

September Oak Leaf

Published for the residents of Oak Creek

September 2021

Volume 57, Issue 9

Dear Oak Creek Residents,

Why do we celebrate Labor Day? Labor Day is an annual celebration of worker and their achievements, originated during one of American labor history's most dismal chapters. In the late 1800's, at the height of the industrial revolution in the United States, the average American worked 12-hour days and seven-day weeks in order to eke out a basic living. Wishing you all a Happy Labor Day celebration!

Project Updates:

The elevator modernization program is moving along nicely. The 1380 elevator has been completed without any delays. Star elevator crew has moved to the next elevator at 1824 and the 3rd elevator in phase 1. I want to thank the residents of 1380 for your patience and cooperation during the project.

New flooring will be installed in the fitness room. The floor is a recycled rubber flooring that is conducive to the purpose of the space.

Annual tree trimming will take place in September.

Notifications will be sent out in advance of the project start date. Landscape improvements are on-going.

A warm welcome to the many new residents joining the Oak Creek Community. We look forward to meeting you at the next event that will take place on September 25th, picnic in the park. See details on page 2.

Sincerely,

Suzanne Landers
Property Manager
