100 Ladies of Deering

The 100 Ladies of Deering is a philanthropic circle of women dedicated to preserving the Deering Estate. Founded in 2012 as an offshoot of the Deering Estate Foundation Fundraising Committee, the 100 Ladies of Deering has grown in size and their projects touch almost every room and aspect of the Deering Estate. Joined in friendship and governed by an independent board, the 100 Ladies of Deering use their dues and other monies raised to plan and complete projects that advance awareness, increase public engagement and promote the conservation and preservation of the Deering Estate's cultural and natural resources. The 100 Ladies of Deering is governed by the bylaws and works in partnership with the Deering Estate Foundation, a charitable 501(c)3 charitable community based organization.

Mission: To connect, collaborate and bring about impactful change through our investments in projects that advance awareness, public engagement and the conservation & preservation of the Deering Estate's cultural and natural resources. Consistent with the mission and vision of the Deering Estate Foundation, we believe that the preservation and conservation of the Deering Estate's Historic and natural resources are paramount to preserving the cultural heritage of South Florida and are worthy of our philanthropic investment, thoughtful conservation and care. We also believe that the Estate is uniquely positioned within our community to provide convenient access to rare and valuable

cultural and environmental experiences that enrich lives and broaden horizons.

The Marion Deering Award

The 100 Ladies Originals Award was first established in 2019, named after the founding members of the 100 Ladies, a group of devoted, innovative, and creative women who were and remain passionate about preserving Charles Deering's legacy of community, culture, and conservation. The President of 100 Ladies presents this award to someone who truly embodies that shared dedication and is honored for safeguarding both Charles and Marion Deering's legacy.

In 2023, the Original Award was renamed the Marion Deering Award.

The Marion Deering Award not only recognizes individuals who uphold the values and vision of the Deering family but also serves as a symbol of ongoing commitment to the community and the environment. Each recipient demonstrates remarkable leadership, creativity, and dedication to fostering cultural enrichment and conservation efforts. Their contributions help ensure that the Deering legacy continues to inspire future generations, strengthening the bonds of community

and nurturing a spirit of stewardship for the natural and cultural heritage cherished by the 100 Ladies.

Past recipients include

- ❖ 2019 - Alfredo Brito – Designer in Residence.
- ❖ 2021 - Fanny Mesa - our extraordinary drapery vendor.
- ❖ 2022 Daryl Bowser – our Sunshine Committee lead.
- ❖ 2023 - The Tres Amigas – Lori Haas, Barbara Bass and Nancy Michaelson for editing and publishing our Legacy Coffee Table Book.
- ❖ 2024 - Lori Rickles and Nancy Eggland for starting their committees that have expanded the reach of 100 Ladies of Deering.
- ❖ 2025 - Pamela Mullins and Donna Golik for long time contributions and support of the 100 Ladies of Deering, and Yvette Cotera for always lending a hand with our artistic painting needs.
- ❖ 2026 - Ann DeStefanis was recognized for her exceptional coordination of the holiday décor and related holiday activities including the Guardian Ad Litem program at Deering Estate.

The Fern Pin

The sterling One Fern pin is more than just a piece of jewelry; it embodies our collective commitment to the Deering Estate. Through its meaningful design, the pin highlights our shared dedication to preserving the legacy of Charles and Marion Deering of community, conservation, and culture.

Wearing the One Fern pin signifies unity among our members, emphasizing the importance of conservation, culture, and community. It serves as a visible reminder of the values upheld by the Deering Estate and the individuals who strive to protect its heritage.

The fern depicted on the pin is a powerful emblem for Deering Estate, which remains one of the few environmentally endangered lands in the county. This area is a sanctuary for rare native plants, including unique orchids and ferns, making conservation efforts vital to maintaining its unique ecosystem.

The development of the Fern Pin was achieved through the significant contributions of two former

members of 100 Ladies. Lynn French was responsible for its design, while Karen Hoffman partnered with a jeweler to oversee its production.
