June 2022

Volume 58, Issue 6

Dear Oak Creek Community,

Welcome to the month of June. With the warm weather upon us I want to remind everyone about some important pool rules that should be followed at all times. Glass and alcohol are not permitted at any of the pools. Water toys are not allowed in the main pool, such as: floaties, rafts, balls or any other water toys.

The clubhouse painting has been completed and the crew has moved on to building 1560 & 1618 with a completion date expected of June 18th. The next building will be 1510 & 1540 with a start date of June 20th.

The elevator project is coming along well. We just completed 1450 elevator and have now started the 1560 elevator.

Thank you for your patience and understanding as we continue to make Oak Creek beautiful and well maintained.
