LAURA KING

Leadership Development Coach

How does your organization help leaders develop the personal capacities required for success in these areas?

- | | |
|--|---|
|  Interpersonal communication and collaboration |  Shifting mindset from blaming to learning |
|  Leading through complexity and change |  Self-awareness and perspective taking |
|  Team alignment and effectiveness |  Healthy boundaries and cultivating trust |

Reach out if your leaders would benefit from:

- | | | |
|---|---|--|
|  An increased ability to handle challenges |  Greater clarity and less reactivity |  Feeling supported in their development |
|---|---|--|
