If you (or your children) experience any symptoms and/or fevers within 14 days prior to departure, please stay home for the health and well-being of all pilgrims. NOTE: Medical personnel will attend the pilgrimage.

Food & Water

Food, water, and sleep are vital to staying safe and healthy! Pilgrims should bring money for meals during travel. **\$150.00** is recommended for food - an average of **\$25.00** per day. While in DC, lunch will be quick and light and dinner will be late. **Bringing peanut-free snacks is also encouraged.** Pilgrims should bring a 6-pack of bottled water or a water bottle for the duration of the pilgrimage.

Weather & Walking

Pilgrims should dress in layers with ear, face, masks, and head covering to protect from COLD temperatures. Expect to walk several MILES per day. Good shoes are a must!

In 1973, the US Supreme Court legalized abortion in the landmark case of Roe v. Wade Decision. As a result, abortion is legal through the 9th month of pregnancy. Every year since, Pro-Life representatives from across the nation and all over the world have met in our Nation's Capitol to March for Life in support of the unborn and all who are in danger of the Culture of Death.
