

Seventh Annual Patrick O'Rourke Memorial Scholarship European Pheasant Hunt

Patrick gave the ultimate sacrifice while trying to save a barricaded gunman who was thought to be suicidal. The Patrick O'Rourke Memorial Scholarship Fund was established to honor Patrick's service, his memory, and ensure his legacy lives on. Our mission is to benefit students seeking careers in Criminal Justice. Please join us on **Sunday, September 27, 2026** for a fun-filled day supporting Schoolcraft Police Academy graduates with a European Pheasant Hunt. Your participation as a sponsor of this hunt allows us to raise funds in Patrick's name to present cash awards to graduating students at Sgt. O'Rourke's alma mater, Schoolcraft Police Academy to help those who have chosen to protect and serve.
