HAPPY★NEW★YEAR

Dear Oak Creek Family,

Welcome to 2022! I hope you had a nice holiday season. We are so happy to start the new year with all of you. We have a lot of great things planned for the property that I know you will benefit from and enjoy.

Some of the capital projects that we plan on doing this year include, exterior painting of all the buildings a shade structure at the park and tennis court resurfacing. I am also excited to announce that we will be installing new and improved bike racks throughout the property. These bike racks, called “lightning bolt” will allow you to lock the wheel and the frame as opposed to the current bike racks where you can only lock the wheel. We have installed one at the 1560 building as a test if you want to take a look.

I am also excited about the new planters that we will be installing throughout the property. These new planters are modern and will add a new fresh look to the property. The elevator modernization project will continue in 2022 and likely beyond as this is a major project with a lot of moving parts.

We will update you by email with detailed information when these projects get scheduled.

The Oak Creek Team wishes you and yours a prosperous year with good health and happiness.

Sincerely,
Suzanne Landers
Property Manager
