Volume 57, Issue 2

Dear Oak Creek Community,

I hope you are safe, warm and happy! January was a cold month with a couple of surprisingly warm days that got most of us outside to enjoy the record breaking temperatures. What a nice change that was! Now we are all bundled up in our scarfs and winter coats. Yikes, it has been cold and yet the perfect weather for hot chocolate and a good book.

At Oak Creek we are always striving to improve and implement best practices that will be useful to the property and to the residents. We are currently working on a new parking system for us to better track vehicles that belong to Oak Creek residents and to eliminate parking issues. Stay tuned for this announcement and details.

The staff at Oak Creek want to make the best out of the current situation and impact of COVID-19 by implementing new and creative ways to bring our community together. We will be trying out for the first time in Oak Creek history a ZOOM event. We are hoping to get a good turnout of resident participation so please check out page 3 for more information. We look forward to seeing you via ZOOM.

As always, thank you for choosing Oak Creek as your home.

Sincerely,
Suzanne Landers
Property Manager
