

Confidence Building Seminar

Presented by Laura Sconyers

Sunday, June 23, 2019 from 10 am to 3 pm

Techniques taken from Monique Anstee's "Building Bravery" Seminar

Monique is the head trainer of The Naughty Dogge in Victoria, BC and she has been training dogs for 25 years. She is also the author of the book, "As a Dog Thinketh," published in December 2017.

The basic technique is to take the dog out of their comfort zone, work them thru it and turn the stressor into a game. So bravery and confidence happens when dogs conquer stress.

Laura had the privilege of attending Monique's seminar last summer and she would like to share what she learned.

*Handlers will need to be able to get up and down off the floor and trot away from their dog.

*Participants need to bring one large lawn garbage bag, 5 blown-up balloons and one card board box big enough for dog to fit into.

*This seminar would NOT be good for a dog-reactive dog because dogs will be close at times.
