

# *Fly* ON YOUR OWN TERMS.

You've always taken charge. Shaped your own destiny.  
Then why let yourself be hostage to inconvenient  
airline schedules?

Flightshares brings the proven model of  
**Fractional Aircraft Ownership**  
to India for the first time. Just tell us when you  
want to fly, and where. We take care of everything.  
At a fraction of the cost and none of the headaches.

Use your aircraft to turbocharge your business.  
That's what strategic mobility should be all about.  
Go ahead, give us a call to learn more.

*You owe it to yourself.*
