Welcome Back Valued Guests!

* Please Advise Prior To Entering/Visiting *

Greetings everyone and thank you again so much for all your support during these challenging times. Below are the steps we are taking to meet the CDC guidelines to make Imagine 3D Mini Golf a safer place for both our customers and employees. We are happy to share with everyone that we've implemented physical distancing between customers and employees in a safe and effective manner per the CDC guidelines.

COVID-19 PREPAREDNESS PROTOCOL

- **If any customers are feeling ill or have been diagnosed with the Covid-19 Coronavirus, please refrain from entering/visiting Imagine 3D Mini Golf.**
- **Zoned off areas (max 4 seperate groups) in the lobby have been created for proper customer/group physical distancing prior to entering the mini golf course.**
- **Installation of front counter sneeze guards.**
- **Due to meeting CDC guidelines on physical distancing at Imagine 3D Mini Golf, our employees are not required to wear masks.**
- **All employees will be screened prior to their shift and are advised to not come into work if they are feeling ill.**
- **At this time, we are postponing the use of our party room area for birthdays, field trips, corporate team building outings, and any other large party events until further notice.**
- **Floor markings have been added throughout the 18 hole course to ensure physical distancing between customers/groups while playing mini golf.**
- **Hand sanitizer and disinfectant wipes will be accessible for our customers and employees.**
- **All golf balls, putters and 3D glasses will be properly sanitized prior to customer usage.**
- **Employees will frequently wipe and sanitize all work surfaces, door handles, countertops, high-touch areas, benches, arcade games and restrooms throughout their work shifts.**

We sincerely appreciate your patience and cooperation as these practices have been implemented and thank you again so much for supporting small, family owned businesses. Have a great day!

-The Imagine 3D Mini Golf Family
