POSITION AVAILABLE

Arkansas Valley Commercial Appliance is looking for a qualified person to fill the role of Refrigeration Technician One. The candidate who is hired will have the opportunity to advance in the field and become an expert in said field to further his or her specialized position in the field. The candidate will have their own service vehicle with the necessary specialized tools to complete their job successfully. Individuality and a desire to take responsibility for customers' success is a strongpoint for the person we wish to hire.

LOCATION

Arkansas Valley Commercial Appliance currently services the Chaffee County area, and is looking to extend its service areas. We currently service Buena Vista and Salida, Colorado.

JOB REQUIREMENTS

- Education or experience equivalent to a High school diploma, GED and the completion from trade program or technical school.
- Candidates must possess Universal CFC certification.
- 1+ years of experience in refrigeration, HVAC, or other related industry/trade preferred.
- Knowledge of jobsite safety, ability to perform work in accordance with safe work practices and rules.
- Ability to use basic power and hand tools including drills, fuel gas tools, electrical meters, measurement tools, etc.
- Ability to be punctual and dependable.
- Ability to work in a variety of working conditions, including scaling ladders to various heights, outdoors in hot/cold temperatures, in noisy environments, etc.
- Ability to perform basic mathematical calculations including fractional addition/subtraction, multiplication, division, and measurements.
- Ability to read, write and communicate timely, clearly, and concisely.
- Ability to work constructively in a team environment and follow instructions from senior technician.
- Ability to understand and follow all company policies and procedures and all applicable State and Federal laws.
- Good driving record.

PHYSICAL DEMANDS AND WORK ENVIRONMENT

The physical demands and work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Work Environment

This job typically operates in convenience stores, grocery stores, food service and/or construction environments with the need to work at heights from ladders and/or Scissor lifts. Mechanical rooms can have elevated noise levels. The position regularly works near/with refrigeration/HVAC equipment that can expose the workers to extreme cold from refrigerant and high heat from brazing operations. This role routinely works in outside conditions that include inclement weather, heat and humidity, and exposure to dust. These conditions require employee to use the correct PPE and safety work practices.

Physical Demands

This position is very active and requires excellent stamina to perform strenuous physical labor under adverse field conditions. Employee is regularly required to walk and stand for long periods, hear, drive, sit, bend, kneel, stoop, crouch, crawl, climb, use hands and fingers, and lift and/or move up to 50 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus.

Pre-employment background screening (criminal, drug screen and DMV) is required for all positions.
