to operate within the Town limits.

Many retailers sell specifically designed LSVs, or in some cases golf carts which have been redesigned to meet the requirements of an LSV. In many cases these retailers will provide the needed registration and titling services required to make a vehicle "street legal" in North Carolina.

For vehicles sold from the factory as a Low Speed Vehicle with proper safety equipment, registration, tags & title, no further action is needed.

By North Carolina law it is required for LSEV's:

- To be driven on public streets (no sidewalks)
- All operators must possess a valid driver's license
- The vehicle must be registered with the North Carolina Department of Motor Vehicles and have a valid license tag, vehicle inspection and valid vehicle insurance

LSEV's fall under the following Federal Motor Vehicle Safety Stand-

ard. No. 500 (49 CFR 571.500) which states:

- Must have the ability to travel between 20-25 mph
- Be equipped with headlamps
- Be equipped with stop lamps
- Be equipped with turn signal lamps
- Be equipped with tail lamps
- Be equipped with reflex reflectors
- Be equipped with parking brakes
- Be equipped with rearview mirrors
- Be equipped with windshields
- Be equipped with seat belts
- Be equipped with vehicle identification numbers (VIN)

If you are bringing a Low Speed Electric Vehicle (Golf Cart) from out of state your LSEV must:

- Be registered with your state of residence Department of Motor Vehicles (DMV)
- Must have a license tag (hard tag just like your car) issued by your DMV
- Must have valid insurance

Check your particular town for further rules of the road regarding low speed vehicles.

Oak Island Campground Has a New Owner and a New Look

We are a small family-owned campground located on the mainland of the seaside town of Oak Island and located just 1 mile from the beaches. We are also located less than 3 miles from the charming historic town of Southport NC. You'll find ample beach access and a variety of fishing options from the piers to docks to charters for both the ocean and intercoastal waterway.

Under new management, many improvements have been made to the campground including a new eye-catching entrance, upgraded camp spots, new bath house, new laundry facilities, new dog park, and pavillion.

We offer sites for all size campers! Don't have a camper?

No worries, we have several campers available for rent.

We are a stop for the Southport Trolley! The music and social life around Southport and Oak Island can be fun, but getting there, finding parking, and getting back safely can be a challenge. Southport Trolley is now offering an easy and affordable solution to keep you, your loved ones, and our roads safe.

Ride with Brunswick Transit System

Brunswick Transit System, Inc. (BTS) is a non-profit community transportation system that coordinates general public and human services transportation for the residents of Brunswick County. The transit system operates a fleet of 17 vehicles, including ADA equipped vehicles to assist persons with special needs.

What services does BTS offer?

BTS provides non-emergency transportation services to the general public through our Dial-a-Ride grant funded program and to various agency clients through contracts with those respective agencies.

What is Dial-a-Ride?

Dial-a-ride is a fare assistance transportation program sponsored by the North Carolina Department of Transportation. The service is open to the residents of Brunswick County. There is a fare and reservations are required. Reservations must be made at least forty-eight (48) hours in advance. Transportation is available on a first-come/first-serve basis as space and schedules permit.

Who can ride?

Any resident of Brunswick County is eligible to ride with BTS. BTS provides transportation for general purpose trips, medical trips, and most non-emergency trip destinations.

When can I ride?

Monday-Friday 8:00am-4:30pm as space permits. When you make your reservation please allow 2 hours for service before your requested drop-off as pick-up times may vary depending on the number of riders. Once a reservation is confirmed you will receive an automated phone call including a pickup time. A driver may only wait five (5) minutes for you to

board the van.

How do I schedule a ride?

To request general public transportation services, call the BTS office at (910) 253-7800 or toll-free at 877-754-2764 between the hours of 8am and 4:30pm, Monday-Friday. Requests left with the answering service are not scheduled until our staff has contacted you.

What information do I need?

You will need to provide the dispatcher/scheduler with the following information when you call to schedule your trip: Your name, address, destination address, telephone number, any return trip information, any special requirements (space needed for a child seat, wheel chair, etc.), and the name, relationship, and age of anyone traveling with you.

How do I cancel a ride?

If you must cancel a scheduled trip please notify the BTS office at 910- 253-7800 or toll-free at 877-754-2764 as soon as possible, but at least 2 hours in advance of your pick-up time. Early notification allows BTS to provide transportation to others and will eliminate any no-show charges, which must be paid before future rides are scheduled.

How much does it cost?

Fares for general public riders are \$3.00 or \$5.00 one-way depending on the destination. When you call the dispatcher/scheduler you will be given the correct fare for your scheduled trip. Tickets can be purchased from the BTS office. Arrangements can be made by calling the BTS office at 910-253-7800 or toll-free at 877-754-2764.
