Advocating for Veterans since 1919

Founded by an Act of Congress after WWI, The American Legion fiercely advocates for the unique needs of every generation of veterans, service members, and their families who pledge to protect our nation.

Today, we are committed to de-stigmatizing mental health support, offering peer-to-peer resources, and empowering everyone to Be The One in the fight to end veteran suicide.

Patriot Day: Honoring Resilience and Community in Western North Carolina

By Grok3

Every September 11th, Americans pause to observe Patriot Day, a solemn occasion dedicated to remembering the lives lost and the heroism displayed during the tragic events of 2001. It's a day that unites us in reflection, gratitude, and a renewed commitment to community and service. In Western North Carolina (WNC), Patriot Day 2025 carries an added layer of significance as the region continues to recover from the devastating impact of Hurricane Helene in 2024. Amid this rebuilding, American Legion Post 77 in Hendersonville, NC, stands as a beacon of fellowship, offering a space for celebration, support, and unity.
