Diocese of Tulsa & Eastern Oklahoma

THE PURPOSE OF WYD

Gathering Together

WYD brings together young adults from all over the world as a reminder of the strength and confidence the young contribute to today's Church.

Putting Trust in the Young

WYD is a time to put trust in the world's youth and a call for unity in humanity.

Meeting the International World on a Human Level

International events stir much hope as well as fear (for example, fundamentalism, nationalism and other new conflicts). The Church and Christians themselves have a role to play in preventing the development of these fears and aid each person in discovering hope.
