

You've always taken charge. Shaped your own destiny.
Then why let yourself be hostage to inconvenient
airline schedules?

Flightshares brings the proven model of
Fractional Aircraft Ownership
to India for the first time. Just tell us when you
want to fly, and where. We take care of everything.
At a fraction of the cost and none of the headaches.

Use your aircraft to turbocharge your business.
That's what strategic mobility should be all about.
Go ahead, give us a call to learn more.

You owe it to yourself.
