

# Waters Landing Association, Inc.

20000 Father Hurley Blvd. • Germantown, MD 20874 • 301-972-3681 • [www.waterslanding.org](http://www.waterslanding.org)

November 2022

## Dear Woodlands MEMBER:

Attached for your review are copies of the **General Association and Neighborhood Operating** budgets. Please review this material and feel free to address any comments or questions you may have to the Board of Directors. Attached for your review are copies of your neighborhood budget. Please review this material and feel free to address any comments or questions you may have to the Board of Directors. Your comments may be made at the Board of Directors meeting, scheduled for December 31, 2022 at 11:00 a.m. via Zoom. Details will be posted to the Association website.

**The 2023 assessment will remain the same and will be \$56.00 per month** and accommodates costs in the general administrative budget for contracts and maintenance in the general association; as well as to accommodate neighborhood expenses.

Accumulated reserves and any 2022 year-end surplus or deficit will carry forward into the next year and stay within the neighborhood's account.

### **GENERAL ASSOCIATION OPERATIONS**

This section of the Budget provides for the operation, maintenance, management and reserve funding of the General Association. Services provided under the General Association operations are provided on behalf of all residents in the community as distinct from "neighborhood" operations, which benefit only those members of a particular neighborhood.

This includes general management and administration of the Association for the Board of Directors, the Architectural & Environmental Review Committee (AERC), and Neighborhood Advisory Councils (NACs) under the basic categories of General & Administrative (G&A), Community Center (CC), Pools, Site Improvement Projects, Maintenance, and Contract Maintenance.

The amount of the General Assessment is included in the total monthly assessment for your neighborhood, and is reflected in the final assessment amount shown on the Neighborhood Budget.

### **NEIGHBORHOOD OPERATIONS**

Single-family neighborhood operations include neighborhood common ground maintenance, including tree maintenance, and contract services including trash collection & common ground landscape maintenance.

*Note: Sidewalk and roadway maintenance, and snow removal in single family neighborhoods is performed by Montgomery County.*

Owning a unit in Waters Landing automatically makes you a member of both Waters Landing and the Churchill Foundation, which owns and maintains Lake Churchill. The Association collects from its members the monthly Foundation fee (\$3.75 p.u.p.m.) and passes it directly to the Foundation. The Foundation sends separate correspondence on their budget and operations.

For the Board of Directors

Sincerely,  
Kristin Czarick, CMCA, AMS  
General Manager
