2025 Department Convention Voting

Chairmen of post delegations should check with the Headquarters staff at the Convention Registration Desk at the North Raleigh Hilton upon arrival in Raleigh to be sure that their Post delegates are properly certified. In accordance with Article V Section 9 of the Department Constitution and By-Laws, only those Posts whose delegates are duly certified and whose registration fee has been paid will be permitted to vote in the Department elections. The pre-registration fee is \$10.00 per delegate. Registration at the Convention will be \$12.00 per delegate. Certification for delegates must be received at headquarters no later than **June 10, 2025**.

Be sure to get a copy of the convention schedule at the Legion registration desk upon arrival as there may be last minute updates on meeting room and time changes.

Post Commander/Adjutant Packets

This year we are again endeavoring to get an early start on our 2025-2026 membership program. In order to do this, it is imperative we get the Commander and Adjutant packets and 2026 membership cards into the proper hands as soon as possible. The packets will be ready for you to pick up during the Department Convention, June 18-21, in the Judicial room, the same as our registration at the North Raleigh Hilton, Raleigh, NC. Please be sure to sign for your packet and give your Post number so that we can determine who has not received a packet. *If it is impossible for you to attend the Convention, please make arrangements with someone from your Post or one nearby to pick up your packet. If a nearby post is picking them up, please let us know prior to convention. Any cards not picked up will be mailed and billed to the post.*

Newly Elected Post Officers

Your tenure of office for the current membership year is quickly coming to a close. However, many of you will be re-elected and continue to serve your Post, while others will be replaced by new officers. The staff at Department Headquarters hopes that this monthly bulletin has been of some value to you. If you have not already done so, please forward a list of your newly elected Officers as soon as possible. (Forms, both Post Information and Certification of Post Officers, are included in this mailing) Please notify Headquarters **EVEN IF THERE ARE NO CHANGES** so we can make sure our records are complete for mailing and emailing purposes. It is our constant desire to be of assistance to each Post, and it is only through a team effort that we are able to accomplish our goals throughout the year. It is important to report address changes, i.e. new zip codes, and email addresses. To ensure you will get the information you need, make sure our information about you is correct. We are encouraging as many post officers who would like the mailing to start receiving it by email. Please be sure to complete the back of the post information form.
