

BRYANTUSA & BRYANT CAPITAL

Growth Strategies That Scale

Advising. Investing. Building Value.

Partnering with businesses to improve performance, accelerate growth.

BryantUSA advises and acquires.
Bryant Capital funds and invests.

Together, we partner with founders and business owners across lower-middle markets and SMEs, applying hands-on experience to:

- Strengthen performance and execution
- Align leadership, teams, and strategy
- Drive sustainable organic and inorganic growth
- Prepare businesses for successful, high-value exits

Our Team

We bring proven leadership experience, applying disciplined strategy, accountability, and execution to elevate organizational performance and seamless exits with maximum value creation.

Our Approach

We work closely with SMEs to understand their goals and challenges, and develop solutions that address their specific needs, whether it's transformative growth or exits with maximum value realization.

Our approach is collaborative, transparent, and results-driven. We act as an advisor and/or acquirer (buyer).

BryantUSA is a veteran owned business.
